

CENTRAL AND STEELTON IN SCORELESS GAME---TECH SCORES ON GREENSBURG

SCORELESS GAME AT ISLAND PARK

Both Central and Steelton Fell Down at Critical Times; Some Features

Dopesters went wrong on the Central-Steelton game Saturday. Something else went wrong, according to the coaches. It was a scoreless game and the 3,000 spectators witnessed a rather weird exhibition of football.

Head work was woefully lacking. Both teams had opportunities to score, but failed to keep up successive plays that would bring directly back of the goal without any interference. The ball was thrown clean and the player was ready to go directly back of the goal without any interference. The ball was dropped.

Steelton played a fast game. Both teams had costly fumbles. Punting and forward passes were numerous. The following shows some of the features in Saturday's contest:

First downs—Central 10, Steelton 8. Ground gained from scrimmage—Central 153, Steelton 117. Fumbles—Central 4, Steelton 5. Number punts—Central 11, Steelton 11. Average distance of punts—Central 29 yards; Steelton 23 yards. Distance gained from running punts—Central 67, Steelton 52 yards. Forward passes tried—Central 4, Steelton 4. Successful forward passes—Steelton 2, Central 0. Ground gained by forward passes—Steelton 14 yards. Longest run—Hilton, 40 yards. Penalties—Central 5 yards, Steelton 10 yards. Blocked kicks—Central 1. The line-up and summary:

COUNTRY CLUB IS WINNER AT GOLF

Take Saturday's Match From Colonial Players; November to Be Busy Month

The Country Club of Harrisburg golf team found out its series of matches with other clubs on Saturday when it won 10 to 7 in an interesting match with the scifers of the Colonial Club on the Colonial course. Every year the golfers of these clubs exchange visits and the honors rested with the Harrisburg club this time.

The winners for Harrisburg Country Club were Evans, Baldwin, Todd, Stackpole, Dull, Keister, Ryder, Welles, Rely and Forsythe. The winners for the Colonial were H. D. Ogelsby, Morgan, Pennock, Armstrong, Owey, Walker and Steiner. Steiner won from Herman in a hotly contested hole match and Armstrong from Fleming on the nineteenth. Several of the matches were not decided until the eighteenth was played. After the match the Colonial players entertained the visiting team and pledged support to the project for a tri-club cup series next year.

For the remainder of the season the Country Club will have events on its home course. In October it played York and Lancaster here and visited Lancaster, Reservoir and Colonial.

FOOTBALL RECORDS SHOW ONLY FIVE CLEAN SLATES

Central and Academy Have Not Been Defeated; Doings in Collegiate World

With another week of football history past, Central High school and the Harrisburg Academy are the two remaining scholastic eleven that have untainted records. The Central squad, by holding Steelton to a 0-0 score on the Island, and Captain Phillips' Academy eleven in defeating Schuylkill Seminary at Reading, 27 to 12, have yet to be defeated.

Coach Miller's Tech eleven met its first reverse of the season at Greensburg, losing a heart-breaking 10 to 6 contest. With less than half a minute of the first half yet to be played, Greensburg scored seven points from a touchdown and resultant goal. Later in the contest, three more points were tallied from a goal from field. End McFarland came in for much comment by scoring six points for the local indie late in the game on two forward passes. The goal was missed.

For the third time this season they have played contests in which there have been no scores. The previous contests were at Johnstown and Baltimore. The Academy team again showed its superiority over the Readings by winning from them for the second time this season. British, Captain Phillips and the Bennetts were again in the limelight.

That a Harrisburg, Gougler, is a member of this contingent must not be overlooked. His ability to boot the ball, always gives him a preference over other contenders. Coach Gougler is using him in every contest, and is depending upon him to fill one of the gaps in the back field next season.

AITKEN SMASHES AMERICAN RECORD

Wins One Hundred-Mile Race Over Fast Field; Cash Prizes

New York, Oct. 30.—Johnny Aitken, of Indianapolis, added to his laurels as a speedy automobile driver by winning the gold trophy race at 100 miles on the Sheepshead Bay track Saturday in a Peugeot car.

His time for the distance was 56 minutes 37.65 seconds, establishing a new American record which is only 7 seconds behind the world's best time. Aitken's average speed was 105.86 miles an hour.

Frank Galvin finished second in 56 minutes 45.31 seconds, driving a Premier, and Howard Wilcox was third in 57 minutes 10.53 seconds in a Peugeot.

Aitken made only one stop, when he went to the pit to change a tire, delaying him about thirty seconds. The cash prizes for the six first drivers were \$4,000, \$2,500, \$1,500, \$1,000, \$500 and \$400. In addition several lap prizes amounting to \$3,000 were awarded to the leaders from the tenth to the nineteenth miles.

After the main event eleven cars started in a consolation race at fifty miles, which was won by Jules Devigne, the French driver. Milton was second and Meyer was third. The winner's time was 28 minutes 49.59 seconds, an average of 104 miles an hour. The cash prizes for this race were \$1,000, \$600 and \$400.

WELLY'S CORNER

Saturday was comeback day in football for many teams. Further evidence was forthcoming that the special efforts with college eleven to overcome last season's defeats have so far proved successful. The hard loser on Saturday was Penn. Glenn Warner said he would have a team at Pittsburgh that would beat the world. He told the truth.

It is very gratifying to local enthusiasts to notice the work of local stars in the big games. Gougler got into the battle at Pittsburgh in the last quarter and made good. Hastings the regular man has been longer in the game and is a wonder, but it looks very much as if the local boy would be his successor when the change comes.

The best that can be said must be given the Harrisburg Academy eleven along with Coach Schlichter. This eleven is one of the two local teams that has not been defeated this season. Central is the other. Captain Phillips proved a great leader in the game at Reading Saturday and while Academy was scored on, he was not denying the superiority of the local eleven.

Harvard came back strong Saturday cleaning up Cornell in a decisive victory. Princeton had a narrow escape with Dartmouth; and Yale showed the best form of the season in the game with W. and J. Of the big four it looks like a battle between Yale and Harvard for the season's honors.

Manager of both the Central and Tech high school teams made a big mistake by not including the Harrisburg Academy eleven on their schedules. The Schlichter squad has shown fast work and would have been a big attraction at Island Park, also a money maker. There are many football enthusiasts in Harrisburg who would like to see a game with the Academy eleven, either Central or Tech or both.

Three weeks hence, November 13, Harrisburg will be the scene of the annual battle between Gettysburg and Bucknell eleven. Much interest centers in this game, but this year Gettysburg will be a strong attraction because of the presence of Harrisburg stars in Gettysburg's line-up. Bucknell has always shown the best form of the season against Gettysburg but this year will have to go some to win.

York is making boxing shows popular by charging a small admission fee. One section is also reserved for women. On Thursday, Johnny Gill, one of the best boys in the ring, will go up against Johnny Loughery of Philadelphia. Marty Krause of Steelton meets Fighting Ben of Lancaster.

Lafayette won over Lebanon Valley Saturday, but the Anville boys gave the Easton contingent a hard battle. Scoring 14 points was worse than a defeat for Lafayette.

Tech Holds Greensburg to Another Low Score; Locals Show Best Form

Holding Greensburg high to a 10 to 6 score on Saturday was the occasion for a big time at Tech high this morning. The result at Greensburg was beyond all expectations. While Tech went in to win and played a plucky game, the Greensburg team was better than one year ago. Tech's best work was in the last period. Fumbles by Tech were costly.

Getting to plain facts Greensburg was lucky to get away with a victory. The first touchdown was scored near the close of the first half on a forward pass. The ball went 12 yards and was carried 30 yards further. From this period until the finish Greensburg was outplayed by Tech.

In the fourth period Tech moved the ball down the field in successive plays. Coleman ran back a punt and Greensburg was held. Tech with the aid of Lloyd, Beck and Harris, netted three first downs. Two forward passes to McFarland brought gains and a touchdown. The line-up and summary:

Harrisburg Academy Has Another Big Celebration; Win Again Over Schuylkill

Members of the Harrisburg Academy eleven to-day celebrated with the student body. The second victory over Schuylkill Seminary Saturday, score 25 to 12, was the occasion for rejoicing. It was a much different team than the locals met in this city several weeks ago.

At one period the score was tie. British who was a star in the game broke through the line and made a 40-yard run for a touchdown. He kicked the goal. Phillips intercepted a forward pass for a touchdown. Reading had costly fumbles.

The best work for Schuylkill was by Schnabel and Settle. British, Captain Phillips, R. Bennett and Warden were factors in Academy's scoring and big gains. The line-up and summary follows:

SCHUYLKILL. ACADEMY. Dorang, l. e. Bortell, l. e. Palm, l. t. Hicks, l. t. Fuhley, l. g. Finley, l. g. Payling, l. g. Warden, c. G. Schnabel, r. g. W. Bennett, r. g. Frundt, r. t. Gebhart, r. t. Harper, r. t. Bruce, r. e. Harper, r. e. Britsch, q. b. Settle, q. b. Froelich, l. h. Hyden, l. h. Wolf, r. h. Nussbaum, r. h. Phillips, f. b. H. Schnabel, f. b.

Touchdowns—Schuylkill: H. Schnabel, Settle; Academy: British, 2; R. Bennett, Phillips. Goals from touchdowns—British, Substitutions—Academy: R. Bennett for Wolf; May for Bortell; Bortell for May. Time of quarters—10 to 12 minutes.

LODGE CONTINUES WILSON CHARGES

Reads Breckinridge's Version of Alleged Postscript to Lusitania Note

Boston, Oct. 30.—Despite the denial by Secretaries Lane and Redfield and Attorney General Gregory that President Wilson originally appended a postscript to his Lusitania note, informing the German government that the stiff language of the message was not to be taken seriously, Senator Lodge, who first made the charge in a speech at Brocton Thursday night, reiterated his assertion in Somerville and read a letter from Dr. Charles H. Bailey of the medical faculty of Tufts College, purporting to give the facts of the incident as related to him by Henry Breckinridge, former Assistant Secretary of War, while the two were traveling eastward from San Francisco last July. According to Dr. Bailey's information, as reported by him, the postscript was withdrawn on the demand of Secretary Garrison and two or three members of the cabinet.

It is further related that Secretary Bryan had signed the original note and postscript when the President withdrew the humiliating postscript on threat of exposure Bryan resigned. The former Secretary of State is said to have felt so good over the postscript that he talked and thus Secretary Garrison heard of it.

PENROSE SEES A BIG VICTORY

Confident of the Election of Hughes by Substantial Majority in College

Senator Penrose, who came over from New York for a conference with State Chairman Crow in Philadelphia confidently predicted the election of Hughes and Fairbanks. He returned to-day to take up his duties as a member of the Republican National Committee.

"The Hughes' campaign is well in hand and I feel confident of his election by a ample majority," replied Senator Penrose, when he was asked as to the outlook in the Presidential campaign. "Hughes and Fairbanks," he continued, "ought to carry every normal Republican State and other States not usually Republican except in Presidential years. Wilson cannot be elected without New York and that is put down as certain to go for Hughes, along with Illinois, which has ceased to be classed in the doubtful column. These predictions are based upon a careful canvass along with straw votes and other methods of gauging popular sentiment.

"The people made up their minds long ago to get rid of the Wilson administration, with its record of incompetency both at home and abroad."

"What about Congress?" was the next question put to the Senator. "The House will be Republican, of course; that goes with the President," he replied. "There appears to be no question of a substantial majority in the House of Representatives."

"The United States Senate is necessarily a very close proposition at best, owing to the fact that we have an average majority of sixteen to overcome, but vigorous contests are being waged in every State where there is a possibility of gaining a Senator. If no unexpected loss occurs, there is reason to have confidence that the Senate will be Republican by a narrow margin."

Senator Penrose, who has canceled all speaking engagements in this State and declined all invitations, excepting one, to make new engagements, expects to be busy in New York until the close of the campaign. He has accepted an invitation to preside at the Pennsylvania Day Hughes and Fairbanks meeting in New York to-day. Others who have accepted invitations to speak at this rally are former Postmaster General John Wanamaker, Senator George T. Oliver, Chairman William E. Crow, former Governor John K. Tener and representatives of a number of business and commercial organizations of this city. The meeting is being held under the auspices of the Commercial Travelers' Sound Money League. This organization was formed during the McKinley-Bryan campaign in 1896.

Col. Harvey Says Hughes Will Have Big Majority of Electoral Ballots

New York, Oct. 30.—Four years ago Colonel George Harvey guessed wrong as to only one State in his election forecast. In 1908 he was only seven-tenths correct in his forecast of the way, and in 1904 only twenty-two. In the North American Review Colonel Harvey predicts the election of Charles E. Hughes as follows:

"We predict Mr. Hughes will carry these States: California, 13; Connecticut, 7; Idaho, 4; Illinois, 29; Iowa, 13; Kansas, 10; Maine, 6; Massachusetts, 13; Michigan, 15; Minnesota, 12; New Hampshire, 4; New Jersey, 14; New Mexico, 3; New York, 45; North Dakota, 5; Oregon, 5; Pennsylvania, 38; Rhode Island, 5; South Dakota, 5; Utah, 4; Vermont, 4; Washington, 7; Wyoming, 3. Total, 269.

"We expect Mr. Hughes will carry these: Indiana, 16; Wisconsin, 13. Total, 28.

"We believe Mr. Hughes will carry these: Delaware, 3; Ohio, 24; Maryland, 8. Total, 35.

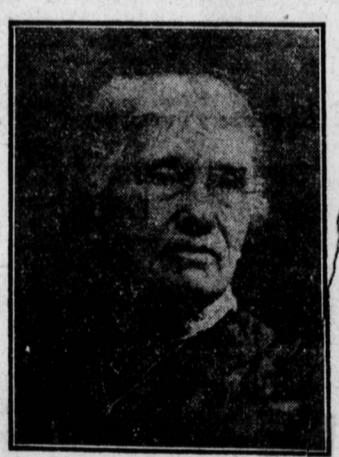

"We allot to Mr. Wilson beyond question: Alabama, 12; Arkansas, 9; Florida, 6; Georgia, 14; Virginia, 12; Kentucky, 13; Louisiana, 10; Mississippi, 10; North Carolina, 12; Oklahoma, 10; South Carolina, 9; Tennessee, 12; Texas, 20. Total, 149.

"We regard as doubtful: Arizona, 3; Colorado, 6; Missouri, 18; Montana, 4; Nebraska, 3; Nevada, 3; West Virginia, 8. Total, 50.

"Grand totals: Hughes, 332; Wilson, 149; doubtful, 50.

"Probable majority for Hughes between 145 and 175."

80 Years Old Today; She Has Read Telegraph 62

Mrs. MARGARET UMBERGER. Mrs. Margaret Umberger, who to-day celebrated her eightieth birthday at the home of her daughter, Mrs. George W. Lutz, 1710 North Fifth street, has been a continuous reader of the Harrisburg Telegraph for sixty-two years.

Her husband, Lieutenant Cal Umberger, first subscribed for the paper when it was a two-page weekly sheet, receiving it through the Bellevue post office. Upon removing to Harrisburg fifty-seven years ago she continued their subscription when it became a biweekly sheet.

Mrs. Umberger is the mother of nine children. Joseph Umberger, a printer in St. Louis, who learned his trade with the Harrisburg Telegraph, E. F. Umberger, a local attorney, is the youngest of the family.

EAST END A. C. WINS

A 25-yard end run by P. Shickley and Shafer carrying the ball down the field on line play netted the East End A. C. team a touchdown and a 6 to 0 victory over the Hummelstown eleven in a game played at Hummelstown Saturday. The East End team went into the game without its regular line-up, several of the men being out because of injuries.

Will Print Newspaper on Imported Shingles

Washington, D. C., Oct. 30.—A newspaper printed on shingles is the very latest oddity to be evolved through the high cost of paper as a result of the European war. According to an announcement made public here, the editor of the Castle Rock Advocate, a paper published in Washington State, has decided hereafter to print the daily news on imported shingles instead of on the usual print paper.

At the present price of print paper, which is quoted at seven cents a pound to the country newspapers, the publisher of the Castle Rock Advocate says that shingles from Canada, admitted free of duty, are much cheaper than paper.

Los Angeles, Cal., Oct. 30.—Jess Willard, heavyweight champion, is going into vaudeville. "Jess has made so much money, I am tired counting it," said Manager Tom Jones. "Yes, he's ready to defend his title, but who is there to fight him? It looks as if the promoters will have a hard time digging up an opponent for Jess. Anybody suits us, but whatever man builds the match naturally will not do business unless he can make one the public will go against."
