## FREE EYE EXAMINATIONS

Can you conceive how a reliable, conscientious Optometrist can afford to make examinations FREE, especially under the present high cost of doing business? Can you afford to work without compensation? Can you afford to give good ability and conscientious service without a just remuneration? The word FREE is much abused and is more often used deceptively than conscientiously.

It is remarkable how many people who profess to give something valuable for nothing prosper—for a while. The optometrist who offers to examine your eyes "free" has a purpose in mind, and that purpose is to sell you a pair of eyeglasses. He MUST sell and at a good profit, or he cannot get along in business. He may possibly give you good service, but would you not be better satisfied to pay a small examination fee of \$1 and be told frankly whether your eyes require glasses or some other treatment, or that they require neither? That is my way of conducting my profession. I have the confidence of thousands of people in Harrisburg and vicinity, whom I have satisfactorily fitted with glasses. I hope to merit yours.

### FIRST AID CLASS FOR COMMONWEAL

Dr. John M. J. Raunick Will Instruct Women About Injuries and Illness

An unusual opportunity is presented to the women of Harrisburg to secure valuable instruction in how to administer "first aid" to the sick and to the injured by becoming members of the Commonwealth Club and joining the "First Aid" class which is to be conducted by Dr. John M. J. Raunick, chief of the Harrisburg Health Department. The only equipment necessary is to come prepared with a note book and pencils. The work will consist of the use of charts and practical demonstrations of what should be done to administer relief to the injured and the sick until experienced medical or surgical aid arrives.

The Commonwealth Club meets every other Monday night at 7.45 p. m. The first hour is given over to a public lecture and an open discussion on the subject just presented. The classes start at 9 p. m. and are in session until 9.45.

"Any woman is eligible to membership who is a member of the Young Women's Christian Association and who is personally interested in the purpose of the club" which is "to unite thinking women through open discussion of social, moral and economic problems, and to bring them to a deeper realization of the big opportunities open to them for usefulness in their community."

Any candidate applying for membership shall be proposed in writing by two members of the club to the chairman of the membership committee and shall be elected by that committee.

The next meeting of the Commonwealth club will be held Monday evening, November 13. If you wish to become a member, send your application to Miss Kit Morgan, 148 Calder street. Dues are payable annually in advance. To become a member of this club it is also necessary to be a member of the Y. W. C. A., the membership fee of which is also \$1 a year.
