DR. J. GEORGE BECHT
Dr. J. George Becht, executive secretary of the State Board of Education, will lecture for the Commonwealth Club on Monday evening, October 23, in the John Y. Boyd Hall of the Y. W. C. A. at 7:45 p. m. Dr. Becht will conduct the audience on a delightful tour through "The Land of Scott and Burns," the land of song and story, of heroism and romance, the land of wonderful lakes and rugged mountains of castles and cathedrals, and of men and women as strong and sturdy as the rough unyielding character of their hillsides. To make the journey more realistic many slides will be used showing among other things the place "Where Burns and Highland Mary plighted their troth," "Roy's Cave," Melrose Abbey, the Window where Scott wrote the "Lay of the Last Minstrel," Scottish Reels, and the Birthplace of Andrew Carnegie. The Commonwealth Club extends a cordial invitation to its friends to hear this lecture.

"Goldsmith Furniture Makes the House a Home"
The Living-Room
THE living-room is the heart of the home—the center of family life and fellowship. In many homes the living-room is also the library, the sewing-room, nursery and drawing-room.
The many uses to which the furniture is subjected makes it imperative that it be substantial. At the same time it must be artistic to convey the true atmosphere of your home.
For this purpose we earnestly recommend English Overstuffed Furniture in choice of Denims, Tapestries or Velours. So many customers have expressed pleasure with it, that we are sure of its utility and worth.
To new homemakers we extend our good wishes and an invitation to visit our display rooms.

"Father John's Medicine Gives Us Strength"

One Mother's Idea of How to Keep Her Children Well and Strong
She Praises Father John's Medicine As a Tonic and Body-Building
"Father John's Medicine certainly builds one up and gives you strength," writes Alice Dougherty, R. D. No. 15, Groton, N. Y., in a recent letter. Continuing she says, "I was all run down last winter when I began taking Father John's Medicine but I felt fine after I had used it. I also give it to my boys, Lawrence and Earl, and it has been a benefit to them." (Signed) Mrs. Alice Dougherty, Groton, N. Y.
For a safe family medicine; for colds, throat troubles and as an all-around tonic and body-builder, to give renewed strength to resist disease, Father John's Medicine is the standard medicine in thousands of homes all over the country, because mothers know it is safe to give their children as well as older people. It does its work without using alcohol or dangerous drugs in any form. Many families keep a bottle in the house constantly.
