# The "Always Seasonable" Shoes For Women

Black, laced, Vici Kid, with high tops is the one "always seasonable" shoe for women. For street wear or the more formal social occasions, Black Vici Kid is always in "good form." With high tops (7" to 8") it's really dressy, and much more comfortable than the heavier leathers, being "broken in" from the time you first try 'em on. Reasonably priced at from......\$3.00 to \$7.00

Then, too, we've the latest Novelty Boots in all the wanted shades and colors, including the popular two- tone effects, priced lower than you'd reasonable ex-

strong claims for our Suit Values lately that many women have de-cided to investigate. That is what we wanted them to do, by the way.

The suggestions we offered about "comparing" our Suit Values with those downtown proved very gratifying—to ourselves and to those who acted on the suggestion.

One woman, who bought a beautiful gabardine suit, fur trimmed, at \$32.50 said she saw nothing downtown that could compare with it under \$40.00. And she added it took her just 35 minutes to make the comparison.
