This Letter Sets Forth Some of the Evils of the Proposed Amendments to the Present Jitney Ordinance Let Every Voter Read It Carefully!

The Motor Club of Harrisburg has mailed this letter to local motorists to call their attention to the evils that will result from the Proposed Amendments to the Jitney Ordinance, if passed, at the Polls, Tuesday next, Election Day.

Although addressed to motorists, it contains so much of vital importance to EVERY citizen, whether auto owner or not, that it is printed herewith in the hope of reaching every Harrisburg voter.

Read It Carefully---
Consider It Well---
Act!

MOTOR CLUB OF HARRISBURG 109 SOUTH SECOND STREET

Harrisburg, Pa., November 3, 1916.

Fellow Motorists:—

At the election on Tuesday next, November 7th, the voters of Harrisburg will be called upon to determine whether or not the present Jitney Ordinance shall be amended. If amended it will permit the practically unlimited operation of jitneys on the city's highways.

At the October meeting of the Board of Governors of the Motor Club of Harrisburg it was unanimously decided to protest against the amendment of the present jitney ordinance upon the single ground of "safety first." In so protesting, the Motor Club is grinding no axe and serving no individual's interest. It is doing what it believes to be for the best interests of the large number of pedestrians and motorists of Harrisburg.

The Motor Club requests you to use your influence against the proposed amendments to the present ordinance and, if you have a vote, to VOTE AGAINST THE AMENDMENT on Election Day for the following reasons:

THE GREATER THE NUMBER OF JITNEYS—

- The less safety to life and limb of the men, women and children of Harrisburg;
- The less safety to motorists;
- The greater congestion on our streets;
- The greater necessity for restrictions and limitations to motorists;
- The longer delays at traffic intersections;
- The less parking space and privileges;
- The greater chances of collisions;
- The less opportunity to alight at your desired point;
- The greater opportunity for theft of your car;
- The greater opportunity for unscrupulous jitneers to take passengers to isolated points for the purposes of robbery and other heinous crimes;
- The less will be the revenue of the Harrisburg Railways Company and in turn a less amount will be paid by that Company into the city treasury.
- This affects every taxpayer. It might mean an increase in the tax rate.

For these reasons VOTE, on Tuesday next, AGAINST THE AMENDMENT OF THE JITNEY ORDINANCE.

THE MOTOR CLUB OF HARRISBURG
J. CLYDE MYTON,
Secretary.

Remember This:

If these Proposed Amendments are carried they will be a fixed law for two years. Under the Clark Act neither City Council, voters nor any other power can change them within that period.

Separate ballots from the regular ballots will be used for voting on the Proposed Amendments. When you go to the polls next Tuesday be sure that you get one of these special ballots in addition to the regular election ballot.

If you are opposed to the evils that the Proposed Amendments will work, if they become a law—

Mark an (X) on the Special Ballot Opposite the Words "Against the Ordinance"

MOOSE LEADERS MAKE PLEA FOR HUGHES

[Continued From First Page] all Progressives to vote for Hughes and his Republican colleagues. The letter is as follows:

No doubt you have noticed the prominence the Democratic papers have given the few endorsements of Wilson by former Progressives. They try to have the large number of real Progressive voters believe that these few isolated cases represent the sentiment of the Progressive Party, when, in reality, it is only the sentiment of a small number who always had a leaning toward the Democratic Party. We have enough faith in our fellow-Progressives to believe they cannot endorse the weak, pledge-breaking, vacillating, administration of the Democratic Party. Progressives do not hold pledge-giving lightly, nor do we favor saying one thing and meaning another. The memory of Wilson's broken pledges, among which may be mentioned "Reduction of the high cost of living," "An economical administration," "The exemption from tolls of American ships engaged in coastwise trade passing through the Panama Canal," etc., are still fresh in our minds. Also his meaningless, bombastic terms of "Strict accountability," "Spare no word or act," "The rights of American citizens" (meant for home consumption only) still linger fresh in our memories. Is this, then, the kind of a record the Progressives, true to Progressive principles, can consistently endorse? Can it be doubted that our great leader, Theodore Roosevelt, really believed, as he stated, that four more years of Wilson would be a national calamity? The nomination of Mr. Justice Hughes was acceptable to the great body of Progressive voters in the Nation. A majority of our former National and State leaders have endorsed him. He was not the choice of the reactionary element, now hopelessly in the minority, and has proven that he is a real Progressive, by appointing real Progressives on his campaign committee. We, as Progressives,

feel that the country needs a strong, courageous man for President, and Mr. Wilson is not that kind of a man. He has, in unnumbered ways shown himself temperamentally unfit for the position which he now occupies. He is a man who neither says what he means, nor does what he says. He has straddled every serious issue, and, as expediency prompted, has repudiated his principles.

We feel that it is with those very things which Mr. Wilson lacks, that Mr. Hughes is so pre-eminently endowed, and for these reasons we, as Dauphin County Progressives, are giving him our endorsement and support.

Yours Very Truly,
Dr. J. H. Kreider, M. D., Former County Chairman.
Geo. L. Reed, Former member County Executive Committee.
J. Wilbert Storey, Former member County Executive Committee.
W. W. Lenker, Former W. P. Member of Legislature and

County Executive Committee. Rev. Albert J. Green, Former member Executive Committee. Walter L. Vanaman, Former Secretary City Committee and County Executive Committee.

GIRL'S SLAYER FEARS CHAIR

Williams Bursts Into Tears in Questioning Keeper as to Penalty

Wilkes-Barre, Pa., Nov. 4. — Guilt and remorse hang heavily on Thomas "Doughy" Williams, confessed slayer of Ida May Brown. In the Luzerne county prison he expressed fear of the electric chair and broke into tears as he questioned his keepers about his probable punishment. While Williams is in mental torture his wife and four little children are starving. The poor board authorities promised help, and arrangements have been made to see that the family is properly cared for.

CAR KILLS CHILD; HURTS FOUR

Lancaster, Pa., Nov. 4. — When a trolley car crashed into a wagon filled with children last night, between Gap and Kinshier, Willis Rohm, aged nine was killed and four other children

were hurt. The team was cast across the road.

AVOID TAKING SIDES

Berlin, Nov. 3, via London Nov. 4. — The German press shows considerable interest in the approaching American election, printing all available news arriving by way of Holland or reprinting summaries of the situation from old English newspapers. The Catholic organ, the "Koelnische Volks Zeitung," today devoted a lengthy editorial to the subject, but studiously avoided taking sides. If the German people at one time, it says, sided with one of the candidates because they assumed that he was more friendly to Germany, they now see their mistake.
