A GOOD FRIEND

A good friend stands by you when in need. Harrisburg people tell how Doan's Kidney Pills have stood the test. Mrs. Wooley endorsed Doan's over a year ago and again confirms the story. Could you ask for more convincing testimony?

Mrs. Amelia M. Wooley, 1328 North Fourth street, Harrisburg, says: "When I stood very much, my back got weak and painful. When I sat down, I could hardly straighten up. I could hardly turn over in bed and when I laid on my back, the pain was very severe. After taking Doan's Kidney Pills a short time, which I got from J. Nelson Clark's Drug Store. Segot great relief. My back didn't feel so stiff and lame and I didn't have much difficulty in getting up or down." (Statement given August 28, 1914.)

On January 26, 1916, Mrs. Wooley

On January 26, 1916, Mrs. Wooley added: "I have had but very little bother from my kidneys since I gave my former recommendation. When I have, I have used Doan's Kidney Pills with as great success as always." Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that 'Mrs. Wooley has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.—Alvertisement.

"I'M FULL OF PEP" SAYS PENNSY PORTER

of Draggy Feeling—Energy Re-turned When Tanlac Got to Work

"I felt so dead dog tired all the time that I could hardly drag myself around." says Harry Franklin, a P. R. R. porter who lives at 147 Balsam street, Harrisburg, "I had no pep and felt sort of draggy.

"I was constipated, my breath was bad and I had no appetite. I don't know just what the trouble was but I guess I was badly run down and out of condition, but I sure do know that I felt about as mean as I could and still stick on the job.

"We.l. sir. I just dragged around this way for quite a spell and I didn't know what to do to get myself livened up. Then I read about Tanlac in the papers and I said to myself 'I guess I'll have a try at that it sounds all right and maybe it's just what I need.

"I was a good guesser for it has sure fixed me up in great shape. I have lost all that tired draggy feeling and am as full of energy as a new man on the job. I just go round hunting for work to do. Work is a real pleasure to me now.

"And eat, say I cat enough for two ordinary men and I enjoy every bite. Guess I'm making up for the meals I lost when my appetite was so poor. I feel as if I had been waked up all over, in fact I haven't felt so good in I don't know when. And I can truthfully say that Tanlac did it. It's Great.

Tanlac, the master medicine is now being introduced here at Gorgas' Drug Store, where the Tanlac man is daily meeting the people and explaining the merits of this famous reconstructive tonic.
