Calamity Howl From Coach Easton Won Last Year; Local Harlow; Hess Out; May Have Typhoid Fever

State College, Pa., Oct. 13. — Dick Harlow, Penn State's head coach, isn't setting up a calamity howl, but he is pretty much discouraged by the regularity with which his best men are being forced to the sidelines by injurles and sickness. To-day the worst came when Hess, the best defensive back in the squad developed something resembling typhoid fever.

Eleven Hopes to Give Visitors Hard Battle

To date the number of licenses and the reports of sales of ammunition indicate increased interest in hunting sport this season. Harrisburgers laugh at the reports from Sunbury and Shamokin that because of high cost of ammunition hunters will be scarce. Annumition in this city is selling just the same as last season. It is said that higher prices are asked elsewhere. Local dealers claim that some ammunition is scarce, but they ordered early, and while some orders are back they have enough on hand to keep the hunters busy.

Is wrong with the big line breaker, but they have ordered him away from hard work until a complete diagnosis had been made. Blood tests are being made to learn the real nature of Hess' allment. Harlow says it looks like tough sledding with Hess out of the game for a fortnight, or longer, possibly.

Clark in Good Shape
Captain Clark folded a big blanket about his shoulders to-day and followed his team in its scrimmage with the freshmen. Harlow thinks Clark is at the top of his game right now and he doesn't want to overtrain the husky fullback. The regulars, getting ready for West Vriginia to-morrow, scored three times against the youngsters in a twenty-minute scrimmage.

Wert winning the match on the 35th green, 3 up and 1 to play, after one of the best matches of the season. Some remarkable golf by Wert in the first round gave him a lead of four holes which Sauers could not overlooking the perfection in the westminster game partly because there has really been attained for this stage of the season a high decompositions in spite of his determination. At times he reduced Wert's lead to two, only to be beaten at the next hole by an extra fine play on the part of Wert. Both players thoroughly deserved their positions in the final as Wert defeated H. W. Perry and Sauers defeated Tom Devine in the course of the season half and the latter scored more points than the regulars.

### CENTRAL PLANS **BIG CHEER CROWD**

The hunting season starts Monday. This means that there will be no trapshooting matches to-morrow. Local shooters are planning to start early Monday morning and will leave to-morrow for their favorite haunts. Some will go in automobiles and camp out over Sunday.

Deston for the fourth time won the world's championship. It is the consecutive victory for the Red Sox. Bill Carrigan had a team that played baseball every minute. Who will be Central's cheer leaders this year? Such a question is much interrogated up at Central High. The world's series. call for cheer leaders by Professor H. Fields, the only freshman on the Central High eleven, is developing into a great fullback. While in grammar school he was a good football man and also fine in track events. G. Dibble has aroused much interest Quite a number of candidates have responded.

This is especially true among the girls, but there will be an equal number of boys elected, so the rivalry is much keener among the masculine celebrities of Central. A meeting for the purpose of trying out the candidates will be held Monday evening in the chapel, and will be in charge of Professor Clarence Zorger. Up to 10 o'clock this morning a total of 2,990 licenses were issued to hunters for this season. This is slightly over that of last year, showing that Dauphin county hunters are not growing any less.

Students Will Elect

A dispatch from Detroit says Hughey Jennings and Mrs. Jennings had a close call yesterday. The Jennings automobile hit a street car. None of the occupants was injured, but the car was badly battered. Hughey said yesterday's close call was nothing to what he had this season in nearly winning the pennant."

DUFFY LEWIS IS HERO

Duffy Lewis, the hero of the 1915 world series, is again the batting star of the present year conflict which ended yesterday at Boston. Lewis has the best batting average of the regular players. The top perch usually goes to Del Gainer, of the Red Sox, with his one single as a pinch hitter, a perfect average of 1,000. Manager Carrigan, himself, showed he could still hit in the one game he played, and comes second. Stengel, of Brooklyn leads Lewis by a few points, but Stengel played in only three full games, so he can hardly grab the honors from the Red Sox redheaded outfielder. For that matter Stengel's claim to any honors would be disputed by the Boston recruit, Shorten, who in two games hit to the tune of .571, a remarkable record for a youngster in a world's series after only a month or so in the big leagues.

INCLAIR AFTER DODGERS

Boston, Mass., Oct. 13.—Harry F., Sinclair, the oil man of Tulsa, Okla, the former Federal League owner, may buy the Brooklyn club, with James F. Gafiney, of New York. It was reported here that Gaffiney has already been in communication with Sinclair and that the pair will shortly make a big offer for the Brooklyn team. It was not long ago that Gaffiney and Sinclair came near buying the New York Glants. President Ebbets said after the game that the club was still for sale and that he would sell if he got his price.

MORE SEATS AT YALE

New Haven, Oct. 13.—Because the early demand for seats for the Yale-Harvard football game here on November 25 has exceeded all records, the management to-night voted to erect 8,000 additional temporary seats on the "rim" of the bowl, where the contest is to be staged.

This will bring the seating capacity of the great amphitheater up to over 70,000.
