

# HOW TO VOTE REPUBLICAN NONPARTISAN AND NEW HIGH SCHOOL LOAN TICKETS

Republican voters of Dauphin county who desire to vote a straight ticket, to insure a correct marking of the ballot at to-morrow's election, should put a cross mark in the square after the word Republican in the first column on the ballot.

This will mean a vote for the Republican Presidential electors. It will thereby mean a vote for Charles E. Hughes for President of the United States.

This one cross mark in the square after the word Republican will not only mean a vote for Hughes and Fairbanks, but will also mean a vote for every candidate nominated at the primaries as a Republican, including Philander C. Knox, for United States Senator; Harmon M. Kephart, for State Treasurer; Charles A. Snyder, for Auditor General; the Republican candidates for Congressmen-at-Large, and Congressmen, and Representatives in the General Assembly.

The names of twelve parties are enumerated in this first column on the ballot, that of the Republican party being THIRD in the list, that of the Democratic party first and that of the Washington party second.

A voter who places his cross mark in the party square, in order to vote a straight ticket, MUST NOT make any mark opposite the name of any individual candidate, except in the nonpartisan column. The fine vote will be on a separate ballot.

This is the way to mark a ballot to vote the straight Republican ticket.

Democratic	
Washington	
Republican	X
Socialist	
Bull Moose	
Roosevelt Progressive	
Prohibition	
Industrialist	
Keystone	
Personal Liberty	

But a mark in the party square will not be a vote for Judge Walling, who has been endorsed for the Supreme Court bench by the Dauphin county bar. To vote for Judge Walling, put a mark in the nonpartisan square like this:

Nonpartisan Vote	
------------------	--

JUDICIAL TICKET NON-PARTISAN

Judge of the Supreme Court	
Charles Palmer	
Emory A. Walling	X

The High School Loan

The high school loan ticket is at the bottom of the official ballot. Be sure to mark that way:

**Proposed Increase of Indebtedness of the School District of the City of Harrisburg**

A cross (X) marked in the square at the right of the word "YES" indicates a vote for the increase of the indebtedness for the purpose stated.

A cross (X) marked in the square at the right of the word "NO" indicates a vote against the increase of the indebtedness for the purpose stated.

Shall the indebtedness of the School District of the City of Harrisburg be increased One million, two hundred and fifty thousand dollars (\$1,250,000) for the purpose of erecting, altering, enlarging, furnishing and equipping buildings for Senior and Junior High Schools and purchasing building sites therefor?

## Asserts Penna. Will Go For Republican Candidate by 200,000 Majority

Philadelphia, Nov. 6. — Final preparations for to-morrow's election were completed to-day by the various party leaders throughout the State. The Democratic leaders predict that the largest Democratic vote ever registered in this city will be polled for President Wilson while the Republican leaders anticipate a majority of 150,000 or more for Hughes in Philadelphia and claim he will carry the State by 200,000.

## BOTH CLAIM KENTUCKY TO GUARD POLLS

Louisville, Ky., Nov. 6. — Both Republicans and Democrats are claiming the State and that party will make a strong effort to get its full strength to the polls.

## DEMOCRATS FIGHT IN MD.

Baltimore, Md., Nov. 6. — A heavy vote is predicted in this State to-morrow. Both sides are confident of winning. The Republicans claim that facing troubles in the Democratic ranks will sking the State into the Republican column, but the Democrats seem sure this will not prove to be the case.

## PREDICT HUGHES MAJORITY

Portland, Me., Nov. 6. — Republican leaders encouraged by their success in the State election in September to-day were predicting a large plurality for Hughes to-morrow. The Democrats were confident of a full party vote although leaders in some instances predicted that the total vote will fall below the high vote polled in September.

## FINISHING N. J. CAMPAIGN

Trenton, N. J., Nov. 6. — Candidates in President Wilson's home State campaign to-day up to the last minute, finishing up one of the most warmly contested political fights New York has seen, but various reports expressed confidence of victory to-day declaring that the latest indications were that the plurality already predicted would be exceeded. These were by the Republicans 45,000 and by the Democrats 25,000.

## CONCEDE VERMONT TO G. O. P.

Montpelier, Vt., Nov. 6. — Vermont politics reacted to-day after a quiet campaign with a Republican victory to-morrow conceded by all. Democratic leaders predicted an increase in the vote for President Wilson.

## STILL CAMPAIGNING IN CONN.

New Haven, Conn., Nov. 6. — With both Republican and Democratic State leaders claiming Connecticut for their respective candidates by comfortable margins, the party workers to-day made their final appeals to the voters. Chairman J. Henry Roraback, of the Republican committee, claimed between 15,000 and 20,000 majority for Hughes while David E. Fitzgerald, Democratic chairman predicted Wilson would carry the State by between ten thousand and 15,000 majority.

## 20,000 FOR HUGHES IN N. D.

Fargo, N. D., Nov. 6. — Republicans claim North Dakota by twenty thousand for Hughes, but Democratic leaders say peculiar political angles will give the party workers to-day a chance. The campaign made by Hughes, Democrat, for the seat of Porter J. McCumber in the United States Senate assured Burke a majority of 7,000 votes and a victory on the outcome of the Presidential vote, say the Democrats.

## SOCIALISTS SEE VICTORY

Milwaukee, Wis., Nov. 6. — Socialist leaders asserted to-day their party would poll 60,000 votes in Wisconsin to-morrow and that Socialists would be elected to Congress in the Fourth and Fifth Congressional districts. The Democratic State chairman claimed the State for President Wilson by a plurality of 25,000.

## 30,000 Pounds of Turkey For Border Soldiers

Camp Stewart, Tex., Nov. 6. — Supply officers of the Pennsylvania division are ready to spend \$10,000 for 30,000 pounds of turkey to appease the 600 Keystone State militiamen here. They are in a quandary, for there isn't a turkey in the State. Then there's the problem of that pie — that 30,000-pound pumpkin affair that would have to be cut up and served in whole two-mile camp. It is going to cost a lot of money, but the State knows exactly how many cranberries are going into the great division sauce, but they're sending two big motortrucks down to the mill and the entire quantity is 1,400 pounds. Then there's the take over the entire outfit of general big celery ranches here. The dinner will cost \$15,000, but it cost something close to \$10,000. The State will have the militiamen enough for a good supper, maybe enough to "warm up" next day.

## High Cost of Living Closes Boarding Houses

Pittsburgh, Pa., Nov. 6. — High cost of eggs, butter, meat, potatoes and other foods has driven a score of boardinghouses in this city, including some of the largest and more exclusive, out of business within the last few days and announcements were made to-day that probably a dozen more will follow suit this week. It is impossible to do business, even with an increase in the price of meat tickets, one proprietor said. "If we charged more, there would be little or no profit and so we are going to close." Others made similar statements.

# SONS OF ITALY HOLD BANQUET IN CHESTNUT STREET HALL WITH MANY OUT-OF-TOWN VISITORS PRESENT

## SONS OF ITALY IN THIS CITY DINE

Well-Known Italians Have "Get-Together Banquet; Trustee Brannock Guest of Honor

As a testimonial of their regard for Augustino Brannock, trustee of the order from Pennsylvania, the Harrisburg lodge of the Sons of Italy yesterday gave a dinner in his honor at the Chestnut street auditorium. The "get-together" spirit ran high and guests were present from Swatara, Hershey and York. Senator E. E. Beldeman was the special guest of Peter Magaro, the toastmaster, and had a seat beside him at the head of the table. The Senator made one of the speeches. Beside the Senator sat Mayor E. S. Meals, also a guest of honor. Mr. Brannock made an address in which he thanked the members of the order for the honor conferred upon him and promised to do his best for the order, but said that much depended upon the co-operation of his fellow members. Joseph Schifano, a well-known businessman of York, urged the members to take an interest in public education and to take part in municipal affairs. He predicted that the order now numbering 70,000 will have a membership of 200,000 in two years.

John Armenta, a Harrisburg merchant, spoke on the honor conferred upon Brannock through the election of Mr. Brannock to the trusteeship and Michael Cerullo, also a well-known Harrisburger, encouraged the guests to go out and work for a bigger membership, saying the possibilities here are great. The necessity of co-operation and the get-together spirit were discussed by John Disadis, of Harrisburg.

tion day and if this prediction holds true, virtually a full vote, it is expected, will be cast throughout the country.

## Hughes Devotes Day to Rest and Recreation

New York, Nov. 6. — Charles E. Hughes, Republican presidential candidate, his campaign activities over, devoted to-day chiefly to rest and recreation, but took occasion to visit the offices of the Republican national committee to greet the committee's staff of assistants and thank them for their work during the campaign. He was accompanied by Mrs. Hughes.

## Leaders of Both Sides in N. Y. Making Final Appeals

New York, Nov. 6. — Republican and Democratic candidates for the governorship made final appeals to the voters to-day although victory was claimed for each of them by their respective chairmen of their parties. Both selected this city for the scene of their last campaign activity. Governor Whitman had on his program four noonday speeches and five to-night. Samuel Seabury following afternoon talks in Rockland county, will return to New York for an automobile street corner tour of the west side.

## Unprecedented Heavy Vote Expected in Ohio

Columbus, Ohio, Nov. 6. — One of the heaviest votes ever recorded is expected to be cast in Ohio to-morrow's election. Both Republican and Democratic State chairmen claim the election of all of their candidates by substantial majorities.

## Complete Organization of Various Illinois Districts

Chicago, Nov. 6. — Although the presidential State congressional and local campaigns in Illinois were practically closed Saturday night, leaders and candidates of the various parties spent to-day for the most part in perfecting organization in wards and precincts. A few of the candidates made speeches during the day but the chief activity was left to the party workers who attended to details that had been overlooked heretofore.

## COUNCIL DELAYS ACTION ON GROSS MEASURE

he doubts if the bids meet be rejected because the ordinance has not been passed as the measure will very likely be passed finally next Tuesday.

Mayor Meals suggested that action be held up for a week until it was ascertained whether or not a better method of protecting the slopes can be figured out. He believes the slopes will not hold the rip-rapping against the rush of waters this winter if this work is put through before Spring. The only safe method, in his opinion, is to concrete the slopes. This, Lynch thinks is too costly. Mr. Gorgas says he is not opposed to the rip-rapping providing this is the best method of creating it. Mr. Bowman says he is not opposed to the measure, although he believes the money should be used for acquiring additional park as it is for the fund voted for that purpose — the park improvement loan — from which Mr. Gross wants to take the money. Mr. Lynch declares that he is not opposed to the improvement, although he believes that time and money could be saved by waiting until next Spring to begin the job.

So if the weather man also plays in with Council, municipal circles don't doubt at all that any way doesn't prevent proper treatment of the slopes will be defeated just as had been anticipated.

Lynch Loses to Gorgas  
The rip-rapping measure was discussed very little to-day but most of the session was given over to a little squabbling between Mr. Gorgas and Mr. Lynch as to the method of disposing of the accumulated interest in the various loan sinking funds. And Mr. Lynch lost out — four to one.

The question was raised when the Gorgas ordinance authorizing the transfer of certain accumulated earnings of the several sinking funds be applied toward the ultimate redemption of the bond issues of 1901, 1902 and 1904 was on final reading. These earnings amount to about \$17,553.92. Mr. Lynch contended that the establishment of a sinking fund by applying interest and State taxes, etc., which Council should be required to provide ordinarily in the 1917 budget, and that by so doing the budget appropriations could accordingly be cut down that much. He called for a reading of City Solicitor Seltz's opinion on the subject to support his contention. Mr. Gorgas pointed out that by applying the accumulated earnings to a fund for the redemption of the loans in question, would eventually mean that the sinking fund assessments in the year prior to their maturity; in other words that the saving in budget appropriations would develop in the year before the bonds were to be redeemed, instead of during the coming year. Council approved of Mr. Gorgas' plan to this wise out the outstanding indebtedness by a 4 to 1 vote. Mr. Lynch alone voted against it.

More Light in Third Street  
Fifty or more North Third street residents petitioned Council to provide ornamental electric lights in that section of highway between Walnut and North streets. The petition was headed by Mayor E. S. Meals. Other signers included Postmaster Frank C. Sites, E. Z. Wallower, Harry Bowless, J. H. Shoop and others. Messrs. Lovensgard and Shopp appeared to personally urge the improvement. Council turned the petition over to Mr. Bowman. The latter explained that the only reason for delaying the lighting up to this time was to await the State's action as the city desired to co-operate with the State authorities in obtaining a uniform lighting system.

In moving for adjournment Mr. Gorgas paid a graceful little tribute to Commissioner Lynch and his staff. To-day is the birthday anniversary of each.

In deference to our fellow commissioners Mr. Lynch and Mr. Bowless whose birthdays occur to-day, said Commissioner Gorgas smilingly, "I would move that we now adjourn." And Council thus paid its respects.

## Washington Gives Mexico Friendly Warning of Presence of Submarines

Washington, D. C., Nov. 6. — The American government has informed the de facto government that, precautions should be taken to prevent any violation of Mexico's neutrality by operation of belligerent submarines within its territorial waters or the establishment of a submarine base on the Mexican coast. The information was conveyed, a State Department official said to-day, in a wholly friendly spirit and not at the suggestion of any of the belligerent powers.

State Department officials realized that if Germany began a widespread campaign of commerce raiding as was believed possible at the time the submarine U-53 attacked allied shipping off the New England coast, it might be extended to Mexico. The great oil fields there, the principal source of fuel oil for British war vessels, it thought, might attract German submarines for the purpose of destroying tank steamers carrying oil to enemy warships.

It was said to-day the Mexican government is without sufficient means to insure protection of its neutrality and that it might be taken to prevent any violation of Mexico's neutrality by operation of belligerent submarines within its territorial waters or the establishment of a submarine base on the Mexican coast. The information was conveyed, a State Department official said to-day, in a wholly friendly spirit and not at the suggestion of any of the belligerent powers.

What a pity she doesn't know that Resinol Soap would clear her skin

"She would be a pretty girl, if it wasn't for that pimply, blotchy complexion!" But the regular use of Resinol Soap, aided at first by a little Resinol Ointment, would probably make it clear, fresh and charming. If a poor skin is your handicap, begin using Resinol Soap and see how quickly it improves.

Resinol Soap and Resinol Ointment are sold by all druggists. For free samples of each, write to Dept. 4-N, Resinol, Baltimore, Md.
