

HUNTING SEASON STARTS TO-DAY---SCHOLASTIC TEAMS WORK GOOD SATURDAY

TED MEREDITH IS SWEDISH WINNER

Takes Long Run in Good Time; Americans Sweep Field in Opening Program

Stockholm, Oct. 16.—Ted Meredith, captain of last year's University of Pennsylvania track team and former quarter-mile American national champion, with four western collegiate stars, comprising the American contingent entered in the games of the Swedish athletic associations at the stadium here, on Saturday carried off the lion's share of the honors for the opening day of the meet.

The same sturdy determination that carried Ted Meredith to victory over Melvin W. Sheppard, the once peerless middle-distance runner, in the 800-meter run at the Olympic games in 1912, when he set a new world's record of 1:59.9-10 for the distance, Saturday gave him the victory over J. Bolin, holder of the 800-meter Swedish record, in the 400-meter run. Meredith's time was 47.1-10.

The American team, composed of Loomis, Murray, Simpson and Ward, defeated the Scandinavian team in the 800-meter relay race in 1:30.2-5.

The visitors Saturday night were guests of honor at a dinner given by the national Swedish athletic associations. The summaries:

100-meter run (109 yards 13 inches)—Won by Joe G. Loomis, Chicago; second, Andy E. Ward, Chicago; third, Bob Simpson. Time, 10.9-10.

400-meter run (437 yards 16 inches)—Won by Ted Meredith, of Philadelphia; second, J. Bolin, of Sweden. Time, 47.1-10.

800-meter relay race—American team, composed of Joe Loomis, Fred Murray, Bob Simpson and Andy Ward, defeated the Scandinavian team. Time, 1:30.2-5.

High jump—Won by Kullerstrand, of Sweden, with a jump of 182 centimeters (6 feet); second, Joe Loomis, 180 centimeters; third, Fred Murray, 175 centimeters.

TENNIS PLANS AT CENTRAL—Plans are being made for a Central High tennis tournament. The arrangements are in charge of the tennis committee, headed by Prof. Bertam W. Saul. The Athletic Association provides tennis material for the use of Central students.

NATIONAL RIFLE MATCHES—Jacksonville, Fla., Oct. 16.—The National Rifle Association shoot had only two events scheduled for to-day, the United States and the world's and the rapid-fire matches. Forty-three teams already have reached here. Others are en route.

Penn-State Eleven Sore Over Swarthmore's Victory

State College, Pa., Oct. 16.—Penn State feels sorry for Pennsylvania and unkindly toward Swarthmore for beating the red and blue on Saturday. State wanted to turn the trick first, and now the garnet has gone and upset the plans of the blue and white outfit.

State asks, "What fun is there in beating a team already defeated by a little fellow? If we do win the game what credit will we get? The football public will say 'Everybody's doing it.' If State loses we'll look like a mighty poor aggregation of football players."

That is the sentiment here on Penn's defeat. Every player in State's camp realizes that the Swarthmore victory means a 50 per cent. harder game for them with Pennsylvania. They know the red and blue is laying for State and that a strong comeback against Harlow's team is imminent.

Harlow saw the game in Philadelphia, and he has come back for a week of when preparation passes, the coaches, midseason struggle on the State calendar.

DICKINSON IN GOOD SHAPE—Carlisle, Oct. 16.—The Dickinson College football team came out of the contest against Albright in good physical condition. Swore, who was taken out of the game in the last minute of play, was only suffering from having the wind knocked out of him. Because straight football worked so well against Albright, Dickinson only let loose a few preparatory passes, the coaches preferring to save them for the coming game against Ursinus, which will be played here next Saturday.

Mary Roberts Rinehart's Thrilling Mystery of "The Curve of the Catenary"

(Continued From Yesterday) "Then, when you saw the paper in Boisseau's—"

"I knew. We had killed two people and injured a third."

"The policeman?"

"Father reeled in the wire at once, and it must have been the end that cut like a moving knife."

"I think it helped her to talk about it, to get it off her chest, so to speak. I told her how I had traced the camera, and I called myself a few pleasant truths for having left the camera to be repaired. If we'd got it and burned it there would have been no proof against the old man."

"Not that they could do much to him, anyhow," I added. "The thing was an accident."

"But he doesn't know that anything happened. It would kill him to know."

Well, he looked as able to stand it as she did, to my mind. But if she felt that way—

"I used a pole as a lever. When I got it started I was frightened. I'm always being frightened. Suppose there was somebody on the river in a small boat—underneath."

"And this cut of mine?"

"You said it was brush."

SCHOLASTIC TEAMS IMPROVE; ALL WIN IN SATURDAY'S GAMES

Central Shows Strong Defense Against Baltimore; Tech Wins From Easton in Hard Fought Contest

For the second successive week the four scholastic football teams swept their opponents before them and kept their states clean in the rush for autumnal honors on the gridiron. Next week different results are expected, as Saturday will bring together two of the local teams when Tech will go to Steelton in the first of the series of two games between these two teams.

That Central has a strong defense was again demonstrated when the team went to Baltimore Saturday and held the City College lads to a 0-0 score. The attack that resulted at Johnstown last week. This week Coach Smith's charges will come back to the island and will have as their opponents the Stevens Trade team.

Lebanon Valley Strong—Lebanon Valley came back strong in the contest played on the American Iron and Steel Company's grounds at Lebanon when it took Villanova into camp, 12 to 3. The largest crowd in the history of football turned out to see the Blue and White win.

Ursinus triumphed over Lafayette on March Field and a huge bonfire resulted down in Collegeville Saturday night. Gettysburg scored a victory over George Washington University.

The golf team of the Harrisburg Park Golf Club on Saturday defeated the Harrisburg Country Club team, score 11 to 5. The match was played on Reservoir Park links, and was the final contest for the Boyd trophy.

The latter is now the permanent property of the Harrisburg Park Golf Club, the team having won four out of five matches in the series of seven. This is the second trophy won by the Harrisburg Park team, the other being the Boyd-Payne trophy.

Saturday's match was in excellent condition. The scores follow:

On Saturday next, the members of the Reservoir Park Golf Club from top to bottom will turn out for the annual benefit for Stewart McEwan, the golf professional who has kept the Reservoir course in such fine trim all summer.

This is a big event on the Hill course and many will play. The Country Club will play its last match away from home on Saturday when it will go to Lancaster. It is planned to take twenty men.

The Colonial and Country Club will play the last Saturday of the month at Colonial course.

WELLY'S CORNER

The passing out of baseball for the year, gives an opportunity for more active work in basketball. This sport will be on the daily bill on and after November 1. There will be some games prior to that time, but the collegians, scholastic and independent teams prefer to start the season right and will put a few weeks in at practice.

Penn's defeat on Saturday was a hard pill for the Quakers to swallow. They will have to go some to get into shape to meet Penn-State next Saturday. Harlow's work was in Philadelphia Saturday and knows something about Penn's work. He will train his team accordingly.

Harrisburg will be represented at the game next Saturday. Members of the Penn-State alumni will go to Philadelphia by special train and root for Harlow's team. Harrisburg football enthusiasts will join with the big crowd, as Captain Clark and Beck, two former High school stars will be in the game for Penn-State.

Ban Johnson has kicked up a mess of trouble in his statement that World's Series games should be played at popular prices, and intimating that the series should be cut out. The general opinion prevails that he is sure because his favorite western teams do not get into the running and have a chance for money divisions. There is too much cash at stake to permit the cutting out of this annual event.

According to the results of the football games to date, Harrisburg teams will figure in this season's summing up of honors. The hardest battles are yet to come, but if each team shows the weekly improvement that has been in evidence the past two weeks, high schools elsewhere will have to travel to defeat the local team.

The hunting season is on to-day. As announced Saturday Harrisburg nimrods will be largely represented. The rain of last night and to-day, was a good thing for those who go after quail and pheasants. While it makes walking dangerous especially when you are carrying a loaded gun, hunters as a rule take precautions against slipping on the wet leaves.

Hunters were anxious to get into the woods judging by the big rush from the city Saturday and yesterday. A little cooler weather would be more to the liking of local hunters, but as many have regular camps, and some will remain out for several days, good reports are expected.

OBERLIN A. C. PLAYS WELL—Lewistown, Pa., Oct. 16.—Oberlin A. C. battled Lewistown to a scoreless tie. The visitors lacked the punch in the closing quarter, when they worked the oval to the 5-yard line, only to lose it on downs.

Shearer was the big individual star. Oberlin made seven first downs to Lewistown's three.

Pittsburgh, Oct. 16.—The annual open golf championship of Pennsylvania opened on the links of the Allegheny Country Club here to-day. Among the professionals entered were St. Earnes, Walter Hagen, Robert McDonald and James Donaldson.

The struggle, which was seen by one of the biggest galleries of the season, was carried all the way to the thirty-third green and there Hutchinson missed a putt less than five feet long which, if made, would have carried the match to extra holes.

A moment after Hutchinson's ball had stopped on the edge of the cup, Barnes stepped up and from only a yard away ran down the putt that won the match by the narrowest possible margin, 1 up.

FATIMA Yes, SENSIBLE—because it's Comfortable THERE are other good tasting cigarettes. Fatima isn't the only good one. But when it comes to comfort—there is probably no other cigarette in the world quite the equal of Fatimas. Fatima's Turkish Blend is so delicately balanced that it leaves a man feeling keen and fit even after a long-smoking day. You could prove this for yourself. 20 for 15¢
