The elders of the Church of God concluded that until the two churches are more nearly of one judgment in matters of policy and one conscience in matters of doctrine each can best serve the Master by pursuing their respective curses.

Farmers Not Impressed

Children love this "fruit laxative." and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste. liver get sluggish, stomach sours, then your little one becomes cross, half-sick, everish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother: See if tongue is coated, then jive a teaspoonful of "California Syrup of Figs." and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Fyrup of Figs" because it is perfectly narmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent botlle of "California Syrup of Figs" because it is perfectly narmless; children love it, and it never fails to act on the stomach, liver and bowels.

Adamson Act Is "Death Knell to Brotherhoods" Reflect the genuine, made by "California Figstynp Company." Refuse any other kind with contempt.—Advertisement.

Rails Help List to Higher Levels; Bonds Are Strong

York, Oct. 18. - Standard stocks reacted sharply before the end of the first hour, selling variably under yesterday's final figures. The movement which savored strongly of a bear drive, based presumably on prevalling market uncertainties, was partly readjusted. Rails such as Union Pacific, Illinois Central, Reading, Lehigh Valley and Norfolk and Western guided the list to higher levels. Steel, which had yielded over a point, made almost complete recovery. Fertilizers in general followed the lead of linseed issues and coppers, petroleums, alcohol, harvester corportation, National Biscuit and Pacific Telephone were appreciably better. Bonds were strong. der yesterday's final figures. The
