

CAPTAIN HARRIS ON CRUTCHES--MINORS WIND UP ANNUAL MEETING IN SOUTH

CAPTAIN HARRIS IS ON CRUTCHES

May Be All Right For Game With Steelton on Saturday

"Eddie" Harris, captain of the Tech High School football eleven, is on crutches with a badly infected right ankle. The attending physicians are hopeful that he may be in condition to play in the Steelton contest Saturday.

In a desperate effort to strengthen the defensive side of the Maroon team the coaches promise to give the line a shake-up that will displace several of the men playing on the front line of defense. That the offense is stronger than the defense is evidenced by the fact that Tech has scored in every game played so far this season. When Tech takes the field Saturday several new faces are likely to be seen in the line-up.

Preparations for Big Game

Preparations are well under way for the Thanksgiving contest that will this year be under the management of the Tech advisers. The Municipal band will furnish music for the Tech student body and will play several of the songs and cheers for the Central game. The most elaborate program ever prepared for this contest will be published in the program which will contain the names of the individual members of the teams, stating their height, weight, position and number of years they have played on the squad. The coaches will also be given attention. The players, with individual numbers, will be another feature of the program and the contest.

JUNIORS WANT GAMES

The Susquehanna Juniors will meet any team with an average weight of from 60 to 70 pounds. Games will be played at Front and Bohas streets. Manager August Townsend will be in charge for Thanksgiving Day. He resides at 264 North street.

American League Meeting; to Consider Demands

Chicago, Ill., Nov. 21. — Ban Johnson, president of the American League, announced yesterday that the annual meeting of the league will be held at Hotel LaSalle in Chicago on December 12.

One of the chief topics of discussion at the meeting will be the demands made by the Players' Fraternity. The players are said to have banded themselves firmly together to prevent anything like the cuts in salaries that are predicted with the demise of the Federal League. Several magnates have announced their intentions of taking a generous slice out of the salaries of players whose war-time contracts expire this year. There are only about 25 players in both leagues who hold contracts for 1917. The others will refuse to sign new contracts, it is said, unless the fraternity is granted its demand for a new form of contract.

FAVORS THIRD BIG LEAGUE

Chicago, Nov. 21. — Ban Johnson, president of the American League, "would not oppose" the formation of a third major league, he said yesterday, when recent gossip concerning such an organization was brought to his attention.

"In fact," said Mr. Johnson, "I rather like the idea." As Mr. Johnson was the foremost foe of the Federal League his attitude was regarded with unusual interest.

"This suggested in connection with a third league are Baltimore, Buffalo, Newark and Toronto, Toledo, Indianapolis, Louisville and Milwaukee. The plan as at present discussed is to raise these cities to major league standing by placing them outside the draft."

WALTZ BEATS PHILA. BOY

Lancaster, Pa., Nov. 21. — In the final bout of Frankie Erne's club last night between Billy Waltz, of Lancaster, and Harry Sullivan, of Philadelphia, the Lancaster boy forced the light winning four rounds, the second and fifth being even. Waltz, of Lancaster, bested Dutch Shaffer, of Wayneboro, in a bout that went the limit. Allen Putt, Litz, defeated Dick Caldwell, Boston Athletic club last night. The committee also rejected the time of 24-2-5 seconds for a 250-yard hurdle around a turn made by Fred W. Kelly, Los Angeles, as no entry blanks or programs were printed in keeping with laws governing the running of events.

FLEMING HOLDS WELSH

Philadelphia, Nov. 21. — Buck Fleming, of the University of Chicago, defeated Freddie Welsh, lightweight champion of the world, to an even break in six fast rounds in the final bout at the Olympia A. C. Welsh was the first two rounds, and the last two were even, but in the third and fourth Fleming made a great rally out-pointing the title holder.

Bits From Sportland

Haas of the Jolly Five team in the Casino Tenpin League is leading the race. In 18 games he had a total of 3523 points, and an average of 196. Montgomery of the Electric is second with 185.

The Hercules Gun Club of Reading will hold a winter contest February 8 and 9 at Reading.

Central high and Harrisburg Academy held a scrimmage on Academy field this afternoon. Central plays Wilkes-Barre on Saturday and Academy goes to Lebanon.

J. G. Martin, H. B. Shoop and Samuel Reed have gone to Potter county to hunt. A. H. Roberts and J. L. Shaffer will join the Harrisburgers to-morrow.

Dayhoff's injury will mean a heavy loss for Steelton. He was the big point score for the Taggart bunch.

Tickets for the Army-Navy game on Saturday are in demand in Harrisburg. One pair has loomed up. Prices are scoring in New York for this game.

Irwin Baer of Hummelstown will manage the Hummelstown basketball team this season.

In a football game between Mifflin and York on Saturday afternoon, played at Mifflin on Saturday. Chester Fasiak, had his right leg broken below the knee, a bad break; and Jack Kyle, suffered a break in his right collarbone.

Navy Has Secret Practice; Will Keep Busy Two Days

Annapolis, Md., Nov. 21. — Under Lieutenant Ingram, the Naval Academy squad began its final preparations for the army game yesterday. Practice was secret, except for members of the Navy contingent, and practically by the whole regiment of Midshipmen was present. The Navy has encouraged the team by yells and songs. This will be continued during the week.

The Midshipmen will practice here to-day and Wednesday afternoons and Thursday morning, and will have an opportunity of working out on the Polo Grounds on Friday and perhaps Saturday morning.

A. A. U. APPROVES SEASON RECORDS

Will Permit Professionals to Act With Board of Managers

New York, Nov. 21. — One of the oddest things that has happened in the annals of the Amateur Athletic Union took place yesterday at the annual meetings of the organization in the Astor Hotel, when the delegates decided that it was all right to have professionals on the board of managers of the body which controls amateur sports in this country. Some of the leading lights of the A. A. U. can hardly be classed as "Simon Pure," and there was an element in the association which wanted to see them put under the ban.

One of the prominent members in the Metropolitan district who would have gone by the board would have been Herman Oberbuesing, the hand-dipper of this association, for he had a handicap for every man whose hand he met. The constitution proposed that none other than an amateur should sit in the councils, but the delegates voted down the amendment. Of course, those on the outside looking in may laugh at the fact that the professionals are allowed to work the destinies of the amateurs who are disqualified if they run in a novice meet twice.

Approve New Record

Among the records passed favorably upon by the body was that made by "Ted" Meredith, former captain of the Penn track team, who committed a new intercollegiate 440-yard time last Spring of 47-2-5 seconds. Binga Diamond, of Chicago, was credited with the same mark later, but this was disallowed because the track was found to have been short.

Bob Simpson's record of 14-3-5 seconds for the 120-yard high hurdles, that Marshalltown, Iowa, set in a mile indoor walking mark of George H. Goulding, of Toronto, 13 minutes and 37 seconds.

The new fifteen-mile walking mark of 2:06-1/2, made by Edward Rense at Celtic Park, New York, was rejected on account of indifferent timing. Dave Caldwell, Boston Athletic Association, who was credited with 1:13-1-5 for 600 yards, at Newark, N. J., will not have his mark accepted because there was no order around the track.

The committee also rejected the time of 24-2-5 seconds for a 250-yard hurdle around a turn made by Fred W. Kelly, Los Angeles, as no entry blanks or programs were printed in keeping with laws governing the running of events.

MINORS FINISH ANNUAL POWWOW

Hand Down Several Decisions; Explains Muscatine Decision

New Orleans, La., Nov. 21. — The board of arbitration of the National Association of Professional Baseball Leagues finished consideration of disputed cases and adjourned. Decisions announced included:

Claims allowed—Terre Haute awarded \$25 from Duluth; Player Gilmore vs. Lawrence, Mass., club; Minneapolis awarded \$300 from Winnipeg; St. Paul awarded \$23.55 from Scranton, Pa.

Players awarded—Catcher Snyder awarded to Brooklyn, claimed by Macon, Ga.

Claims disallowed—Player C. F. Parker vs. Lowell club; Player A. L. Walter vs. Hagerstown, Md., club; Player Clare Senefv vs. Raleigh, N. C., club.

Players Gus Helling and W. H. Rapp, of Wichita club, refused petitions that they be declared free agents.

Board Decision

Regarding the arbitration board's decision in the appeal of the Muscatine, Iowa, club of the Central Association, Secretary Farrell stated that the board's refusal to reverse the Central Association's ruling against Muscatine's claims for the association's emolument in 1916 did not necessarily mean that Marshalltown, also a contender for the pennant, would be declared the winner. The action, it was explained, was in the nature of a recommendation, the final decision being left to the association officials. The Central Association, it was stated, threw out certain games won by Muscatine in which it was alleged the club used the association officials. The Central Association, it was stated, threw out certain games won by Muscatine in which it was alleged the club used the association officials.

Army's Final Big Drive Prior to Saturday Contest

West Point, N. Y., Nov. 21. — The final big drive for the Army contest is now in full swing in the Army's camp. The soldiers resumed their grueling work yesterday afternoon, going through two hours of hard, grinding maneuvering, with the coaches pushing all hands to the limit. All varsity men were in their positions, except Vidal.

The Cadets' star halfback was in the Springfield game Saturday longer than any of the other varsity men and the mentors permitted him to rest to-day. His place behind the line went to Ford, who has been shifting back and forth for a fortnight between the backfield and wing. Olyphant and Place were the other backs, with Gerhardt at quarter.

Daily tried out all his reserve string of quarters to-day. A suitable substitute for Gerhardt is being sought from among Kilburn, Johnson, Murrill and McNeil. Stenzel, who has been guiding the Culm Hall eleven, from which the Army recruits its material for the big squad, was taken over to the varsity to-day. He, too, was tried at quarter. Murrill's poor work last week makes it uncertain as to who will go in if Gerhardt is unable to play throughout the game.

ENTERTAIN CHESS CHAMPION

F. J. Marshall, the American chess champion, played 4 games at Penbrook Engineers Society of Pennsylvania last night. W. R. D. Hall in a consultation game drew. W. S. Harris won the first game and dropped the second. Mr. Marshall gave an exhibition prior to the games. He was also the guest of the society at dinner.

WELLY'S CORNER

Three big games Saturday, Tech vs. Steelton, Harvard vs. Yale and Army vs. Navy. The game in this city will decide the triangle contest. Tech has won from Steelton, score 14 to 0, and the Central games resulted 0 to 0, and 36 to 0 for Steelton.

The proposition for a third league looks good to baseball fans. It may not come this year. There is also a probability that the International League may undergo a shake-up and be placed on a major league basis.

Altoona High will be in the field next year with a football eleven. For eight years there have been no scholastic games in Altoona. With the return of the Mountain City boys to the gridiron game Harrisburg elevens will have a chance for new games.

As was expected, Tech has broken off athletic relationship with Williamsport High. Central took similar action two years ago. It is said that Williamsport wanted to get into the Pennsylvania Interscholastic League this season. While the action of Technical High athletic officials will receive a strong endorsement, it is the belief that Williamsport should have had a chance to be heard. It is also the belief that, having known of the treatment accorded both Central and Steelton High, the Tech officials should have insisted on some other official than Cornwall as referee.

The Central Pennsylvania Scholastic Basketball League will go through the season with five teams. Lancaster will not be a member this season. There will be no change in the schedule published some time ago except that Lancaster has dropped out. Central High will open the season at York January 26 and Tech plays Lebanon at home January 5.

With Professor E. P. Schlichter as coach, Harrisburg Academy proposes to take up soccer football and make it a varsity sport. This makes this sport a certainty in Harrisburg. Any game Academy takes up is always made popular. Coach Schlichter in charge a good team will be developed. Efforts are being made to get Central and Tech interested in soccer.

Soccer at Harrisburg Academy starts to-morrow. Very little time was lost in getting into shape after the sport had been approved by the athletic faculty. Practice starts to-morrow. Games will be played with teams in Lancaster, York and other cities.

Local high schools will send representatives to Wilkes-Barre on Saturday, December 2, for the annual marathon contest under the direction of the Wilkes-Barre Times-Leader.

Motion Pictures One of China's Greatest Needs

Dr. John J. Muldowney of the State Department of Health has just received a letter from his friend, Tong Shing Kow, who greatly de-plores the death of General Hwang Hsing and is gratified to refute the story of the distinguished Chinaman's assassination. Mr. Tong states in his letter to Dr. Muldowney that General Hwang was accorded the greatest honors, the president of the Republic having issued a mandate ordering the flags at half mast throughout China.

He was buried in the national cemetery and a bronze statue was ordered erected to his memory.

Mr. Tong speaks of many important enterprises which were under way in connection with the dead general and which will now have to be held in abeyance until he can return to China. He says: "There is one project which I sincerely hope to have delayed in its accomplishment and that is the motion pictures for China. The more I study the possibilities of the motion pictures, the more I am convinced of China's great need in this respect."

PENBROOK SEEKS GAMES

The Penbrook All-Scholastics desire to arrange a game for Thanksgiving morning to be played at Penbrook. Address all communications to C. E. Meekley, manager, or Bell phone 2842M. The following players are requested to report for practice Tuesday evening at 7:30 o'clock sharp and Friday evening at 7:30 o'clock sharp of this week at Twenty-seventh and Canby streets: Albright, Leary, Nogle, Gorman, Flory, Moore, Seburn, Hoover, Black, Augst, Loeser, Unholtz, Bobbs, Pennybaker, Weiser, Heinly
