GETS NEWS SUMMARY

Long Branch, N. J., Nov. 9.—At 11 o'clock President Wilson was given a complete summary of the news to

Mrs. Danner Has Been Helped Too

Now Both Husband and Wife Are Enthusiastic Over Master Medicine

BOTH WERE BENEFITED "For years and years I had suffered with rheumatism," says Mrs. Comfort Danner, who lives at 1852 Derry St., Harrisburg, Pa., "I was full of it and in all that time I was not able to find a single medicine that gave me any relief. "My arms and legs and body were full of aches and pains all the time and often they swelled up and caused me almost unbearable agony. "I was miserable, I had no appetite and often the pain would wake me up in the night and I would not be able to get back to sleep again but would have to lie there and suffer until daylight, for although I tried the most powerful drugs I could only get temporary succor from my pain. "Not so long ago my husband began taking Tanlac and though he urged me to try it too, I had but little faith in the efficacy of medicines after so many disappointments and I said, "No, Ed, I don't believe it will do me any good. "But when I saw what a wonderful change it brought about in his health I was convinced and I started taking this wonderful medicine myself. I never in all my life knew of such a remarkable medicine. I experienced relief from the very first and now all of my aches and pains have left me and I feel better than I have for years. "I have a good appetite, I sleep well and I do not have to use those dangerous drugs any more. Tanlac is certainly a marvelous remedy and I cannot praise it high enough. "Tanlac, the famous reconstructive tonic and invigorant is now being introduced here at Gorges' Drug Store, where the Tanlac man is meeting the people and explaining the merits of this master medicine to daily increasing crowds.

date including word that Senator Hollis claimed New Hampshire. Although the word transmitted to Mr. Wilson was almost entirely favorable, he reserved judgment.

President Wilson was informed at 10:25 o'clock in a telegram from Senator Hollis, of New Hampshire, of the change in the New Hampshire returns giving Mr. Wilson a lead of 93 votes, Senator Hollis declaring that Mr. Wilson had carried the State by that plurality. "Congratulations," he concluded.

50 Phone Calls a Minute For Results of Election

Fifty calls a minute, or almost one each second, from 7 o'clock yesterday morning until midnight, were made by telephone to the offices of city newspapers, and according to figures given out to-day by the two local telephone companies, at least 50,000 calls were made by persons who wanted to get the results of the Presidential election returns. Twenty-five direct lines to these offices were kept busy every second of the day. The hourly average of calls for the day was 3,125 and the telephone companies were compelled to keep the larger part of their employees working overtime to handle the tremendous increase. It is estimated that the number of calls increased between 35 to 60 per cent. above the normal number in the city alone. At the Bell Telephone company to-day it was announced that 85,000 calls were answered between 7 yesterday morning and midnight and that 30,000 or more of these calls were made to the newspapers for election returns. At the Cumberland Valley Office a large number of calls were made also, some of them coming in from outlying districts. The estimated number for election returns exceeds 20,000. To-day the phones were busy again, but the number of calls did not reach totals like those of yesterday.

AT THE REGISTER'S OFFICE The will of Lillian E. Day Funk was probated today although no letters were issued. Letters on the estates of Minnie N. Knoll and to Alice Burlingame were granted respectively to Josef N. Null and Homer D. Burlingame.

Official Count of Dauphin Vote Starts at Noon

Official count of Dauphin county's vote of Tuesday was begun at high noon to-day by Additional Law Judge McCarrell.

Prothonotary Harry F. Holler served as teller and Attorneys E. F. Umberger and B. Frank Nead acted as clerks. Indications are that the computation will scarcely be completed before Saturday. Mr. Nead was appointed to succeed Captain Frank E. Ziegler, Dauphin's barrister who is now serving with his company of Pennsylvania guardsmen on the Mexican border. Captain Ziegler ordinarily helps compute the election counts. The official tabulators began with the head of the ticket and counted the electoral candidates, the nonpartisan, the congressional, state and legislative figures, and then took up in order the vote Harrisburg cast for the new high school loan and the jitney ordinance amendment.

JOCKEY MAHER IS DEAD

London, Nov. 9.—Danny Maher, the American jockey, died at a nursing home in London early to-day after a lingering illness which caused his retirement from the turf three years ago. Danny Maher had the greatest record of any jockey on the English or American turf of recent years. He was a star performer on English race courses for nine years prior to his retirement. He was reputed to be worth a large fortune as the result of his turf victories.

James L. Stewart, Hill Contractor, Dies at Phila.

James L. Stewart, 1920 Market street, a prominent resident of Harrisburg and a member of the firm of Weaver and Stewart, contractors of buildings, died in the Jefferson hospital, Philadelphia, yesterday. His body is being brought to Harrisburg to-day.

Mr. Stewart was a graduate of the Pennsylvania State College where he made an enviable record. After leaving college he entered the engineering profession, finally forming a partnership in Harrisburg with V. M. Weaver, of this city. During his residence of many years in this city Mr. Stewart had made a large circle of friends and was a promoter of all good civic enterprises, and many of the fine buildings of the city are monuments to his engineering ability. Three weeks ago, after having suffered from stomach trouble for five years, Mr. Stewart went to Philadelphia, where he was placed under the care of a specialist. He was operated upon a week later, and although recovering rapidly suffered a relapse, which caused his death yesterday morning. His wife was with him in Philadelphia at the time of his death. Mr. Stewart is also survived by his mother, Mrs. Samuel Stewart; two sisters, Miss Edith and Miss Bessie Stewart, and two brothers, Edward and William, all of Tyrone.

ADMITS HE'S A ROBBER

John Black alias Becker, arrested last Monday night in the Marysville railroad yards, charged with carrying concealed deadly weapons, has confessed to robbing a store in a small New Jersey town, according to railroad police. The authorities also claim that he is a paroled prisoner from Trenton, N. J.

IF THE ELECTION GOES TO CONGRESS

House Then Will Name a President as Was Done in 1801 and 1825

Washington, D. C., Nov. 9.—In case there should be a serious controversy over the election of a President, the Constitution provides that the presidential electors shall meet in their respective states and vote by ballot for President and Vice-President. The President of the Senate opens the certificates of the electors as the votes are counted. The person having the greatest number of votes for President is declared President if such number be a majority of the whole number of electors appointed. If no person has such majority, then from the person having the highest number, not exceeding three, of the list of those voted for as President, the House of Representatives shall choose immediately by ballot the President and Vice-President.
