WOMEN SAVE \$5 USING GASOLINE

Dry clean your dresses, suits, silks, yokes, gloves, draperies, etc.

Save \$5 to \$10 by doing your own dry cleaning. Here is a simple and inexpensive way to clean and brighten children's coats, suits, caps, woolen garments, Swiss, lawn, organdie and chiffon dresses, kid gloves and shoes, furs, neckties, ribbons, silks, satins, lace, yokes, silk shirtwaists, draperies, rugs, in fact any and everything that would be ruined with soap and water.

Get two ounces of solvite at any drug store and put it in two gallons of gasoline, where it readily dissolves. Then put in the goods to be cleaned. After a little rubbing out they come looking as clean and fresh as new. You will find nothing fades, shrinks or wrinkles, requiring no pressing.

Any woman can do home dry cleaning in a few moments at little cost and save lots of money. It is as simple and easy as laundering, and you can't make a mistake. Your grocer or any garage will supply the gasoline, and your druggist will sell you two ounces of solvite which is simply a gasoline soap. Then a wash boiler or large dishpan completes your home dry cleaning outfit.

Paducah, Ky., Oct. 16. — The negroes were taken by mob here to the march to her home was taken up and on the way Asa Thornhill, about 20 years old, who, it had been reported, had lauded Finley's attack, was seized. The crowd gathered in numbers as it proceeded and when it reached the Rose home had grown to several thousand. The spectators mounted a railroad trestle in the immediate vicinity, one of the points of vantage. While Finley was taken to the Rose home the leaders of the mob resolved to hang Thornhill. Pleading for his life the boy was bound and executed. In a few minutes it was announced that Mrs. Rose had satisfied herself of the identity of Finley. He was hanged to the same tree and a number of shots fired into his body. Quietly and methodically the mob gathered a quantity of wood, built a fire and placed the bodies of both negroes upon it. The mob and spectators then dispersed.
