

COLLEGE GAME ON ISLAND TO-DAY

INDEPENDENTS TO MEET FAST TEAM

Hancock Five, Last Season's Sensation, Attraction at Auditorium

The Independents yesterday afternoon held their final practice before their game with the Hancock five of Philadelphia in Chestnut Street Hall. The team is in the best of condition and a royal battle is looked for. Last year the Hancock team of the American League, made a wonderful record defeating such teams as Lancaster, York, Bridgeton, N. J., and a number of the coal region teams.

To Introduce Players
The Hancock players will be introduced before the game, and in this matter the fans will know who the stars of the game are. The game will start promptly at 8.15 and a special dance program is being arranged by Miss Sara Lerner. The teams will line up as follows:

INDEPENDENTS HANCOCK
N. Ford..... F..... Powell
McCord..... F..... Wittig
Gerdes..... C..... Sutton
G. Ford..... G..... Armstrong
Geisel..... G..... Wood

President Johnson Smiles; Says Strike Talk Is Bosh

Chicago, Nov. 18. — President B. Johnson, of the American League was not worried to-day about the threatened "strike" on baseball players, nor does he believe that the proposed new baseball commission set in motion at New Orleans will interfere with the national commission of which he is a member. Mr. Johnson said the figures given over misleadingly instead of only twenty-five players having hold over contracts in the major leagues, "there are probably sixty men in the American League alone whose contracts run over next season. I am not worrying about any possible strike and neither are the owners in our league. The National Commission has in the past been able to handle the cases which have come up and I think they will be able to do so in the future."

INTEREST IN SCHOLASTIC GAMES

Interest in scholastic games to-day was not lacking. Central plays at Reading; Tech at Williamsport and Steelton at Lebanon. Much importance is placed in all three games. A victory for Tech will add to their chances for season's honors. Central is expected to have an easy time. One other local game was played, Harrisburg Academy and Gettysburg Academy lined up in annual battle, this morning on Academy field.

MICHIGAN HAS HEAVY TEAM

Ann Arbor, Mich., Nov. 18. — The University of Michigan winds up its 1916 football schedule here this afternoon in a clash with the University of Pennsylvania. The men of both elevens are reported to be in excellent condition and each team is confident of victory. Pennsylvania will be slightly outwitted by Michigan, but it is conceded that Coach Folwell has developed a team of unusual speed and skill in handling the ball.

TINKER TO MANAGE CUBS

Chicago, Ill., Nov. 18. — Joseph B. Tinker virtually has been agreed upon as manager of the Chicago National League club next season, it was announced last night after a conference between Tinker and Charles H. Weeche, president of the club. No contract has been signed, however, but Tinker, before departing on a hunting trip, said he expected to sign next week.

FRAT TOBACCO
In This World Cost Double
In Duo-Paper Package 5c
Since Frat Tobacco came out in the Patterson duo-paper package at 5c, smokers who spend 10c for tobacco in tins pay 5c for the empty tin. Think it over!

Official Line-up For Annual Battle Today on Island Between Gettysburg and Bucknell

Position	Bucknell	Gettysburg
Left end	Dent	Gilliland
Left tackle	Baker	Markle
Left guard	Kerth	Loudenslager
Center	Gilbert	Richards
Right guard	White	Dulebohn
Right tackle	Peale (capt.)	Craig
Right end	Waddell	Emanuel
Quarterback	Silberstein	Emanuel
Left halfback	Baldauf	Stratten (capt.)
Fullback	Hopler	Moyer
Right halfback	Hendren	Stoney

Officials—Umpire, Thomas Crooks; University of Pennsylvania; referee, Dr. John Kough; University of Pennsylvania; head linesman, "Tod" Eberle, Swarthmore; field judge, A. K. Brumbaugh, Lehigh.

WELLY'S CORNER

Ames Lawrence, a Steelton star, will be in Bucknell's line-up to-morrow. He is a three-year man at Lewisburg and during that time has won much prominence by his football work. When at Steelton Lawrence was a star. His friends will watch his work with interest to-morrow.

In the future minor league grievances will be aired by a board of five members which will include the president and secretary of the minor body and the major league presidents and a fifth man who shall be neutral. It is proposed to take certain powers away from the national commission. It is claimed the higher body tables too many minor cases.

Dispatches predict baseball troubles due to the fact that the national commission failed to take up certain appeals from the Players' Fraternity. No one will predict what course is to be pursued, but it is the belief that there will be a conference of all baseball players called to take up the important questions.

Central High basketball will be played at Chestnut Street Auditorium. Tech High will have the Armory this year. Both teams have interesting schedules.

President John K. Tener says the McGraw case is a closed incident. He is also opposed to any change in the national commission and does not look for any.

LOCAL GUN CLUB A. A. T. A. MEMBER

Will Increase Interest in Trap-shooting in This Vicinity; Medals For Winners

J. H. Troup, Jr., Secretary of the Harrisburg Academy Gun Club has received word from Stanley F. Withe, national secretary of the American Amateur Trapshooters' Association that the local club has been admitted to affiliation with that body. The American Amateur Trapshooters' Association which is the amateur trapshooters' national organization has for its president the well-known composer and bandmaster John Philip Sousa. John S. Spear of St. Marys, President of the Pennsylvania State Sportsmen's Association and popular among the shooters is vice-president of the national association.

Medals For Winners
Affiliation with the national organization will greatly increase the interest in trapshooting in this vicinity since it gives the local club the privilege of holding shoots for the various medals and trophies awarded by the American Amateur Trapshooters' Association for averages made in club shoots. The most popular awards are the proficiency medals of bronze, silver and gold which are awarded for averages of 75, 80, 85, 90 and 95 per cent. The national association also awards special medals to women shooters for scores of 50 per cent or over. It is anticipated that there will be considerable interest in these medals among local shooters.

Large Membership
Although in existence for less than a year the American Amateur Trapshooters' Association has had a rapid growth and is now one of the most far-reaching organizations in the sport world. Twelve hundred clubs, distributed among 40 States with a total membership of 60,000 shooters, are now affiliated.

In addition to uniting all amateur trapshooters and trapshooting clubs for mutual benefit and the improvement of the sport the A. A. T. A. is endeavoring to increase interest in club shooting and to bring about a greater development of the individual trapshooters in the same way that the National Rifle Association is fostering the interests of the rifle shooters.

ARMY TICKETS ALL GONE

West Point, N. Y., Nov. 18.—All of the Army's share of football tickets for the Army-Navy game in New York has been distributed. Lieutenant James B. Crawford, secretary and treasurer of the Army athletic council, announced last night that not a ticket was left. The Army had 15,000 seats and the demand was far greater than the supply. The itinerary of the Army eleven and the battalion of cadets who will go to New York for the battle on November 25 is being arranged and will be made public in a few days.

BUCKNELL'S TEAM HEAVY

Bucknell's only advantage over Gettysburg at the start was in weight, it was said that Gettysburg was five pounds to a man lighter than their opponents. Bucknell also had the tackle player in Captain Beale. Gettysburg however has a fast team. Coach Berryman had a squad of 30 men and gave notice he was after a scalp. Rote, the local star, who is with Gettysburg, was given an ovation. The other Harrisburgers were not overlooked. Rote was picked as Gettysburg's hope. He has been a big factor in previous victories. The officials of to-day's game are the best ever seen in Harrisburg. They were picked because of their ability and knowledge of the game.

Benjamin Briscoe's Masterpiece

Benjamin Briscoe is one of the earliest pioneers of the motor car industry. He has built more than 250,000 light, moderate-priced cars. He has always concentrated on this division of the industry. There are more than a million cars now running that bear the mark of his genius, for he is the originator of the modern principle of radiation. As the climax of his career, Mr. Briscoe spent nearly two years in Europe, employing the most noted German, French and Swiss engineers, and at an expense of half a million dollars created the

BRISCOE \$625 FULLY EQUIPPED

THE CAR WITH THE HALF MILLION DOLLAR MOTOR

The Briscoe Four Twenty-Four is light but strong. It is rigidly built, evenly balanced, tested and proved. Here you will find ample leg room in front or rear seats for passengers six feet tall. The Briscoe Four Twenty-Four is as beautiful as it is sturdy. Its upholstery is the kind you see in cars at \$1,000 and \$1,200. Its sides are high and its seats are deep. The Briscoe Four Twenty-Four is fully equipped with every modern up-to-date convenience. You won't have to spend a cent for speedometer, gasoline gauge, demountable rims, one-man top, electric headlights, eye-saver ventilating windshield, electric starter, linoleum running boards and other conveniences, which, if you bought, would cost \$200 or more! They are built in. Here's a real motor car for the family of moderate means and those too who are looking for real efficiency no matter what the price. You will own this Briscoe Four Twenty-Four with pride. It will give you happiness of possession.

Come and See This Economical Car

and let us take you for a spin. Drive yourself or let your wife drive, or your daughter. Pick the roads yourself. A card of introduction which will entitle you to a free demonstration, will be sent to you if you will mail or phone your name and address.
