THE UNWELCOME MOTHER WILLIAM FOX PRODUCTION

Violet De Bicari and two 'kiddies' in the new Fox production, 'The Unwelcome Mother,' showing at the Colonial Theater to-day and to-morrow.

QUALITY THE MOST ESSENTIAL THING IN LIVESTOCK Farm and Fireside, the national farm paper, says about livestock: 'Quality becomes more essential to profit in livestock farming each season. When labor, land, and feed were cheap it was possible to realize a profit on livestock of an inferior grade, but with the present high cost of these production factors and a constant discrimination on the market against the scrub, it has become evident that the greatest profit can be expected only from livestock of good quality. It may be possible for the feeder or dealer to make a profit on inferior livestock if he is able to buy it sufficiently cheap and sell quickly, but usually someone has not realized the greatest possible profit when a scrub goes to market. If it is not the feeder, it is the man who produced the animal.'

ORPHEUM—Friday, evening, Saturday matinee and evening — 'Fair and Warmer.' Monday evening only, November 13 — 'A Full House.' MAJESTIC—Vaudeville. COLONIAL—'The Unwelcome Mother.' VICTORIA—'Where is My Daughter?' 'Fair and Warmer,' the Avery Hopwood farce with which Selwyn and Company made the outstanding hit of last season in New York, and which they will present to local playgoers at the Orpheum for a special return engagement, Friday and Saturday and Saturday matinee, has a most uncommon distinction. During the year of its run at the Eltinge Theater, it was advertised only by its audiences. 'Fair and Warmer' sold out on its second night at the Eltinge Theater. Every night thereafter was sold out from one to twenty days ahead, and advertising was needless.

LOOK AT CHILD'S TONGUE IF SICK CROSS, FEVERISH

Hurry, Mother! Remove poisons from little stomach, liver, bowels. Give 'California Syrup of Figs' at once if bilious or constipated.

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once. When feverish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad, has stomachache, sore throat, diarrhoea, full of cold, give a teaspoonful of 'California Syrup of Figs,' and in a few hours all the foul, constipated, waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. You needn't coax sick children to take this harmless 'fruit laxative'; they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a 50-cent bottle of 'California Syrup of Figs,' which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeiters sold here. To be sure you get the genuine, ask to see that it is made by 'California Fig Syrup Company.' Refuse any other kind with contempt.

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Natural Color and Lustre at Once. Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients, costing about 50 cents a large bottle, at drug stores. Known as 'Wyeth's Sage and Sulphur Compound,' thus avoiding a lot of muss. White gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is gently intended for the cure, mitigation or prevention of dizziness.

WOMAN LORD CHANCELLOR

A woman Lord Chancellor of England! Did you realize there has actually been one? Here is the confession of the present Lord Chancellor, Lord Buckmaster, to Mrs. Alec Tweedie, who relates the incident in her reminiscences, "My Table Cloth" (Doran). "The most interesting thing about the office," he says in a note to Mrs. Tweedie, "is that it was held by a woman, Queen Eleanor, when her husband went to the wars. The result was disastrous, as feminine justice did not appear to agree with the proud stomachs of the city."
