STEEL RAILS GO UP

New York, Nov. 10. — The United States Steel Corporation to-day announced an advance of \$5 per ton in the price of standard steel rails, Bessemer being quoted at \$38 and open hearth at \$40. It is expected that all other manufacturers of rails will take similar action. The prices quoted to-day represent an advance of \$10 over those in vogue for many years up to the early part of this year, when the rates stood at \$28

and \$30 for Bessemer and open hearth,
