DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

Hughes Is Gaining Fast

San Francisco, Nov. 8. — Returns available early to-day indicated that the contest between Wilson and Hughes in California was so close that an official count might be necessary to determine the result. With 2,152 precincts in various parts of the State out of a total of 5,817 accounted for the President was leading by about 700 votes.

Owing to the exceptional length of the ballot few precincts have been reported in either San Francisco or Los Angeles and on the result of the count in those two cities hinged the outcome. In San Francisco the city registrar estimated that Wilson would have a majority of twenty thousand. Whether this would overcome the majority cretain to be rolled up for Hughes in the Southern California city was the point with which election experts concerned for United States Senator, had a commanding lead over his Democratic opponent, George S. Hatton, and it was believed his majority would approximate \$200,000.

The two prohibition amendments which shared interest with the presidential contest early to-day appeared to have been beaten.
