GETTYSBURG HAS WINNING ELEVEN

Look Like Winners This Year in Game With Bucknell at Island Park

Island Park will be the scene of a battle royal Saturday, November 18, when the football elevens representing Bucknell and Gettysburg Colleges, will meet in their annual contest. About ten years ago, these two teams played at Lewisburg for the first time and the battlefield collegians carried off the laurels with a 10 to 0 score. Since 1906, these two institutions have had a yearly contest, except in 1911, when the two teams did not meet. The record of games won in the present series gives the decision in six of their nine games to Bucknell, while Gettysburg has been successful in three of the contests.
In 1912, the first contest was staged on the Island grounds and in every game played in the Capital City, Bucknell has proved itself supreme. Year after year, the Gettysburgians have attempted to lower the careers of Bucknell, but have always fallen short. This year Coach Johnson's proteges will have to go their best to defeat the battlefield collegians. The Gettysburg team is about the best that has represented that institution since the star eleven of 1906.
Coach Berryman has built around Rote, the former Central high star, a well balanced and formidable machine. He has attracted attention not only by his field generalship and forward passing, but his open field running has brought forth favorable comment as he has sidestepped and zigzagged through the opponent's defense. Besides Rote, there are other Harrisburg boys who hold positions on the varsity squad, Emanuel, Houtz and Loudenslager.
Although Coach Berryman has a team which can be depended upon to put forth the "punch" at the right time, still in Bucknell no easy opponent will be found. In Welsharr, Hopler, Hendren and Mangan, the Lewisburgians have a veteran backfield. This combination proved its worth in last year's game and demonstrated that it was able to gain consistently.

WELLY'S CORNER
According to information received to-day, neither Central or Tech will play a regular game with the Harrisburg Academy team. A general opinion prevails that both high schools made a big mistake by not having the Academy eleven scheduled. Everybody believes that Coach Schlichter's team is in the same class as Central and Tech. It was thought week-day games might be arranged, but efforts along this line were unsuccessful.
Frank Chance will return to Chicago to manage the Cubs, according to a letter received from Joe Tinker by a relative in Philadelphia. Tinker is in the woods hunting and dispatches will not reach him for a week.
Penn's hard luck is on. Harry Ross one of the star backs, was injured in practice yesterday. He was thrown to the ground in a scrimmage and it is believed fractured his knee. This is the third serious accident of the season to Penn players.
National and American League players will be given new contracts to sign according to Dave Fultz. It is said that a complete revision of present contracts is under way and that managers and officials will approve them at an early date.
When Central high humbled Nanticoke, 55-7, on the muddy Island gridiron Saturday, it was with a different line-up than they had previously used. Coaches Smith and Harris found that Martz was a fine backfield man, that Good was even a better guard than center, that Gregory was a good end, Rose a fine tackle, and other things too numerous to mention. The switch in the arrangement of players was a complete surprise to most of the fans, who expected the same line-up as against Steulton a week ago.

CAPTAIN OF U-53 TELLS OF TRIP ACROSS ATLANTIC
Berlin, Nov. 7.—Captain Hans Rose, of the German submarine U-53, gives an interesting account of the voyage of the submarine to American waters and his impressions of Newport and of the activity of the submarine off Nantucket. Despite the seriousness of the mission of the submarine, says Captain Rose, the voyage was marked by many touches which relieved the tedium and the dispiriting effects to the men of being confined several weeks clamped down in their cockshells.
The weather conditions during the trip at times were very bad, but the submarine surmounted them so successfully that the practicability of making the trans-Atlantic round trip not once, but under virtually all conditions, might be regarded as having been demonstrated. Storms were faced, which would have tested the stoutness of surface boats even of the greatest dimensions.
Once off the Grand Banks the submarine hove to like an ordinary steamer. Mountainous seas were running, but the underwater boat rode the waves without taking water on her conning tower or bridge. When the submarine left the Gulf Stream some of the crew suffered severely by the drop of 25 degrees in temperature within six hours.

DICKINSON CHANGES WORK
Carlisle, Pa., Nov. 7.—Short signal practice was held by the Dickinson College coaches following the game with Delaware Saturday. The men for the most part came out of the contest in good shape and will be worked hard during the week, as the authorities expect that Haverford will be a tougher proposition than Delaware. New plays were given to the men to-night, and will be worked out, the attack Saturday to be along a line not previously tried this season. Scrimmages with Conway Hall and the Carlisle Indians will be held to give the first-string men strenuous practice.

WELSH IS WILLING
Toledo, Ohio, Nov. 7.—Freddie Welsh will accept a boxing bout with Johnny Kilbane only on his own terms, according to a message received last night by local promoters from Welsh's manager. The communication was in response to an offer made by the club for a twelve-round non-decision bout between the two champions.
The lightweight champion accepted the offer of \$10,000, but his demand is that the weight shall be 135 pounds at 2 o'clock in the afternoon of the fight. Kilbane is said to insist on articles of agreement calling for 133 pounds ringside, the legitimate lightweight limit.

CHARLEY WHITE WINS EASILY
Philadelphia, Nov. 7.—Charley White gave Johnny Nelson a terrible lacing at Olympia, last night, but could not put the sturdy Fort Richmond lightweight to sleep. The Chicago boxer, who was in the pink of condition, hammered and battered Nelson all around the ring, but Johnny, although in pretty bad shape, was on his feet when the final bell rang. White knocked Nelson down with rights and lefts, and again he simply wore him down from terrific punching about the body with both hands. The visitor scored knock-downs in every round but the fifth, Nelson being on the mat eight times during the progress of the contest, and he took the full count each time he was down.

CHARLEY WHITE WINS EASILY
Philadelphia, Nov. 7.—Charley White gave Johnny Nelson a terrible lacing at Olympia, last night, but could not put the sturdy Fort Richmond lightweight to sleep. The Chicago boxer, who was in the pink of condition, hammered and battered Nelson all around the ring, but Johnny, although in pretty bad shape, was on his feet when the final bell rang. White knocked Nelson down with rights and lefts, and again he simply wore him down from terrific punching about the body with both hands. The visitor scored knock-downs in every round but the fifth, Nelson being on the mat eight times during the progress of the contest, and he took the full count each time he was down.

WELSH IS WILLING
Toledo, Ohio, Nov. 7.—Freddie Welsh will accept a boxing bout with Johnny Kilbane only on his own terms, according to a message received last night by local promoters from Welsh's manager. The communication was in response to an offer made by the club for a twelve-round non-decision bout between the two champions.
The lightweight champion accepted the offer of \$10,000, but his demand is that the weight shall be 135 pounds at 2 o'clock in the afternoon of the fight. Kilbane is said to insist on articles of agreement calling for 133 pounds ringside, the legitimate lightweight limit.
