IF BACK HURTS TAKE SALTS TO FLUSH KIDNEYS

Says Backache is sure sign you have been eating too much meat.

Uric Acid in meat clogs Kidneys and irritates the bladder.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged, and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications. A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

"Holy Holler," Who Killed Niece, Weds

Nazareth, Pa., Nov. 9.—Refused a license to marry by the Northampton County court, Miss Cora Kindt, a seventeen-year-old girl of this borough and Robert B. Bachman, about fifty-years-old, a widower with three children, slipped out of town in Bachman's auto, and accompanied by Miss Mary Bachman, a niece, motored to Elkton, Md., on Monday, where they were married by Rev. John M. Elmore.

The news of the marriage created a sensation when it became known upon the return here of the couple from Elkton. The wedding is the culmination of a long and rather unusual romance. Bachman, several years ago, in religious frenzy, while practicing the rites of the "holy rollers," as the religious sect to which he belonged was known, killed a niece. For this offense he was sent to an insane asylum, but several months ago was released.

About a year ago Bachman's wife died and Miss Kindt went to his home as housekeeper. She fell in love with Bachman, and despite the objections of her family stated her determination to marry him.

Test For Adamson Law Is Back of Western Law Suit

Omaha, Neb., Nov. 9.—The Union Pacific Railroad Company filed suit in the United States Court here yesterday to test the constitutionality of the eight-hour law recently passed by Congress and known as the Adamson act. Thomas S. Allen, United States district attorney, and four Union Pacific trainmen representing the different railroad brotherhoods are made parties defendant. The bill of complaint alleges that the law is unconstitutional because it is not a proper regulation of interstate commerce, because it violates the guarantees of the fifth amendment to the Federal Constitution and because it is unworkable as applied to existing conditions under which the trainmen are operating. The bill is a printed document of considerable size and contains copies of all the schedules under which the trainmen work.
