LOUD KICKS ON FARRELL CIRCUIT

Someone Bungled in Sending Out Official Averages; Home From Scranton

There is a howl from the New York State League on account of averages. Those recently issued by President J. H. Farrell, it is said are not correct. Players who were changed during the season, it is said, lose credit for a number of games. There is also a kick on the manner in which advance sheets with averages were distributed. A number of newspapers have not received copies to date.

It is customary to send out advance sheets with notices of time for release. The bulk of the morning papers carried part of the information. In some towns on the circuit, afternoon papers published advance information. According to reports newspapers who did not get a copy of the figures are hot foot after President Farrell. The Scranton Republican says:

Kick From Scranton

"President Farrell's annual official averages given out yesterday are bungled up in the usual Farrell fashion. For the most part you cannot get head nor tail out of them. During the pennant race there was more shifting of players than last year, and to save himself any additional trouble, Sir John in some instances has done nothing but compute the average of a player for each town. Take Brugy for instance. He has two separate sets of averages. With Frank O'Rourke it is the same. Another thing is that no attention has been paid to base hits, triples and home runs, even though scorers had to keep tabs on such drives on their official sheets. The pitching figures are also a joke. Nothing is shown as to the number of innings a twirler worked, and the only way one can find his winning percentage is to sit down at a table or desk and figure it out. It certainly seems funny that the oldest Class B league in the world should be so far behind the times."

YALE'S FAITH IN FOOTBALL; LEGORE'S RETURN FACTOR

New Haven, Oct. 27. — Yale blue, which has for several seasons been a chronic undergraduate disposition, as well as the university color at New Haven, has taken on a rose tint this Fall. Even the meager reports that have dribbled past the college censors have reflected a more hopeful spirit for the 1916 football season.

It's time Yale has been crushed so often by Harvard in major sports that defeat seems habitual.

It is now seven years since an Eli football team won from Harvard, and only once in six seasons has Yale team scored against the crimson.

Since Charlie Brickley first became a factor in university football at Harvard, Yale has hardly dared to even hope for anything at the hands of the Cambridge. The crushing 41-0 defeat of last year filled the bitter cup. The change (if one is really to occur), in the situation as to football, rests entirely on one man — Harry Legore, last year ineligible because he ate a ham sandwich or something of the sort in return for playing a baseball game for the manager of a resort hotel. For this slight baseball offense he was suspended from football playing. Can you beat it?

To return: This year Yale occupies the position that Harvard for four years has held — namely, plenty of good material with team play built around one man, a star.

Harvard has no Brickley and no Mahan this year unless he has been under cover. Yale, on the other hand, has Harry Legore, who is a known quality.

He is believed to be the greatest all around individual player in the east to-day because of his versatility. He can run, kick and play defense better than any man Yale has had since Ted Coy.

This at least is the way he is described by men who have no reason to be over laudatory.

CENTRAL'S FORM IS ENCOURAGING

Expect Record Crowd When Local Eleven Meets Steelton Tomorrow at Island Park

CAPTAIN EDDIE HILTON

Ideal football weather to-morrow is the hope of an army of enthusiasts in Harrisburg and Steelton. While the news from Greensburg is awaited, a record crowd is expected at Island Park, where the Central High and Steelton High elevens will clash in the first battle. To-day the local eleven was a big favorite, but Steelton had backers. Whatever happens, a general opinion prevails that it will not be a one-sided game.

Captain Eddie Hilton and his warriors are ordered out for light work this afternoon. Coaches Smith and Harris finished the hard work yesterday and were much pleased with the work of the players. Both teams are expected to hand up something new in football.

Hard Work at Steelton

Down at Steelton Coach E. C. Taggart drilled his squad last night until darkness made further play impossible. He wants a victory to-morrow and according to reports there will be enough men for two line-ups ready to get into the game and each player showing the necessary ability according to Coach Taggart's standard.

Both schools will have the backing of the student body in rooting. Central's cheer chorus will be assisted by the Commonwealth band. The student body will be in the stands, led by the cheer captains, will meet at the school at 1.30 and march to the island; the game starts at 3.

The big procession will be headed by Miss Martha Crosswell, Miss Ruth Richards, Miss Helen Rote and Frances Dunlap, Harold Eckert, Paul Selsam, Allison Skinner and George Spangler. Steelton's team with a big crowd will come to Harrisburg on special cars and march to the island. Seats have been provided for the visitors on the western side of the field. Special spaces have been marked off for automobiles.

Pittsburgh After Penn; Is Big Battle Tomorrow

Pittsburgh, Pa., Oct. 27. — Jubilant over the unexpected decisive victory at Syracuse last week, the University of Pittsburgh football players went into this week's practices with new vim, determined to keep the slate clean this year, as last, and hoping to defeat Penn. W. & J. Penn State and the other teams yet to be met by a margin sufficiently complete to leave no doubt concerning the Panthers' superiority.

A chronic undergraduate disposition, certain of the Penn-Pitt tussle to-morrow, as this game is regarded here as being practically a championship affair for the State and, perhaps, for a larger district. Powell and Warner are old foes, and Penn hurries to retrieve last year's defeat at the hands of the Pittsburghers. Most Pitt rosters consider it the real test of the season. Thousands of Penn Alumni will occupy several complete grandstand sections, and a special train brings students here from Philadelphia.

Hess in Clark's Place; to Play Against Gettysburg

State College, Pa., Oct. 27. — Realizing the urgent need of a stronger defense, Penn State's coaches to-day devoted the entire practice period to a defensive scrimmage against the freshman eleven. Dutch Herrmann's first-year men were able to get through the varsity forwards for substantial gains, but they were stopped by the regular's secondary line of bulwarks. Beck and Robb bore the brunt of the work back of the line.

Hess again filled Captain Clark's place at fullback. He is booked for that job against Gettysburg on Saturday. Much interest centers in the game with the Battlediel collegians, who are coached by Berryman, State's winning halfback last season. Ewing, the varsity quarterback, to-day sat on the bench while Jones ran the team. Conover was again at center. These two shifts are part of Harlow's plan to reconstruct the team.

Tener Hits Ban Johnson; Resents Recent Remarks

New York, Oct. 27. — President J. K. Tener, of the National League, issued a statement here to-night, replying to a statement credited to President B. E. Johnson, of the American League, in Milwaukee yesterday in reference to the much discussed "McGraw incident."

Johnson is reported to have criticized the National League for what he considered its failure to rebuke John McGraw, manager of the New York Giants, for his denouncement of his players in the game which won Brooklyn the National League pennant.

"In regard to President Johnson's second reference to the McGraw incident," reads President Tener's statement, "it is, like the first, pure bombast. The National League is handling the McGraw affair in its own way and in a proper way."

"McGraw's action in leaving the field and his subsequent statement do not constitute a charge against the integrity of the game, and McGraw disavows any such intention."

"If Johnson wants to raise any trouble he need not look any further for an opportunity than the statement made by one of the club owners against the umpires in his own league."

FORNEY ELEVEN LOSES

The Forney grammar school eleven lost to Woodward eleven yesterday, score 18 to 0. The line-up and summary:

FORNEY. Hess, l. e. t. Shirk, c. Strine, r. g. Williams, r. t. Nye, r. e. Fohlan, l. h. Haines, f. b. Stevens, r. h. Weidman, q. b. Touchdowns, Jackson 2. Jones 1. Referee, Arnold. Linesman, Boyer.

WOODWARD. Bundy, l. e. Kitchen, l. t. Adams, l. g. Speakman, c. Burns, r. g. Boyd, r. t. Carl, r. e. Jackson, l. h. Jones, f. b. Yings, r. h. Davis, q. b. Touchdowns, Jackson 2. Jones 1. Referee, Arnold. Linesman, Boyer.

WELLY'S CORNER

"Doc" Cook, field captain for Harrisburg and second sacker, holds second position in the season's averages. In 124 games he had 22 errors and fielded at .971. Loudenslager, of Elmira, was one point better in 135 games. Downey was fourth in third base work with .979. Eddie Zimmerman in 24 games had but five errors.

Lancaster has withdrawn from the interscholastic basketball league. Lack of a suitable floor on which to play is the reason given. Williamsport may enter the league. A general opinion prevails that the remaining clubs should keep the organization going until new high school buildings and will be in shape for better work next year.

Herb Hunter won his fight at Lebanon last night. He was up against a good boy in Doc Reegel of Lebanon, the local leader in every round. Seiders of Lebanon put Kid Dempsey of Harrisburg out in the second round.

Plans have been completed for a series of basketball games between Central, Tech and Harrisburg Academy. A schedule is now under consideration. Two games will be played with each team. The Harrisburg Academy stars indicate a fast team for that institution.

Bob Folwell and his Penn squad passed through Harrisburg at an early hour this morning en route to Pittsburg. With the exceptions of Coach Folwell and his assistants the players had all retired when the train reached this city. Neil was not with them. The big guard is out for good. He will play with the Vincome A. C. during the balance of the season.

The Central-Steelton game to-morrow out to attract a record crowd. While still feeling sore at last Saturday's defeat at the hands of Tech, Steelton will put up the hardest kind of battle to-morrow.

Coach Schlichter of the Harrisburg Academy eleven has the sympathy of all football enthusiasts in the loss of Moody. He gave every indication of being a future star. Hard luck hits every squad at sometime, and the Academy boys are getting theirs.

Officials in charge of to-morrow's game at Island Park will receive the commendation of every good sport if they enforce the ground rules. At critical points in the games there is too much interference from the side lines, especially those who are along the fence.

JINX VISITS AT ACADEMY FIELD

Moody Out With Broken Collarbone; Britsch Has Bad Foot

Harrisburg Academy is up against a "jinx." Moody, clever young halfback, is out with a broken collarbone, and Britsch, the quarterback, is suffering with an infected foot. Both players have been factors in previous victories.

Moody was injured during a scrimmage early in the week. He did not know the collarbone had been fractured until yesterday when an examination was made. Moody had been suffering with sharp pains in the back. He will be out of the game for the rest of the season.

Britsch has not been able to get into practice this week. If his foot will permit he may get into to-morrow's game, but Coach Schlichter does not want to take any chances.

Other Players All Right

The other players are in good shape. William Bennett announced his intention to quit the game and handed in his uniform yesterday. He said he would quit school, but later reconsidered his move and will be in the line-up to-morrow.

This afternoon the squad was put through a light scrimmage in preparation for the game with Schuylkill Seminary at Reading to-morrow.

The school spirit is strong at Harrisburg Academy and the student were out this afternoon cheering the players.

REAL PRO GOLF CHAMP

Meet Jim Barnes, all you golfers. He is a professional, but he knows golf. Yes, he plays for money prizes, and he is not ashamed of it. He is just like a baseball player—he doesn't play for mere fun. But he plays real golf. If you want to see real baseball you don't watch a college nine; you go up to Boston and see champions. Mr. Barnes is the winner of the professional tournament at the Siwanoy Country Club at Mount Vernon, N. Y.

Of course, the national open golf championship won by "Chick" Evans recently goes as the greatest golfing event of the year. But many of those who saw Barnes win this event figure him as the real golf champion of the United States.

TECH IN SHAPE FOR HARD BATTLE

Leave Today For Greensburg; Rooters Take Early Train Tomorrow

Twenty-one members of the Tech high school football squad left this afternoon on the 2.47 train for Greensburg, where they will line up to-morrow afternoon against the high school team of that place. Accompanying the players will be Coach Miller, Trainer Kelly, Professor Grubb and Manager George Stark.

They will be quartered at the Hotel Westmoreland and after a short tour of the city in automobiles to-morrow morning, will enter the battle confident of victory. Those to make the trip to the Westmoreland county capital will be Captain Harris, Beck, Wilbach, McFarland, Philippelli, Gougler, Lloyd, Eyster, Bell, McGann, McFarland, Gipple, Wear, Fitzpatrick, Miller, Snyder, Garman, Lauster, Todd, Pelfer, Evans and Frank.

According to the number of inquiries already made there will likely be 100 rooters to cheer the Maroon to victory when the kick off is made at 3 o'clock to-morrow afternoon. They will leave at 8 o'clock to-morrow morning. Tech is confident of coming back with another scalp dangling from its belt. In the two preceding games Tech has lost. These two defeats they hope to retrieve by winning to-morrow's battle. Both teams will enter the battles without having lost a game this year.

Referring to the game to-morrow, the Greensburg Tribune says:

The big game on Greensburg's schedule, the Harrisburg Technical high eleven versus Greensburg will be played Saturday at Athletic park. From Harrisburg high comes the report that Coach "Shorty" Miller's team is in prime shape for the contest, and will come to Greensburg, full of hopes for a victory.

The Harrisburg boys have assured themselves that Greensburg's team this year is not up to the strength of former years and on these grounds they are feeling sure of their own prowess. But according to the Greensburg coach, Victor Younkens and his varsity, the Dauphin county boys are due for a humbling, and the Brown and White team will unwork a series of plays that it has been holding up for this game.

All the local athletes are in good shape, with the exception of Coleman, but the plucky little half will report for signal practice, to-day and Friday and will be ready for Saturday's fray.

Harrisburg places a great deal of confidence in their backfield, made up of Beck, Harris, Lloyd and Wilbach. The Techies are holding daily practice, and according to word received by Manager Joe Robinson, a big crowd of Harrisburg supporters will accom-

CATTLE TO DWELL IN HOTEL; ONCE RESORT OF NOTABLES

Cresson, Oct. 27. — Under the roof of the old Mountain House here, where in bygone years millionaires, notables of national fame and society belles from many States dined in almost regal splendor, the cows in the dairy herd of Samuel C. Tussey will soon be contentedly munching their hay, all unaware of their splendid surroundings.

A few days ago the old hotel building was sold, and an Altoona contractor will soon start work of making it into a cow stable.

T. R. TO SPEAK AT TOLEDO

Toledo, O., Oct. 27. — Theodore Roosevelt will speak in Toledo in behalf of Charles E. Hughes on the afternoon of November 2, according to announcement last night by U. G. Denman in charge of Republican headquarters here.
