Conservative Men---

Have more or less decided ideas about their clothes — due in a measure to the peculiarity of their build — or because they have been accustomed to a certain model that seemed to please.

The word "conservative" may be modified — in dress — GLOBE CONSERVATIVE CLOTHES while retaining certain lines, yet, have that touch of youth that must appeal to all — cut for stout men to make them look thinner — for tall men to shorten their lines — for short stout men to draw them out — these are improved ideas of clothes making.

Suits and Overcoats

\$20 \$25 \$30 \$35

The Suits---

Silk Mixed Worsteds of class and elegance—good wearing Worsteds in neat designs—Blue and Black Serges—durable Cheviots and Unfinished Worsteds—perfectly tailored.

The Overcoats---

Blue, Black and Gray Meltons—neat Oxford and Black Vicunas and soft Scotch Weaves of dignified patterns—with silk yoke and piping or full silk lined.

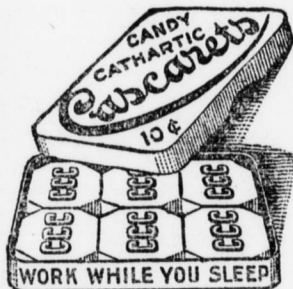

THE GLOBE

May Reconsider Purchase of School Board Site

A special meeting of the board of directors of the Evangelical Publishing house will probably be called within the next few weeks, to reconsider its action in refusing to ratify plans for the purchase of the school board's site at Third and Harris streets for \$44,500, it was announced to-day.

BEST FOR LIVER, BOWELS, STOMACH, HEADACHE, COLDS

They live the liver and bowels and straighten you right up. Don't be bilious, constipated, sick, with breath bad and stomach sour.

To-night sure! Take Cascarets and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced. Wake up with your head clear, stomach sweet, breath right and feeling fine. Get rid of sick headache, biliousness, constipation, furred tongue, sour stomach, bad colds. Clear your skin, brighten your eyes, quicken your step and feel like doing a full day's work. Cascarets are better than salts, pills or calomel because they don't shock the liver or gripe the bowels or cause inconvenience all the next day. Mothers should give cross, sick, bilious, feverish children a whole Cascaret anytime as they cannot injure the thirty feet of tender bowels.—Advertisement.

Hot Homes Require Ice

Temperature in the modern kitchen is as high in winter as in summer. Food must be kept at an even, cool, temperature to be always good.

Nothing will keep food properly, keep it wholesome, in prime condition until eaten except a well-iced refrigerator. Food placed on rear porches or in window-boxes will attract germs which are always flying about.

More and more people every year use ice "all the year 'round."

STATE HIGHWAYS TO BE TREE LINED

Plans Made by Department of Forestry For Transplanting Young Trees

Representatives of the State Highway and Forestry departments have completed arrangements for planting of thousands of trees along the State highways in Pennsylvania and the first will likely be set out next autumn.

Fruit, nut and shade trees will be planted as has been done in other States.

The Department of Forestry will grow the trees in its nurseries from seed and they will be transplanted into areas set aside for the purpose. As the department has only shade trees and those which bear small fruits for trees available for transplanting at present these varieties will be the first to be set out.

Already transplanted for use along the roads are white, pitch and Scotch pines, sugar maple, Douglas fir, Norway spruce, Hemlock, white elm, white ash, honey locust and European larch. About 23,000 trees have been transplanted in plots on State forestry reservations in Pike, Tioga, Clearfield, Franklin and Huntingdon counties, which number it is estimated will care for 100 miles of highway if planted fifty feet apart. The growing of fruit and nut trees will be taken up immediately.

According to what has been learned from the highway department of Missouri, fruit and nut trees along its State highways are now bearing and but little fruit is stolen.

The proposition to line the highways with trees has been favored by Governor Brumbaugh and it is the idea to plant beside State highways and private good roads organizations will be invited to help.

Increase Filed. — The Pennsylvania Paper and Board Co., of Philadelphia, has filed notice of increase of its stock from \$5,000 to \$100,000.

Called to Bloomsburg. — S. S. Riddle of the Department of Labor and Industry, was called to his home in Bloomsburg by an accident to his mother who was seriously injured in a fall.

Brown Returns. — Attorney General Brown returned to the Capitol to-day to take up a number of matters which have been fixed for hearings and decisions.

Living Contracts. — The contracts for the State highway work, which were made by the State Highway Commission, were approved by the State Board of Public Works to-day.

RHEUMATISM AFTER HIS DAY'S OUTING

Hunting Trip On a Wet Day Brings Painful Results

Once upon a time Charles Mullen, of Philadelphia, went gunning. It was a dismal rainy day, and long exposure to cold and wet brought on a severe attack of rheumatism. He was confined to his home.

A friend recommended Sloan's Liniment, citing his own case as evidence of its effectiveness. Mullen bought a bottle and applied it to his aching limbs. Soon improvement was noticed and he was able to return to his business.

Mr. Mullen writes: "Since that experience I have never been without Sloan's Liniment in the medicine chest." You will find it soothes bruises, sprains, toothache and relieves lame back, neuralgia, in fact all external pains. At all druggists, 25c., 50c. and \$1.00 a bottle.

NEWS OF STEELTON

COUNCIL SELECTS SEWER MATERIAL

Body Decides to Use Vitrified Tile in the Construction of New System

With the selection of vitrified tile for the construction of the new sewer, the only remaining step to be taken is signing the contract by the contractor and borough officials. G. W. Ensign, of Harrisburg, was awarded the contract. Council in session last night decided on the material after discussing many other materials.

Just when the contract will be signed could not be learned but it is believed the matter will be adjusted shortly. As soon as this is completed, work will be started at once. Efforts will be made to have the larger part of the system installed before inclement weather sets in.

Public Funds For Charity Not Needed

A public request for funds to carry on the work of the Charities Society in this borough is not considered necessary at this time. A meeting was held last night and the agent of the Associated Charities reported that during the month there were but few requests for aid. A few pairs of shoes were furnished to enable children to attend school. A request for funds, if necessary, may be made during the winter.

DIES AT SON'S HOME

M. Sheets, aged 80 years, died at the home of his son, Abe Sheets, Lincoln street, yesterday, from old age. No arrangements for the funeral have been made yet.

RALLY AT MEN'S LEAGUE

The Men's League of the First Presbyterian church is planning a rally to be held in the lecture room of the church October 31. Jesse E. B. Cunningham of Harrisburg will be the principal speaker. Supper will be served by the ladies of the church. The committee in charge includes: G. R. Cober, E. C. Henderson and W. V. Thompson.

ATTENDING WHARTON SCHOOL

The following Steelton residents are attending the Wharton school at Harrisburg: John B. Rupp, A. G. Hottelstein, Anthony Petrasic, David H. Messinger, Daniel C. Becker and Mr. Houseal.

CAR HITS TWO VEHICLES

Two accidents resulted this morning when the brakes refused to work on a Third street trolley car. The first one occurred at Third and Pine streets, when a wagon of the Peerless Laundry, driven by W. A. Adams, 2139 North Fifth street, struck. Adams was slightly injured. The same car collided about an hour later at Third and Locust streets with a truck owned by Evans-Burt-Hill company and driven by Robert Champion, 27 South Summit street.

FUNERAL OF MRS. LIGHT

Funeral services for Mrs. Mervin Light, of Swatara street, who died late Sunday from wounds inflicted by Harry Y. Hipple who attempted to murder her, will be held Thursday afternoon at her late home. The Rev. H. K. Hipple, will be held Thursday night at the St. John's Lutheran Church of God will officiate. Burial will be private in the Middletown cemetery.

THIRTY CASES OF TYPHOID

More than 30 cases of typhoid fever are in the borough. Two additional cases were reported yesterday. Some of the victims are in a serious condition.

TEMPERANCE MEETING

A temperance meeting of church denominations under the auspices of the Anti-Saloon League will be held at the Methodist church this evening. Robert J. Patterson will be the speaker.

REPUBLICANS TO MEET

Members of the Penbrook Republican Club will meet to-night and elect officers. Plans for an active campaign in the interest of improvements will be discussed. The meeting will be held in the town hall.

Civic Club Outlines Christmas Tree Plans

Tentative plans for Steelton's Christmas tree celebration were made by the Civic Club at the opening session of the year yesterday afternoon. The club's plans resemble very much those of last year's. The Child Welfare Committee with C. A. Alben at its head will have charge of all arrangements.

The club will make efforts this year to have every nationality interested in the work. Last year only one race assisted. This year a night will be set apart for each nationality. Special meetings will be held in the near future to crystallize plans.

Mrs. J. M. Heagy, president of the club, announced new committee heads as follows: Visiting nurse committee, Mrs. Quincy Bent; good citizenship league, Mrs. John Bethel; outdoor improvement, Mrs. W. A. Nell; public health, Mrs. E. V. McKay; entertainment, Mrs. Charles F. Feidt.

Steelton Snapshots

On Hunting Trip.

 — Glenn Coates, Charles Bear and Martin Zorger spent yesterday hunting in the mountains across the river.

Council to Meet.

 — A meeting of the council of the St. Mark's Lutheran Church will be held Thursday evening at 8:15 o'clock.

Mary Lancaster Couple.

 — Howard W. Petrie and Miss Edna D. Fields, both of Lancaster were married in the parsonage of the St. John's Lutheran Church last evening by the Rev. G. N. Lauffer.

Meeting of Class.

 — A business meeting of Dr. C. R. Miller's class of St. John's Lutheran Church school will be held this evening at the home of Miss Mary Beck, South Second street.

To Elect Trustee.

 — The election of a trustee to fill an unexpired term will take place at a meeting of Steelton Council, 162, O. of I. A., to-morrow evening.

MIDDLETOWN...

FUNERAL OF MRS. LIGHT

Funeral services for Mrs. Mervin Light, of Swatara street, who died late Sunday from wounds inflicted by Harry Y. Hipple who attempted to murder her, will be held Thursday afternoon at her late home. The Rev. H. K. Hipple, will be held Thursday night at the St. John's Lutheran Church of God will officiate. Burial will be private in the Middletown cemetery.

CANDIDATES WITHDRAW

Withdrawals of candidates were filed at the Capitol to-day by Fred Breckman, Washington, Bull Moose and Roosevelt Progressive candidate for Congress-at-Large; Chester D. Sensesch, Washington, 23rd Senatorial district; W. J. Hulings, Washington, 23rd Congressional; John Robert Jones and William R. Jeffrey, Washington, 4th Schuykill.

Substitutions were filed for Joseph H. Long, Democrat, 13th Senatorial; W. Van in Democrat, 17th Senatorial and W. R. Longstreet, Democrat, 25th Senatorial districts.

The right to use the name of the State in quo warrants proceedings in Schuylkill county to test right of county of Tamaqua to hold seats was granted to-day by Attorney General Brown. It is charged that some of the councilmen are interested in borough contracts.

ROTHERT COMPANY 312 Market Street

Commuters to Present Definite Rate Demand

Council for the Philadelphia organizations which have been fighting the rates for family and 100-trip tickets on the suburban lines of the Pennsylvania, Reading and Baltimore and Ohio railroads in Philadelphia and vicinity to-day accepted the proposition of the railroads to submit a definite proposition of what they think they should have in the way of rates to the Public Service Commission within five days.

This action was the result of a conference held between counsel for the commuters organizations and the railroads at the Capitol to-day.

BREAKS A COLD IN A FEW HOURS

First dose of "Pape's Cold Compound" relieves all gripe misery.

Don't stay stuffed-up! Quit blowing and snuffing! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages; stops nasty discharge of nose running; relieves sick headache, dizziness, feverishness, sore throat, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the Quickest, surest relief known and costs only 25 cents at drug stores. It acts without assistance, tastes nice, and causes no inconvenience. Don't accept a substitute.—Advertisement.

Philadelphia Rapid Transit Company \$103,000 on account of gross receipts tax. Albert Lear, of Aldan, was to-day appointed to the State police.

ADOPT PALEFACES At a meeting of Po-Ko-Son tribe, No. 331, Improved Order of Red Men, nineteen palefaces were adopted into the tribe. Visitors were present from Juniata Tribe, No. 74, of Reading, Tannavor Tribe, No. 431, of West Fairview; Warrior Eagle and Corn Planter Tribes of this city. The de-er team was under the command of Captain Charles F. Peters.

Nuxated Iron to Make New Age of Beautiful Women and Vigorous Iron Men

Say Well-Known Physicians—Quickly Puts Roses Into The Cheeks of Women and Most Astonishing Youthful Power Into the Veins of Men—It Often Increases the Strength and Endurance of Delicate, Nervous, "Run-Down" Folks 200 Per Cent. in Two Weeks' Time.

A WONDERFUL DISCOVERY WHICH PROMISES TO MARK A NEW ERA IN MEDICAL SCIENCE

NEW YORK, N. Y. — Since the remarkable discovery of organic iron, Nuxated Iron or "Fer Nuxate," as the French call it, has taken its country by storm. It is conservatively estimated that over five million persons daily are suffering from iron deficiency. The most astonishing results are reported from its use by both physicians and laymen. So much so that well-known doctors predict that we shall soon have a new age of far more beautiful, rosy-cheeked women and vigorous iron men.

Dr. King, a well-known New York physician and author, when interviewed on the subject of iron deficiency, said: "There is no vigorous iron men without iron. Pale means anemia. Anemia means iron deficiency. The skin of anemic and women is pale. The flesh flabby. The muscles lack tone; the brain fags and the memory fails and often they become weak, nervous, irritable, despondent and melancholy. When the iron goes from the blood of women, the roses go from their cheeks."

"In the most common foods of America, the starches, sugars, table syrups, candies, polished rice, white bread, soda crackers, biscuits, macaroni, spaghetti, tapioca, sago, and degenerated cornmeal, no longer is iron to be found. Refining processes have removed the iron of Mother Earth from these impoverished foods, and silly methods of home cookery, by which the iron of Mother Earth is washed away in which our vegetables are cooked are responsible for another great iron loss."

"Therefore, if you wish to preserve your youthful vim and vigor to a ripe old age, you must get the iron deficiency in your food by using some form of organic iron. Just as you would use salt when your food has not enough salt."

Dr. Sauer, one of the most widely-known physicians in this country, who has studied abroad in great European medical institutions, said: "As I have said a hundred times over, organic iron is the greatest of all strength builders, if people would only throw away patent medicines and nauseous concoctions and take simple nuxated iron. I am convinced that the lives of thousands might be saved who now die every year from pneumonia, grippe, consumption, kidney, liver, heart trouble, etc. The real and true cause which started their disease was nothing more nor less than a weakened condition brought on by a lack of iron in the blood."

"Not long ago a man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance. It was found that he was suffering from the pressure of a boy of twenty and as full of vigor, vim and vitality as a young man in fact. A young man he really was, notwithstanding his age. The secret, he said, was thinking iron nuxated iron. He had taken it for some time, and it had filled him with renewed life. At thirty he was in bad health; at forty he was a feeble, and at fifty he was nearly all dead. Now at fifty a miracle of vitality and his face beaming with the buoyancy of youth. Iron absolutely change food into living tissue. Without it, no matter how good the food you eat, your food merely passes through you without doing you any good. It is the iron in the food that it, and as a consequence you become weak, pale and sickly looking, just like a plant that is iron deficient in soil. If you are not strong or well-

you owe it to yourself to make the following test. See how long you can work or how far you can walk without becoming tired. Next take two five-cent tablets of ordinary nuxated iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. I have seen dozens of nervous, run-down people who were ailing all the while double their strength and endurance and entirely rid themselves of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days simply by taking iron in the form of nuxated iron. And this, after they had in some cases been doctoring for months without obtaining any benefit. Don't take the old forms of reduced iron, iron acetate, or tincture of iron, simply to save a few cents. The iron demanded by Mother Nature for the red coloring matter in the blood of her children is also not that kind of iron. You must take iron in a form that can be easily absorbed and assimilated to do

is not a patent medicine nor secret remedy; but one which is well known to druggists and whose iron constituents are widely prescribed by eminent physicians both in Europe and America. Unlike the older inorganic iron products it is easily assimilated, does not injure the teeth, make them black, nor upset the stomach; on the contrary, it is a most potent remedy in nearly all forms of indigestion as well as for nervous, run-down conditions. The manufacturers have such great confidence in nuxated iron, that they offer to forfeit \$100.00 to any charitable institution if they cannot take any man or woman under 60 who lacks iron, and increase their strength 200 per cent. or over in four weeks' time, provided they have no serious organic trouble. They also offer to refund your money if it does not at least double your strength and endurance in ten days' time. It is dispensed in this city by Croll Keller, 67 A. S. Corcoran and all good druggists.—Advertisement.
