New Hampshire Chairman Denies State Has Gone For Wilson; Hughes Ahead

Concord, N. H., Nov. 9. — Philip H. Faulkner, chairman of the Republican State committee issued the following to-day:

"The claim that New Hampshire has gone for Wilson is unsubstantiated by any returns in our possession.

"Fully 40 per cent of the town clerks throughout the State have rendered no official return of the vote, but such unofficial figures as we have, verified in every quarter of the State indicate that Mr. Hughes has carried New Hampshire by something less than 100 plurality.

"We have well fortified information of irregularities in the counting of votes in many quarters and we have to-day instituted proceedings for an inspection of all the votes cast in the State on Tuesday, as our law provides.

"George A. Fairbanks, of Newport, one of the Hughes presidential electors, is the petitioner in this action and we expect to have the New Hampshire ballots in the hands of the Secretary of State before the close of another day.

"We do not concede New Hampshire to the Democrats and are prepared to substantiate our claim of Republican victory before any competent tribunal.

Grape-Nuts Flavor

Grape-Nuts food is probably the most appetizing form in which honest wheat is utilized as food.

But to whole wheat is added malted barley in making Grape-Nuts, and the sense of taste quickens at once when a spoonful of the food is eaten with cream. For the barley has a rich, individual taste which, blended with the sweetness of wheat, creates a rare flavor recognized by the palate as unusually new and delicious.

Aside from its wonderfully vitalizing value as a food, Grape-Nuts has a flavor that has made it a favorite everywhere.

Says "Darned Kicker" Is Slanderous and Demands \$5,000 Damage in Suit

Not only is David Hoffman far from being "a darned kicker," as Charles E. Lebo last Monday so blatantly stated in a way that all who listened could hear, but his marital relations have been always above reproach and he has always been a "good true, well behaved and honest citizen," according to his suit filed today against Lebo for slander.

Hoffman in his statement declared that Lebo not only wickedly "darned" him as a "kicker" but he intimated that Hoffman's marital fidelity was questionable. All of which he adds has not only hurt his feelings, but his reputation as well—to the extent of \$5,000. He demands that sum in trespass.
