TRAIN URGED TO KEEP SCHEDULE

Dauphin Man Complains About the Peculiarities of a Morning Flyer

The Northern Central passenger train scheduled to leave Dauphin at 6.28 o'clock in the mornings for Harrisburg is given a very bad reputation as a timekeeper by H. C. Forney, superintendent of the Hummelstown Shoe company, in a letter to the Public Service Commission today.

Mr. Forney says that numerous complaints have been made about the vagaries of the time of this flyer on which many folks come to this city for market and business. Some time ago the commission got after it and found that it was an inter-State caravan and that the State could only ask it politely to try to keep to its schedule. In his letter Mr. Forney says the train has only been on time twice a month and that people have to wait from fifteen to one hundred minutes to get to Harrisburg.

The point is also made by Mr. Forney that if the company can not keep the schedule for this train it should make a new one and also that if that is not possible another train should be put on and educated up to the propriety of keeping a schedule. He also says that he was told by the president of the Harrisburg Railways company that the trolley company would build to Dauphin if the Railroad company gave a right of way.

Apparently Mr. Forney has only the jitneys to fall upon. He is reluctant to hop freight because that is dangerous and he is liable to be arrested; he cannot induce the trolley company to build and the commission can only pat the locomotive of the train on the smokestack and ask it to think how nice it would be to keep to a schedule.

The Public Service Commission has scheduled for Monday afternoon the application of the Philadelphia and Reading Railway for the right to put more girders on abutments at Rutherford subway.

John McSparran's complaint about the charge for a three-minute telephone conversation in rural Lancaster county will also be heard today.

The Gettysburg Furniture company has filed notice of increase of stock from \$50,000 to \$100,000.

Richard B. Ryan, Shamokin and W. P. Stover, were appointed notaries public today.

Ex-Representative A. E. Keepert, of Reading, was here today.

No post to State.

The State of Pennsylvania is not to be obligated for any of the costs in the quo warranto proceedings to be instituted at Williamsport to determine the question of citizenship of Mayor Jonas Fischer, of that city, according to a notice sent to the attorneys in the case today. The attorney general today formally allowed the writ.

Judge Whitaker Thompson, of Philadelphia, was today re-appointed a trustee of the Spring City State institution and Ex-Representative J. Milton Lutz of Llanerch, was named to succeed Samuel R. Crothers, Chester, resigned.

Herbert L. Pearsall was today substituted as Prohibition candidate for the Legislature in the Potter county district after T. G. Gardner had filed a withdrawal as candidate on the Prohibition, Progressive, Washington and Socialist tickets in that district.

Softer today withdrew as Prohibition candidate for Congress in the 32nd district and H. N. Sherwood, as Democratic candidate in the 25th Senatorial district.

Deputy Attorney General Hargest today gave an opinion to Chief of Mines James E. Roderick in which he holds that county commissioners should not refuse to receive and file certificates issued by miners' examining boards to candidates for office of anthracite mine inspector. The Northumberland county commissioners had refused to accept a certificate claiming the mine inspectors are State officers and that certificates should be filed with the secretary of the Commonwealth.

FOOD SOURING IN STOMACH CAUSES GAS, INDIGESTION

'Pape's Diapepsin' neutralizes acids in stomach and starts digestion.

Five minutes! No sourness, gas, heartburn, acidity or dyspepsia.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why it relieves sour, out-of-order stomachs or indigestion in five minutes. 'Pape's Diapepsin' is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many 'Pape's Diapepsin' cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparative, too, if you ever take it for indigestion, gas, heartburn, sourness, dyspepsia, or any stomach misery. Get some now, this minute, and rid yourself of stomach misery and indigestion in five minutes.

Episcopalians May Ban All Divorce Marriages

St. Louis, Oct. 13.—A report recommending a new church law prohibiting Episcopal clergymen from performing the marriage ceremony for persons divorced for causes arising after matrimony, regardless of the cause, was presented to the general convention of the Protestant Episcopal church.

The report was presented in the House of Deputies by the Rev. Charles J. Rixley, of Brooklyn, and caused a spirited discussion. The law recommended in the report of the joint commission on legislation on matters relating to holy matrimony.

The commission recommended, however, that where it is claimed, a divorce has been granted for causes arising before marriage and satisfactory evidence is presented, such a decree, "being in fact a decree of annulment," is no bar to the marriage of either party.

The present canon of the church permits a minister to perform the ceremony in the case of the marriage of the innocent party to a divorce granted on statutory grounds, providing the clergyman has received the consent of his bishop.

In its report the commission pointed out that the whole subject of marriage, "with its responsibilities and obligations, should be made a matter for careful instruction by the clergy much more frequently than is now common."
