

INSTITUTE FOR DAUPHIN COUNTY

Chairman Edward S. Keiper Arranges For An Interesting Series This Month

The annual farmers' institutes in Dauphin county under the auspices of the Pennsylvania Department of Agriculture will be held this month with sessions at Gratz on Monday and Tuesday, November 13-14; Halifax on Wednesday and Thursday, November 15-16, and at Lingiestown on Friday and Saturday, November 17-18.

County Chairman E. S. Keiper, of Middletown, has arranged attractive programs for the Gratz, Halifax and Lingiestown meetings and has been assigned the services of E. B. Dorsett, of Mansfield, State expert in farm management and marketing and dairying; F. H. Fassett, of Meadshopp, expert in matters pertaining to apple, peach and fruit culture; Paul R. Guldin, of Yellow House, a poultry expert, and Professor Franklin Menges, of York, one of the best soil, crop nutrition and corn culture experts in the State.

Some of the subjects Mr. Dorsett will discuss are building up the dairy herd, the silo as a factor in dairying, co-operation for farmers, organization of farmers and two splendid evening lectures.

Mr. Fassett will speak on care and management of the orchard, spraying, thinning, handling and marketing, orchard insects and their natural enemies.

Mr. Guldin will talk on poultry for the general farmer, essentials of successful chick rearing, how to feed the laying hen, the business side of poultry keeping and the State and the farmer.

Professor Menges will talk on corn breeding, ways of introducing new varieties into rotation, insect life in agriculture and natural ways of maintaining the fertility of the soil.

Good Fellowship Night at Zion Lutheran Church

An interesting program is planned for to-night at Zion Lutheran Church, South Fourth street. It will be a good fellowship service, starting at 7.30, and is a continuation of the program inaugurated Sunday. These services are in commemoration of the rededication of the church proper and the dedication of the chancel, memorial furnishings, church house and memorial gifts.

Selections on the chimes by Edward Keiper will open to-night's services and will be followed with selections on the organ by Professor E. J. Decevee. Solos and duets will be a part of the musical program and visiting pastors will address the meeting.

Following are the memorials and gifts made by the different members of the church: In the church—Altar, in memory of pastors of Zion, by congregation; pulpit, in memory of John S. Two Kinds of Merchandise

Some merchandise is made just to Sell—and a great deal of this kind is sold. The store selling it thinks it is profiting by such sales. The reverse is true.

The only kind of goods that it pays a store to handle is reliable merchandise. No store that hopes to forge into the first rank will ever realize its expectations until it ceases to handle "cheap goods."

A low price point is always commendable, providing it applies to a trustworthy article, but to quote low prices at the expense of quality is dangerous.

Bowman's stand for quality—and next to that—low price.

CHARITIES BOARD MEETS TOMORROW

Numerous Hearings to Be Accorded Central and Northern Charities Here

Members of the State Board of Public Charities will begin their biennial hearings here to-morrow for the officials of Central Pennsylvania State and charitable institutions to present their estimates for legislative appropriations. Under the law the Board has authority to make recommendations to the Legislature and in the last six years its recommendations have been more and more followed until in some cases last session, what the Board recommended was taken by the appropriations committee and the Governor as a guide. This year owing to unusual conditions close attention will be given to what the board recommends.

CUT OUT MEATS IF KIDNEYS ARE TROUBLING YOU

Uric Acid in meat excites Kidneys and Irritates the Bladder.

Noted Authority says we must flush Kidneys with Salts if Back hurts.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble. The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system. When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending uric acid and bladder disorders. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

ACTRESS TELLS SECRET

A Well-Known Actress Tells How She Darkened Her Gray Hair With a Simple Home-Made Mixture

Miss Blanche Rose, a well-known actress, who darkened her gray hair with a simple preparation which she mixed at home, in a recent interview at Chicago, Ill., made the following statement: "Any lady or gentleman can darken their gray hair and make it soft and glossy with this simple recipe, which they can mix at home. To a half-pint of water add 1 oz. of bay rum, a small box of Barbo Compound, and 1/2 oz. of glycerine. These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until it becomes the required shade. This will make a gray haired person look 20 years younger. It is also fine to promote the growth of hair, and relieves itching and dandruff."

ASTHMA

Simple Harmless Remedy Brings Quick Relief.

Many cases of immediate relief and rapid recovery from Bronchial Asthma of long standing and other diseases of throat and lungs are being credited to a discovery made by Dr. Eugene Howard of Worcester, Mass. Dr. Howard's prescription, which is totally different from all usual methods of treatment for these afflictions, is called Oxidase and comes in the form of a tablet which the patient allows to dissolve slowly in the mouth. Its curative, healing action thus mingle with the saliva and enter every crevice of the irritated bronchial membranes, release the muscular constriction of the bronchial tubes, open up the air passages and regulate the spasmodic lung action. These tablets, though pleasant to the taste, are so powerful and rapid in their action that many users who for years were obliged to sit up in bed gasping for breath and unable to sleep report that they now put a single Oxidase tablet in their mouth when going to bed and can then lie down and breathe easily and naturally and get a good night's restful sleep. G. A. Gorka and many other local druggists who handle Oxidase tablets sell it on the positive guarantee of money back if it does not give immediate relief.
