217 Democrats and 214 Republicans Are Indications For House

New York, Nov. 10.—With the result in five districts still in doubt early to-day the returns on the congressional elections indicated that 215 Democratic members of the House of Representatives and 211 Republican members have been elected, giving the Democrats a plurality of four. Two of the missing districts are normally Democratic and three nor-

mally Republican. Their adherence to their usual political affiliations, therefore, would give the Democrats 217 and the Republicans 214 members, or a Democratic plurality of three. Four members of other parties have been elected to the House.

The districts from which the final result has not been received are four in West Virginia and the New Mexico district.

The Senate on the basis of the latest returns will stand 54 Democrats to 42 Republicans, a Democratic majority of twelve.

WOMAN MURDERER, CHARGE

A coroner's jury after an inquest last night in the courthouse recommended that Mrs. Mary Washington, colored, be charged with murdering Henry Robinson, also colored, who died last Saturday in the Harrisburg hospital from burns he sustained several weeks ago. According to the testimony of Nellie Napper and John Bell, Robinson and the Washington woman had been arguing and drinking, and the woman threatened to kill Robinson. Later, they declared, she set fire to Robinson. Before the flames could be extinguished his entire body was badly burned. County authorities within the next few days will probably bring a formal charge against Mrs. Washington.

DAUPHIN SPENT \$6,143 TO VOTE

Commissioners Pay Bills; Official Count in City Completed This Afternoon

Dauphin county election costs just \$6,143.20, according to bills for election officers, rentals for printing rooms, contractables, etc., practically all of which were paid to-day by the county commissioners. Official tabulation of Harrisburg's vote cast at Tuesday's presidential election was completed early this afternoon by Additional Law Judge S. J. M. McCarrell, Prothonotary Holler and Attorneys B. F. Umberger and B. Frank Nead, the tally clerks, and the computing began immediately with the computation of the county districts. By to-morrow noon at the latest it is expected the count will be completed, although it is possible that the long columns of figures will not be totaled until late to-morrow afternoon or Monday morning.

The hour was taken up the returns from each district on the returns for the candidates, the school loan and the litney amendment measure together so that the figures can be had cleaned up simultaneously.

Not Same Old 'Coon.—Assistant District Attorney Robert T. Fox was host Wednesday evening at a 'coon and rabbit dinner' at his home in Hummelstown. The 'coon was a juicy specimen from Adams county which Mr. Fox, Attorney A. Ross Walters and some other local huntsmen had captured a few days ago. The appointments were especially attractive, the dinner cards having been worked out in the autumnal suggestion of water color oak leaves, which were tiny paper mache 'coon dogs. Guests included President Judge George Kunkel, Additional Law Judge S. J. M. McCarrell, State Senator E. E. Biddleman, ex-State Senator John E. Fox, Assistant District Attorney F. B. Wickcrasham, C. M. Hershey, A. Ross Walters, Allan K. Walton, Allan G. Walton, James G. Fox, Thomas A. Fox, Jr., and Robert T. Fox.

Ask \$5,000 Damages.—In a statement filed to-day in an assumpsit action against C. M. Annie and W. H. Hoffman demand \$5,000 damages for injuries the former received July 7, 1914, when a car owned by Forney and driven by son Harry is alleged to have run down Mrs. Hoffman near Oyster's Point. The plaintiffs each demanded \$2,500. An agreement had been reached, the statement explains, by which Forney was to have paid the damages, but he only paid a portion of it.

Thirty-Four Precincts Still Missing From Cal.; Wilson Ahead 3,160

San Francisco, Nov. 10.—One more precinct in California has been reported by 9.30 a. m. to-day reducing the missing ones to 34. The total with the new precinct stood Hughes 462,551; Wilson, 465,711. Wilson's plurality, 3,160.

This was an increase of 29 votes for Wilson over last night. Seven precincts were lacking from Humboldt county in the northwest corner of the State and seven from Kern, in the oil fields. Humboldt went for Hughes and Kern for Wilson. The others were scattered.

Election officials here said it would be impossible to check these missing precincts because of lack of knowledge as to exactly which precincts in each county were missing. Efforts to clean up the State vote were put forth by news associations and by the organizations of the two big parties. Usual means of communication were supplemented by the forest service telephones in the Sierras, and automobiles and horsemen were sent out on roads and trails where there was no telegraph communication.

YOU WANT PINK CHEEKS

Every woman wants pink cheeks. They mean not only beauty but health. Then put the color in your cheeks, not on them. The glow of health is the red of healthy blood showing through translucent skin. It is impossible without rich, red blood.

When a girl's color fades and she looks debilitated, is short of breath, when her heart palpitates after every slight exertion and she has pains in various parts of the body she needs Dr. Williams' Pink Pills for Pale People. They are the remedy best suited to restore the blood, bring brightness to the eyes and put color in the cheeks and lips.

The only other treatment needed costs nothing. It is this. Give the patient plenty of sunlight, moderate exercise every day, not enough to cause fatigue, and use care in the diet because the food craved is often not the best for the condition.

Two books, "Building Up the Blood" and "What to Eat and How to Eat" give just the information that every mother of a growing girl needs. They are free. Write for them today to the Dr. Williams Medicine Co., Schenectady, N. Y. Your own druggist sells Dr. Williams' Pink Pills or you can send fifty cents for a full-size package.

"Gentleman Burglar" Is Put to Rout by Women

Pittsburgh, Nov. 10.—The "Gentleman Burglar" for the second time in a week visited the Colonial Hotel, and, as on his previous visit, it was a woman's room he entered.

The burglar, who has not forgotten any of his politeness, attempted to crawl through the window into the room on the seventh floor occupied by Miss Marion Carroll, a dancer. Miss Carroll was awakened by a footstep, and seeing a burglar about to enter her room she screamed. "Don't get frightened, lady," the intruder declared, "I will not molest you."

During his conversation he continued to crawl through the window, but when Miss Carroll insisted on screaming the intruder retraced his
