

'Look Pa, How "Gets-It" Works!'

Lifts Your Corn Right Off. Never Fails.

"Ever in your life see a corn come out like that? Look at the true skin underneath—smooth as the palm of your hand!"

Well Now, Look at That! Off Comes That Pesky Corn as Slick as a Whistle.

The earth is blessed with the one, simple, painless, never-failing remedy that makes millions of corn-pestered people happy, and that's "GETS-IT." Apply it in 3 seconds. It dries. Some people jab and dig at their corns with knives and razors—wrap their toes in packages with bandages or sticky tape, make them red and raw with salves. Nothing like this with "GETS-IT." Your corn loosens you lift it off. There's nothing to press on the corn, or hurt. Angels couldn't ask for more. Try it to-night on any corn, callus or wart. "GETS-IT" is sold and recommended by druggists everywhere, 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

TROUBLE AGAIN WITH U. S. GERMANY FEARS

[Continued From First Page]

pe, that according to testimony of her own passengers the Arabia was armed and used her cannon; that the sea was smooth and that other vessels were near. It is argued that the Arabia, having on board a large number of coolie war workers, should be regarded as a transport.

Washington, Nov. 23. — The wording of the Berlin dispatch that "a pair of complications may be impending in German-American relations" aroused much interest in official circles, especially as the dispatch was allowed to pass a very strict censorship.

Officials refused to disclose details of the inquiries sent to Berlin on the ground that they were only inquiries for fact and would have a very bad effect on public opinion if an alarm were given only to be shown groundless.

Many of the cases now being investigated, it is admitted, may fail to develop any violation of Germany's pledges but some are known to be serious.

In the Marina case American affidavits seem conclusive but no action will be taken until Germany's reply has been received.

Y. M. C. A. BIBLE CLASS

The Rev. William C. Sanderson, the well-known Bible teacher, will meet the Y. M. C. A. Bible class to-morrow evening at 8 o'clock and give the fourth reading in the present series on "The Life of Christ" at the close of the lesson ample time will be given for questions. All are invited.

Like an Open Book For Young Mothers!

Most women look upon becoming a mother, for the first time, as something full of unknown mysteries; a agony and pain; a time of distressing days and months. These are misguided conclusions. "Mother's Friend," used daily before confinement, will prove its great value as an ally to those distressing pains and assist nature in doing its work with ease and comfort. Get "Mother's Friend" at your druggist.

The young mother should become acquainted with the information contained in a book on Motherhood that will be mailed free to all who write. Address

The Bradfield Regulator Co., 211 Lamar Bldg., Atlanta, Ga.

Nothing really worth while is cheap. It makes no difference whether it be a hat, or any other article of apparel.

Good hats—superior quality hats can be had for the same prices asked for inferior grades—provided they come from McFalls.

STEELTON NEWS

CONTRACT FOR IRON SHIPMENTS

Superior Iron Ore Reservations Become Contracts When Pittsburgh Advances

Many large reservations of Lake Superior iron ore for shipment in 1917 which have been going on the books of Cleveland ore firms for weeks virtually became contracts on Wednesday of this week on the announcement that some sales had been made at Pittsburgh at an advance of \$1.30 a ton over this year's prices. In summing up the situation the Iron Age of today says:

"For some time it has been urged by ore interests that if vessel charters went 50 cents above the 1916 rate the ore advance should be more than \$1. In the past week the vessel rate has been established at \$1.10, including unloading charge, or \$1 net, which is the expected 50 cents increase. With their higher labor, fuel and supplies, the ore companies figure an 80-cent increase in their cost and consider that an advance of 50 cents a ton would be but a fair share in the prosperity of pig iron and steel interests, making the total \$1.30.

"Bessemer ores have been rapidly taken up for next year in view of heavy foreign buying of lower phosphorous pig irons and some producers have little to offer. Estimates of next year's ore movement run from 65,000,000 to 67,000,000 tons. Apart from labor and fuel shortage, which will prevent pig iron output from rising far above the present rate, there is the fact that Lake Superior stock piles contributed largely to this year's shipments and that all next year's output must be newly mined.

"The general advance of 10 per cent in wages by the Steel Corporation, effective December 15, was not expected until the first of the year, but it is in line with the drift at all iron and steel operations throughout the country. Some of the independent steel companies have already announced a similar advance effective in December."

Shifter Severs Right Leg of Officer Geyer of Steel Co. Force

Rolling down a pile of cinder, W. E. Geyer, a member of the Bethlehem Steel Company police force, lost his right leg when run over by a shifter last night.

The officer was coming down off the pile of cinder when he lost his balance and rolled onto the tracks. He resides at 915 South Ninth street, Harrisburg, and had been in the employ of the steel company for several months.

Relief Association Will Announce Dividend Dec. 1

The Mechanics and Helpers Relief Association, in session last evening, postponed the announcement of its dividend until December 1. Officers elected were: President, H. K. Lehman; vice-president, G. H. Gallagher; recording secretary, R. E. Proud; assistant secretary, C. E. Scott; financial secretary, C. M. Pannell; treasurer, J. C. Attick; trustees, J. H. Coats, J. B. Gilbert, Elmer Smeigh, H. E. Bowman, James Handley, H. B. Long and C. M. Pannell.

Steelton Snapshots
