NEWS OF STEELTON

TO TREAT TREES OF ALL GRADES

Shade Tree Commission to Start Campaign For Better Foliage in Borough Streets

All shade trees in the borough will be trimmed and treated during the month of November. The Steelton Shade Tree Commission has made tentative plans to carry out the work on the advice of the Berryhill Nursery Company of Harrisburg. Plans for the work will be discussed at a meeting of the commission Thursday, November 2.

The Berryhill Nursery Company has submitted a census and recommendations to the commission. The census shows that there are 1,461 shade trees in the borough; 334 of which are in good condition; 775 in fair condition and 352 in poor condition. Plans of the commission are to trim and treat all of the trees in good and fair condition and cut down all trees that are in poor shape. It is also planned to plant trees of a like species on all streets. As soon as possible the commission will remove all popular and undesirable trees from the borough streets. This work will be carried on with the co-operation of the residents of the town.

HOSPITAL PHYSICIANS REMOVE EYE OF WM. MARTZ

The condition of William Martz, aged 60 of Drexel, who was badly burned in an explosion in the Cumber Quarries near the borough limits Monday, was reported improved today. He is in the Harrisburg Hospital. Physicians at the institution removed Martz's right eye yesterday and believe he will retain the sight of his left.

Negro Held For Court on Felonious Entry Charge

Walter Walker, a Southern negro was committed to the Dauphin county jail this morning, to await the decision of the grand jury at a hearing before Justice of the Peace Stoes this morning. He was charged with felonious entry. Walter Carter who was supposed to be implicated was discharged. It is alleged that Walker and Carter entered the business establishment of Nathan Gitten, 502 South Third street Monday and after securing a receipt and a package of goods without paying left the store. They were later arrested by Constable Gibb. They were lodged in jail for the hearing today.

MINERS GOING BACK

Punxsutawney, Pa., Oct. 25. -- Many striking miners of the Rochester and Pittsburgh Coal and Coke Company returned to work today when they found a new agreement with the United Mine Workers of America had refused to back the strike.

Ice Cream Ban Cause of Social Postponement

One of the most important events in Steelton High's yearly history---the annual social in October---will not be held this year on account of the ban on the sale of ice cream. The annual ice cream at the socials always proved to be a great profit maker. Without the sale of this the affair would not be a success, and so has been postponed until sometime in December. The event has been held for the last 15 years. Last year the affair netted \$300. The money is devoted largely to sports.

BISHOP M'DEVIPT ASSISTS IN FORTY HOURS DEVOTION

Bishop Philip H. McDevitt, head of the Harrisburg diocese, assisted in the closing of the forty hours devotion services at St. James' Church, Front street, last evening. The bishop walked in the procession around the altar of the church. Priests from the borough, Harrisburg and Middletown and boys and girls of the St. James parochial school made up the line of march. The following priests aided in the service: The Rev. Father O'Callahan, the Rev. Father Hynes, the Rev. P. S. Hugel, the Rev. Father Reardon, the Rev. William Howard, of Middletown; the Rev. J. C. Thompson, of St. James; the Rev. Luke Gladek, the Rev. B. Sarna, the Rev. William Huguen and the Rev. Anthony Zuvich.

MOOSE TO ENTERTAIN

Those new "Bran Foods"

---a new one is born every week---a recognition of the need of food laxatives instead of drug laxatives. The problem of presenting bran to the human stomach in combination with a nutritious, easily digested food was solved twenty years ago by the invention of Shredded Wheat Biscuit, the food that supplies all the body-building material in the whole wheat grain in a digestible form, combined with bran which is Nature's laxative. A body-building, strength-giving food. Serve with milk or cream or sliced peaches and cream or other fruits. Made at Niagara Falls, N. Y.

Deaths and Funerals

STEPHEN H. LIGHT. Funeral services for Stephen H. Light, aged 68, who died yesterday at his home, 48 Balm street, will be held to-morrow morning at 10 o'clock. He is survived by three brothers, Cyrus, Samuel W. and Daniel P.; two sisters, Mrs. Mary Myers and Mrs. Isabelle Allay, all of this city. The Rev. Dr. J. A. Lyter, pastor of the Derry Street United Brethren Church, will officiate.

Gingerole Ends Backache and Headache Instantly

Rub It On Freely; It Won't Blister. Stops Rheumatic Agony and Reduces Painful Joints.

For miles around, people are coming for GINGEROLE. The report of its power to stop all aches and pains almost instantly and to end all soreness and lameness speedily has had its effect and the supply of 25 cent boxes at the drug stores is going like hot cakes. Thousands use it for neuralgia, for lumbago, neuritis, for sore throat and chest colds. Nothing like it for sore inflamed feet or burning bunions, corns or callouses. A big package for 25 cents on money back if dissatisfied plan. But be sure you ask for gingerole the original GINGEROLE. All first-class druggists supply it.

WOMEN SHOULD GET THIS HABIT AS WELL AS MEN

Don't eat bite of breakfast until you drink glass of hot water. Happy, bright, alert---vigorous and vivacious---a good clear skin; a natural, rosy complexion and freedom from illness are assured only by clean, healthy blood. If only every woman and likewise every man could realize the wonders of the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anaemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "run-downs," "brain fags" and pessimists who should see a virile, optimistic throng of rosy-cheeked people everywhere. An inside bath is had by drinking, each morning before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach. Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood, while the pores in the thirty feet of bowels do.

STATE ARRANGES TO BUY THE SHEEP

Livestock Expert Will Be Sent to Michigan to Procure Some Fine Ewes

At the request of a number of farmers who desire to purchase sheep in the western markets, Secretary of Agriculture Charles E. Patton will send Dr. E. M. Staley, of the State Livestock Sanitary Board, to Michigan next week to inspect ewes which will be brought to Pennsylvania farms. The Department of Agriculture has arranged to secure sheep in Michigan for those farmers who desire to purchase at the present time. Dr. Staley is director of transmissible diseases of the Livestock Board and he will be accompanied to Michigan by several farmers who will purchase carload lots of seventy or more sheep. Secretary Patton will gladly arrange for the purchase of carload lots of sheep and will have a thorough inspection made before the purchases are made. Farmers desiring to purchase sheep are asked to correspond at once with the Pennsylvania Department of Agriculture so that arrangements for inspection, purchase and shipment may be made next week. To Open Bids. --Bids for the three new buildings at the Cresson State Sanatorium will be opened by Commissioner of Health Dixon at Philadelphia on October 31. Attended Meeting. --E. I. Simpson, of the Philadelphia office of the Department of Health, attended the memorial meeting for Governor Pennypacker last evening. Interested in Company. --Robert W. Tenney, brother of the former Governor, and James L. Adams, former senator, are incorporators of the Braddock Manufacturing Company, chartered yesterday. New Agency. --The Keystone State Detective Service, of this city, was chartered yesterday with a capital of \$3,000. Dr. Theodore Khares is treasurer. Merger Approved. --The Throp and Electric City Silk Throwing Companies of Scranton have merged under the name of the latter with a capital of \$100,000. A. F. Kizer is president. Meet in Pittsburgh. --The State Compensation Board is sitting in Pittsburgh to-day. It will adjourn this week until after election day, probably meeting here on November 9. Approvals Committee Here. --Members of the approvals committee of the State Industrial Board, of which William Young is chairman, are in session at the Masonic Temple to-day to pass upon various devices submitted for their action. Auditing Muster Out. --Auditor General Powell is at Greensburg arranging for the muster out of the Tenth Infantry, of which he is adjutant. Spoke at Norristown. --State Zoologist Sanders spoke last night at the meeting of the fruit growers of the Norristown district. Attending Conference. --C. E. Carothers, Deputy Secretary of Agriculture, is at the conference on milk prices being held in Philadelphia this week. Trying to Mediate. --Patrick Gilday, chief of the State Bureau of Mediation, is at Punxsutawney in an effort to mediate in the coal strike. Mr. Gilday was formerly head of the miners in that region. Meet in November. --The committee to arrange for a paints and color code, which was to have met in Philadelphia on October 27, will meet on November 14, according to an announcement made to-day. Cars Are Cold. --Walter B. Freed, of Boyertown, to-day entered complaint before the Public Service Commission alleging that the Oley Valley Street Railway Company did not heat its cars until late in November. He charged that the failure to heat cars caused patrons, including children, to take colds. Senators Here. --Senators W. M. Lynch of Lackawanna, and Marshall Phillips, of Venango, were visitors to the Governor's office to-day regarding appointments. Convenience for the new Fort Loudon Railway will probably be issued by the Public Service Commission to-day. Roger Dever Here. --Roger Dever, the Wilkes-Barre miners' leader, was at the Capitol to-day. He called upon the Attorney General. To Speak at Windler. --Highway Commissioner Black left to-day for Windler to address the big good roads meeting. Big Local Payment. --The Harrisburg Railways Company to-day paid the State \$55,830.30 as State tax on stock and loans. Discuss Dog Law. --Men interested in enforcement of the State law requiring license of dogs, so that sheep may be protected are in conference at the State Capitol to-day. A plan for more vigorous enforcement of the act and also to increase interest in sheep growing will be worked out.

R. R. Heads Postpone Action on 8-Hour Law

New York, Oct. 25. --The situation created by the Adamson eight-hour law as it affects the railroads again was discussed, at an adjourned meeting of the Railway Executives Advisory Committee, composed of the presidents and operating heads of the large railroad systems of the country, but no conclusion was reached, as to what action the executives would take. Hale Holden, president of the Chicago, Burlington & Quincy Railroad, who acted as chairman, said so many legal aspects of the eight-hour law have presented themselves, and that the law is of such a complex character that it would require further careful consideration and advice. Another meeting of the committee will soon be held.

Joint Commission May Move to Washington

Atlantic City, N. J., Oct. 25. --Unofficial consideration is being given by the Mexican-American joint commission to a suggestion that it transfer its conferences to Washington, because of the better facilities there for obtaining records. It is pointed out, the commissioners might expedite their work there. It was indicated to-day that it was not improbable that this would be the last week in Atlantic City.

CHILD GETS SICK, CROSS, FEVERISH IF CONSTIPATED

Look at tongue! Then give fruit laxative for stomach, liver, bowels. "California Syrup of Figs" can't harm children and they love it. A laxative to-day saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour. Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness. Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

Presbyterian Synod Attends Memorial Chapel Dedication

Easton, Pa., Oct. 25. -- The handsome new John Milton Colton Memorial Chapel, at Lafayette College, costing \$90,000, and given to the college by Mrs. Mary Colton, of Wyncote, Pa., in memory of her husband, was formally dedicated to-day, in connection with the program of the thirty-fifth annual meeting of the Synod of Pennsylvania of the Presbyterian Church, which convened here last night. The biographical address was delivered by the Rev. Dr. Leighton W. Eckard, of Philadelphia; presentation on behalf of the donor, by Bayard P. Hand, of Wilkes-Barre; acclamation by the college, President John H. MacCracken; prayer of dedication, the Rev. Dr. E. D. Warfield, president of Wilson college, and dedicatory sermon by President J. Ross Stevenson, of Princeton University.

TAKE THAT ROPE OFF YOUR ARM

When your arm or leg is knotted with pain and you feel as if your muscles were tied with a rope, your rheumatism is making an attack. Rheumatism is the result of acids and other deposits of impurities which actually "tie up" the muscles, nerves and bones, producing the awful shooting pains of sciatica, lumbago, etc. These acid deposits are carried by the blood to various parts of the body. The way to stop them is to drive the impurities out of the blood. S. S. S. will do it. This

Stops Rheumatism S.S.S. For The Blood

S. S. S. has been the standard Blood Purifier for fifty years. It gets right down to the root of the disorder, makes the blood pure and healthy and fresh. It will take away the troublesome deposits that cause rheumatism and make you free from rheumatic pains. It will untie the rheumatic ropes that bind. If you have rheumatism take S. S. S.

Swift Specific Co. 67 Swift Building Atlanta, Ga. Guaranteed Purely Vegetable. Above all S. S. S. is not a drug. It is a purely vegetable blood purifier. It contains no metal or mineral substances but is made from herbs, roots and barks and gives you Nature's remedy. S. S. S. is for sale at all drug stores. If you have rheumatism, buy a bottle to-day.
