FELL FROM LOFT;

How a Man Who Landed On Wood Pile And Was Sore From Head to Foot Found Quick Relief.

Once upon a time Edwin Putnam, who lives in the quiet, pretty hamlet of Wendel Depot, Mass., climbed up into a loft to get some building material, just as many another man living in the country must often do. Suddenly he slipped and fell. Ten feet below was a pile of wood, knotted and gnarled. It was a nasty tumble, and Mr. Putnam was injured painfully in the back, he was covered with bruises, and was sore from head to foot.

bruises, and was sore from head to foot.

The next day he bought a bettle of Sloan's Liniment which had been recommended to him. Within a very few hours the soreness had vanished and the lameness had disappeared. He was an active man once more.

Sloan's Liniment can be obtained at all drug stores, 25c, 50c and \$1.00.

at the Wednesday Club

The first working musicale of the Wednesday Club, held in Fahnestock Hall yesterday morning, was marked with a large attendance. The president, Miss Mary B. Robinson, made an opening address, saying that the membership of the club is larger this season than ever before and much interest is taken in the work, as shown by an addition of sixty names to the privileged associate list since last season.

privileged associate list since last season.

A program on "The Tonal Art of Italy" was presented with Miss Conkling, Miss Robinson, Miss Belle Middaugh, Miss Bennethum, Mrs. William K. Bumbaugh, Miss Claster, Miss Corbett, Mrs. Harclerode, Miss Heicher and Miss Hess as participants.

Miss Clarissa Claster, who made her first appearance as a violiniste, though showing timidity, will doubtiess prove quite an acquisition to the club. Miss Mary Bell Corbett, who substituted at short notice for Mrs. Arthur H. Hull, sang "Parting," by Sgambati, and "The Organ Grinder," by Sibella, in charming manner, her fresh, young voice and finished tones delighting the entusiastic audience. Miss Corbett is a pupil of Mrs. Philip Jenkins, of Philadelphia, and at this her first appearance before the Wednesday Club demonstrated her musical and artistic ability in a most satisfactory manner.

Leon Rice Is Highest Priced Church Singer

Leon Rice, the popular American tenor, who is to sing here Monday, October 30, has been what is said to be the highest price for a church soloist in the world.

The New York Musical Courier commenting upon it says: "Leon Rice the New York tenor has been offered the largest salary in the world for a church singer—\$100 a Sunday. This offer comes from a church in Texas. Mr. Rice sang in this church during 1909 under a most unusual contract. He received what was at that time one of the largest salaries in the country on condition that his singing should attract a capacity audience at each

FORT LOUDON LINE IS TURNED DOWN

Commissioner Rilling Sharply Calls Attention to the Stock Valuation

The Public Service Commission in an opinion by Commissioner John S. satins, laces, silks, furs, shirtwaists Rilling handed down last night reused permission to the McConnellsburg and Fort Louden Railway Company for permission to sell its property to the McConnellsburg and Fort Louden Railroad Company. It was proposed to transfer the physical property of the railway company, worth not more than \$54,164.01, in exchange for \$65,000 of first mortgage bonds and \$50,000 of stocks of the railroad company or a total of \$115, 000. This the commission refuses to permit.

Commissioner Rilling who wrote the commission's opinion which was concurred in by all the commissioners held:
"It would appear that the appricants are seeking to do that which is clearly forbidden by the Constitution and laws of the Commonwealth. Conceding that the construction and operation of the proposed railroad would be of great benefit to the public, can this commission close its eyes to the facts set forth in this applicaburg and Fort Louden Railway Com-

the commission's opinion which was concurred in by all the commissioners is held:

"It would appear that the appricants are seeking to do that which is clearly forbidden by the Constitution and laws of the Commonwealth. Conceding that the construction and operation of the proposed railroad would be of great benefit to the public, can this commission close its eyes to the facts set forth in this application? All stocks and bonds of all public service companies can be only issued for proper value received in compliance with constitutional provision and the acts of assembly enacted to carry the same into effect and intended to protect the confiding and investing public against parting with their money in the purchase of highly inflated securities. The sale of the property contemplated by the application we are asked to approve can easily be made without violating the property contemplated by the application we are asked to approve can easily be made without violating the law. There is no reason why it should not be sold for either in cash or in stocks and bonds of the company as is provided by law and the provisions of the Constitution. Upon the application ling an amended application in compliance with the suggestions herein made, as well as complying with the recommendations made by our engineering bureau, a contract providing for the sale of the property set forth in this application will be approved."

In the same way, a 50% increase in the length of your crank-shaft gives 100% increase in the vibration in the motor. The short four-throw crankshaft is the most efficient design possible. This is one reason why it gives better service than any 6 or 12 cylinder motor built today.
