The style trend of young men's "OVERCOATS" this season is toward military lines. Every new idea in an "OVERCOAT" takes definite form here. Our large and varied stocks include new belted back models, pleat backs, form-tracing ulsters and ulsterettes, dressy coats and loose-fitting effects. The values are strictly up to the DOUTRICH standards—and that's always just a little better (dollar for dollar value) than you can get elsewhere at
