FLOOD CONFAB TO BE HELD OCT. 31

Governor Calls Important Meeting to Discuss Prevention of Floods in State

Governor Brumbaugh has called a conference of State, county and city officials and of men interested in prevention of floods, to be held in the State Capitol on October 31, for general discussion of ways and means to control the waters of Pennsylvania.

The Governor acted at the request of the Flood Commission of Pittsburgh, which has been active in flood control matters for several years, and has invited the mayors and presidents of councils and of chambers of commerce of Philadelphia, Pittsburgh and Scranton, members of the State Water Supply Commission, the State Commissioners of Health and Forestry and officials of water power companies, as well as the president of the Ohio and Lake Erie ship canal board, the Allegheny county commissioners, the officials of the United States Geological Survey in this state and General D. G. Kingman, United States Engineers, to attend.

Switch Refused.--The Public Service Commission has ordered today that it refuse the petition of the Standard Chair Company and other manufacturing companies of Erie for an order requiring the Pennsylvania and Erie Railroad to install a switch at Corry, these are operative matters which can be adjusted promptly.

Urging Action.--Representative John W. Vickerman, of Bellevue, was here today to urge members of the Public Service Commission to make early decisions in the Ohio Valley water cases.

Board to Act on Contract.--The Board of Public Grounds and Buildings will discuss the award of the contract for the new barn at the State Hospital today.

To Discuss Jitneys.--The Public Service Commission has arranged to take up jitney cases in the western end of the State next week and to take up those in the eastern section of the State in November.

To Argue Big Case.--Arrangements are being made for argument in the United States supreme court at Washington of the Croft ice cream case, which raises the question of the right of the State to fix a standard for ice cream.

Five Million Capital.--The Land Building and Loan Association of Philadelphia, was incorporated today with \$5,000,000 capital.

New Electric Company.--The Eastern Pennsylvania interests have chartered a company for Barry township, Schuylkill county. It will be merged with the Potsville system.

Lafcan Here.--A visit paid to Governor Brumbaugh today by Congressman Daniel F. Lafcan, of York, revived reports that the York man was to be selected for Public Service Commissioner to succeed Samuel W. Pennypacker. Mr. Lafcan spent some time discussing his visit as did the Governor.

Nominations Change.--The following prohibition party substitute nominations were filed today at the Capitol: G. E. Briggs, 32nd Senatorial; H. W. Coad, 42nd Senatorial; A. H. Kling and W. L. Smythe, 8th Allegheny; Charles H. Clifford, 10th Allegheny; James Bell, 11th Allegheny; James D. McKee, 11th Allegheny. The following candidates have filed withdrawals: Glenn D. Mains and George W. Wogan, Washington, Cumberland legislative; Edwin J. McClellan, Washington and Prohibition, Monroe; H. E. Lanus, Washington, 4th York; G. C. Bradshaw, Roosevelt Progressive, 11th Allegheny.

Complaint Filed.--The Lehigh Valley Light and Power Co., of Allentown, today filed complaint with the Public Service Commission against the Lehigh Navigation Electric Co., charging that it had unlawfully furnished current in Bethlehem, Catasauque and Northampton and in Whitehall township, Lehigh county.

Big Tax Payment.--The Lehigh Valley Railroad Company today paid the State \$199,989.10 as State tax on loans.

State Wins in Bradford.--The State Livestock Sanitary Board has won its case in the Bradford county quarantine case. The court quashed the writ in the case as asked by Deputy Attorney General J. H. Hays.

Capitol Visitors.--Senator W. M. Lynch, of Scranton; Dr. J. M. Baldy, chairman of the State Bureau of Medical Education and Licensure; Judge John M. Garman, of Lehigh; ex-Senator W. B. Meredith, of Kittanning, were at the Capitol today.

Twenty Nurses at Work.--The State Department of Health has over a score of nurses at work in the Harrisburg district looking after typhoid cases. This is the largest number employed in one district in years.

Commissioner Jackson and Director Lightner of the State Employment Bureau, attended the employment conference in Philadelphia today.

N. Y. CENTRAL ISSUES STOCK New York, Oct. 19. -- Directors of the New York Central Railroad Company today authorized an issue of \$25,000,000 new stock to be offered to stockholders at par on the basis of 10 per cent. of their present holdings. It is understood that the new stock will be issued early in the coming year. The proceeds will be used for general corporate purposes of the company, these probably including additional construction and improvements.

PAINTER VISITING HERE FINDS RELIEF FROM ILLS

Constant Headaches, Stomach Trouble and Falling Appetite His Daily Burden Until Tanlac Relieved Him.

Though J. N. Springer lives in Norristown, Pa., he remained for him to find relief from his ills here in our city. He says "For a long time I have been made miserable by catarrh of the stomach and a never ceasing headache.

"If I had been a millionaire instead of having to work for a living I would have thought that I was sick but being sick is a luxury that only the rich can enjoy, so I kept right on working, but you can bet your last dollar that any man who felt as mean as I felt has my sympathy.

"Catarrh of the stomach, headache, loss of appetite, constipation and jump nerves, that's a combination that's pretty hard to bear; for making a man feel like the breaking up of a hard winter.

"I had tried all sorts of things down home to see if I could get some relief, but though I had heard of Tanlac down there it wasn't until I came up here that I began taking it.

"Tanlac is certainly some medicine for it fixed me up in a great shape. I'm as full of pep these days as if I had never known a sick day in my life. My headaches are gone, I have a bully appetite and the catarrh in my stomach seems to have vanished. I feel like a different man altogether.

"Tanlac, the famous invigorant and stomachic tonic is now being specially introduced here at Gorgas' drug store where the explaining man is meeting the people and explaining the merits of this master medicine to interested crowds.

ALLIES INQUIRE FOR SHELL STEEL

Want to Know About Filling of Orders for Latter Part of 1917

The latest development in the procurement of next year's output for shell steel in the American market is the opinion that as long as the war lasts, export demand for war and other needs will take practically all the steel the United States can supply.

The Iron Age in summarizing the situation today says: "A new factor is the Rumanian commission, which has come to New York as a buyer of munitions. Its needs are largely ordinary and its buying may not run heavily into tonnage. For France the latest inquiry is for 19,300 tons of 3/4 inch bessemer steel bars.

"Shell makers who have contracts with the United States government are also sounding the market. Three such inquiries are for 2,750, 6,000 and 3,500 tons. All told, the government munitions program represents 300,000 tons.

"With all the buying for 1917 of which market reports have said so much, there is no condition of steel famine, present or prospective; nor is there the excited buying which was seen late in 1915 and early this year. Mills have taken the measure of the home demand and are supplying it without making inordinate advances in price.

"Fabricators have an average of about four months' work on their books, but labor is so scarce and so inefficient that some of this will carry over into the second quarter of next year. Railroad more than architectural work is counted on in this trade. The Bridge Builders and Structural Society's figures show but 52.5 per cent. of the shop capacity contracted for in September lettings.

After Your Child's Bath You Should Use Nothing But Sykes' Comfort Powder

because nurses and mothers have learned after twenty years experience that its habitual use, after the bath, keeps children's skin free from irritation and soreness.

It is agreeable to the most delicate skin, and is the only powder that should be used every day on infants and children, as a great deal of skin soreness is caused by the use of highly perfumed powders. Mother's own toilet powder is not adapted to the delicate skin of a child, while Comfort Powder is especially made for children.

Sykes' Comfort Powder is not a plain talcum powder, but a highly medicated preparation, which if used daily will keep a child's skin smooth, healthy, free from odors, chafing, itching and all irritations.

Cadillac Standard of the World Why an Eight-Cylinder Engine The power impulse produced by each cylinder is almost half that against the top of a larger four or six-cylinder piston. What does this mean? A lighter explosion, lighter pistons and piston rods, therefore a quicker acceleration, a more even flow of power and much greater pulling power at very low speeds. The V-type eight-cylinder Cadillac engine is 65 to 125 pounds lighter than a four or six-cylinder engine of equal power. But no other engine will do what the Cadillac will do. It's the performance that counts. Have you ridden in a Cadillac Eight? Crispin Motor Car Company 413-417 S. Cameron St. Harrisburg, Pa.

MOTHER'S REMEDY FOR BRUISES

Children's Bumps, Sprains and Minor Hurts Quickly Relieved by Sloan's Liniment

It is the very nature of children to hurt themselves--to come crying to their mother with little fingers bruised, heads bumped, with sprained ankles and wrists.

They are painful hurts, too. But their pain and sting can't survive the gentle use of this liniment. A single application of Sloan's Liniment and the little fellow's bravely kept back tears give way to smiles. His hurt is relieved.

In every home where there are children a bottle of Sloan's Liniment is a necessity.

Aching muscles, rheumatism, lumbago, stiff neck, backache, chilblains, etc., can be effectively relieved with Sloan's Liniment. Cleaner than musky ointments or plasters.

Sloan's Liniment can be obtained at all drug stores, 25c., 50c. and \$1.00.
