Percy Houghton has assumed his football duties with the Harvard sprung a new one to-day for Tech. eleven. Will Meet Central High on Island Field; May Spring

Surprise

Stevens Trade School, of Lancaster.

Stevens Trade School, of Lancaster, will journey to Harrisburg on Saturday next to see the Capitol, the "front steps" and incidentally to give the Central High eleven a scrimmage on the Island. The Blue and Gray Sen-ators are developing into a strong team, again holding a heavy team to a 0.0 score last Saturday. However, Central came uncom-fortably close to winning from the Bal-timore City College team, it being a tight squeak for those football repre-sentatives of the Oriole City. Confering that Central has been that they won from Stevens Trade. 34-0, on their home field last year; that Steelton beat before-mentioned stevens Trade, 30-0, last Saturday. Central certainly should come out vic-tors this Saturday. Stevens Trade may spring a surprise on Capital Hilton's warriors, so a large crowd is expected at this game, as it will be interesting, to say the least. The Central team is by no means overconfident and a large cheer-ing crowd of students are expected to not enter work there in the Red Rose Trade. Contral's line-up will probably be the same as last Saturday. Practice Penn Plays

Practice Penn Plays Penn style of attack on the center of the line brought consternation among the varsity linemen. Head Coach Harlow personally looked after the offense of the second eleven and he was in the uncomfortable position of successfully attacking his own team's defense. Unless to-day's scrimmage develops a stronger varsity defense as the result of Harlow's blackboard instruction. State's line is due for a big afternoon's work next Saturday on Franklin Field. Every man in the squad is in tip-top shape for the struggle with Pennsyl-vania. State is expecting to meet a far different team than was defeated by Swarthmore. ROSEWOOD FIVE IS READY * The Rosewood basketball team, champions of Harrisburg and vicinity last season, has reorganized for this season and will have a strong team in the field. All of last season's veterans and a number of other local stars are now trying out for the team. Any first-class team offering a fair guar-antee and desiring a fast attraction should address Basil S. Tittle, 1906 North Third street, Harrisburg, im-mediately, as the schedule is rapidly being filled up. **Notorious Swindler Is Found**

Lebanon Valley Rejoices Annville, Pa., Oct. 18. – Coach Guyer did not hold scrimmage yester-day, as the reserve team left this morning to play the Carlisle Indians, taking eighteen players. Varsity practice was spent chiefty in signal drill. Guyer worked a long time with the men in perfecting the interference, a defect in play which was noticeable in the Villanova game. The men also tride out several new plays based on those which proved the most success ful last Saturday, and these plays will be the basis of the offensive work against Lehigh on Saturday. Lebanon Valley rejoiced over the fact that Red Atticks for the last two years one of the best linemen at correge, returned yesterday. He is a big, aggressive tackle, and his presence will strength-en the already ströng line. He is a funitor, and expects to be eligible for the Lehigh game. onment in 1912 in connection with bucktishop swindles, has been cleared up by his arrest at Granville to-day. Under the name of Georges Bienamee, Rochette enlisted in Paris as a motor-cyclist in the first months of the war and was stationed at Amlens. The Rochette case was one of the most sensational in the history of the French courts. Rochette was arrested in 1508, charged with swindling on an enormous scale. His operations in-volved a sum of more than \$20,000,000 and at his subsequent trial it was stated that some of the most promi-nent men in French public life had been either his dupes or accomplices. A parliamentary inquiry was made into charges that Antoine Monis, former minister of finance, were exerting their influence to protect the promoter. Rochette disappeared while out on bail and succeeded in reaching Mexico, where, it was said, he was welcomed by Francisco Madero, then president, to whom he was reported to have ren-dered valuable scrives. The French protenties, Since that time his where-abouts have been unknown. **JOVIANS MEETING** GET THIREE BEARS Allentown, Pa., Oct. 18. — Three bears were killed by a hunting party composed of John W. They came across the bears while beating the brush north of Sny-dersville and hurriedly changed from shotguns to rifles. Heimbach felled a hundred-pound cub. The mother charged him and was stopped by Eck-ert. Simultaneously William Snyder bagged a second cub. The hunters came home to Allentown with the car-casses.
