## COLONEL SCORES WILSON ON TARIFF

Roosevelt in Denver Says War Is the Democratic Protection

Denver, Colo., Oct. 25.—Colonel Theodore Roosevelt wound up a busy day in Denver last night, delivering his third speech in this city on behalf of Charles E. Hughes. The colonel spoke in the auditorium on the same platform with the women campaigners on the "Hughes Special," which arrived in Denver at 4.30 in the afternoon. He was accorded an enthusiastic reception at the station on his arrival. A parade through the business district followed.

Military and industrial preparedness was the topic of the colonel's address. He assailed the Wilson administration for "debauching" the civil service and for failure to provide adequate tariff protection against the great trade competition to follow the war. He declared that the Republican party stood for the freedom of legitimate business, with better working conditions and returns and protection for employees. Colonel Roosevelt said in part:

At the Queens Borough meeting last night he said: "It is hardly necessary to say that if I am elected we shall have an exclusively American policy in the service of American interests. I have no secret understandings, no unstated purposes. If any one supposes that in case of my election the rights and interests of American citizens will be subordinated to any ulterior purpose or to the interest of the policies of any foreign Power whatever he is doomed to disappointment.

#### QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them, 10c and 25c per box. All druggists.

#### Chief Murphy Won't Go on Wilson Pilgrimage

New York, Oct. 25.—Charles F. Murphy, leader of Tammany Hall, will be conspicuous by his absence at Shadow Lawn next Saturday when seven trainloads of New York Democrats make a pilgrimage to the summer Capitol to celebrate "New York day." Just why the "Chief" will not attend was not explained at Tammany Hall yesterday, but, as it was recalled with a wink by one of the regulars, the "Chief" and the President never were overly fond of each other.

#### Graham Scathingly Scores Wilson and His Policies

Philadelphia, Oct. 25.—Congressional arrangement of the Wilson administration yesterday before a meeting of Republican orators planning for a whirlwind spellbinding finish for the local campaign.

"God forbid," exclaimed the eloquent and brilliant representative of the Second district, "that this chapter shall ever be repeated in the history of our country. He thus closed a vigorous exhortation of the "Wilson surrender" in the so-called eight-hour legislation."
