Men Are Hustling These Days For

New Fall Clothing

Suits, \$10.00 to \$30.00 Overcoats, \$10.00 to \$50.00

MEN must decide quickly upon their new suits and overcoats. Our stocks are fairly shouting their invitation to come and see not only good, dependable, well tailored clothes but in such variety that seemingly every man must find just what he wants for cold weather wear.

The man in a new suit has a firmer grip on things. He holds his head higher and his step is lighter and quicker. Clothes may not make a man, but they do give him a better standing in the community and more self-confidence in his work or play with greater efficiency and enjoyment as the result.

Come in and get acquainted with our Men's Clothing Section and its service.

See the many rich patterns in the new Fall Suits and the beautiful fabrics that make this season's overcoats the handsomest and most distinctive in years.

There's a suit and overcoat here at the price you want to pay.
