# SONG RECITAL SUCCESSFUL WEEK ATP.R.R.Y.M.C.A. **New Members Enrolled Exceed**

All Expectations; Business Men's Night

SATURDAY EVENING,

FRAILROAD CWST

Reports from W. A. Patton. Nation-al Chairman of the nation-wide mem-bership campaign for railroad asso-clations, reports to-day, that the first week will exceed all expectations. Harrisburg will add 60 new members. The work next week will be vigorous, in order that the maximum may bo reached. It is expected that at the open house celebrations the local P. R. R. Y. M. C. A., will add at least 50 new members. If this total is reached the local association will reach the limit. To date 60 new members have been added. night at the Orpheum theater, where she appeared in song recital, assisted by Carmine Fabrizio, violinist, Melville A. Clark, harpist, and Mrs. Ross David at the piano.

It must be recorded that the con-cert was nowhere near up to Mr. Bur-lingame's usual standard. In Miss Wilson, Harrisburgers realized they were hearing a distinguished visitor, but not a distinguished singer. Her tone lacks freedom, and is not well focused, thereby losing resonance and carrying power. The unevenness is largely due to an unnecessary lifting and moving of the tongue, which also arrests the pure flow of tone and vowel, so much desired by every singer. Miss Wilson does however, strive to get into the spirit of every yong, and she has considerable tem-perament. She is charming to look at, and has a warm friendly smile. **Program Not Heavy** 

The total number to date signed up in the United States is 11475 The total number to date signed up in the United States is 11,475. The highest for one day is 3,316. On the Pennsy lines a total of 2,553 members were enrolled. The New York Cen-tral reports, 2,118. On Monday night a special report will be made in connection with the open house program, for businessmen.

at, and has a warm friendly smile. Program Not Heavy Her program was not very heavy or exacting. The German group was the most pretentious, and included songs by Grieg, Kaun, Schumann and Franz. She was most successful, how-ever, in songs of the Folk or Ballad type, like "Leezie Lindsay," "Faithfu" Johnnie" and "Danny Boy." She re-sponded to encores during the evening with a charming lullaby and Thayer's "My Laddle." She received an abundance of beautiful flowers which she accepted charmingly. Mr. Fabrizio appeared in a group of three short numbers for violin, He plays well, but with no marked su-periority. He was well received, however, and responded with a well-known Kreisler number. Meiville A. Clark played several small pieces, arranged for the harp, using the large modern harp for his first group and the small Irish harp ior fine child his offerings, probably because the harp, and es-pecially the Irish harp is somewhat of a novely. His numbers lacked contrast both in tempo and mood, and the result was suggestive of a music box. Mr. Clark we feel sure is cap-able of better and bigser things. Mrs. Ross David at the ptano de-serves a very great deal of praise, Her accompaniments were excellent and always musicianly. For the remainder of the season Mr. Burlingame has listed artists of international reputa-tion, so that the high standard ho has set will be fully sustained. **Mrs. Melick to Address** 

### Mrs. Melick to Address **Preparedness Branch**

U-BOAT CORRESPONDENCE U-BOAT CORRESPONDENCE Amsterdam, Nov. 13. — Captain Persius, the German naval critic, says in the Berlin Tageblatt, that the Ger-man government has published a white book containing copies of the correspondence between Berlin and Washington on the question of subma-rine warfare. Captain Persius de-scribes the controversy as "a hard fight for the right" and expresses the hope that a similar correspondence will not occur again.
