Famous Summer Resort at Cresson to Be Removed Before Winter

Altoona, Pa., Oct. 13. — The old Mountain House property at Cresson, once a famous summer resort in this part of the country, was sold yesterday by the Pennsylvania Railroad Company to P. S. Cassidy, contractor, of

by the Pennsylvania Railroad Company to P. S. Cassidy, contractor, of this city, through the company's real estate agent, P. H. Faris, of the Central Trust building.

In former years the Mountain House was known far and wide throughout the ctate and in adjoining states as one of the most popular summer resorts in the eastern part of the country. Building is Landmark

The building is Landmark

The building is detween thirty and forty years old and is four stories high. It contains 216 rooms. The establishment, however, has been closed for quite a number of years.

The sale was made by the Pennsy under the agreement that the entire huilding be removed from the grounds, Mr. Cassidy purchasing the building only. The consideration was not made public.

The Mountain House has not been boarded up. Of late it has been decaying rapidly and large portions of the building are practically fallen to pieces. There is, however, still a large amount of valuable timber in the building. The Pennsy had been advertising it for sale for months.

### New P. R. R. Station Is Now in Service at Johnstown

After three years' work, involving a total cost of \$1,750,000, the Pennsylvania Railroad yesterday officially put into service its new station and elevated tracks at Johnstown.

The celebration closed with a banquet at which the speakers were Robert C. Wright, traffic manager of the Pennsylvania, and S. C. Long, general manager.

The cost of the station itself is put at \$130,000, with \$1,620,000 as the cost of the elevated structure. The new station has two "island" platforms 900 feet long, similar in construction to the North Philadelphia station. The improvements will provide access to the Cambria Steel Company plant through a subway tunnel.

### Decide Against Typhoid Hospital at Halifax

It's Easy—If You Know Dr.

Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you minety per cent of all sickness come from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.
