

RHEUMATISM AFTER HIS DAY'S OUTING Hunting Trip On a Wet Day Brings Painful Results

Once upon a time Charles Mullen, of Philadelphia, went gunning. It was a dismal rainy day, and long exposure to cold and wet brought on a severe attack of rheumatism. He was confined to his home. A friend recommended Sloan's Liniment, citing his own case as evidence of its effectiveness. Mullen bought a bottle and applied it to his aching limbs. Soon improvement was noticed and he was able to return to business. Mr. Mullen writes: "Since that experience I have used Sloan's Liniment in all my rheumatic attacks, sprains, toothache and relieve lame back, neuralgia, in fact all external pains. At all druggists, 25c., 50c. and \$1.00 a bottle."

How to Get Rid of Catarrh, Catarrhal Deafness or Head Noises

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if rhinoid drops in your throat and have caused catarrh of the stomach, bowels you will be glad to know that these distressing symptoms can be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Squeeze from your drug store 1 ounce of Parmitin (Double Strength). This will not cost you more than 75c. Take this home and add to it 1/2 pint of hot water and 4 ounces of granulated sugar; stir until dissolved. Take one tablespoonful four times a day. A decided improvement is sometimes noted after the first day's treatment. Breathing becomes easy, while the distressing head noises, headache, dullness, cloudy thinking, etc., gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which are often overcome by this efficacious treatment. Nearly ninety per cent. of all ear troubles are said to be directly caused by catarrh, therefore, there must be many people whose hearing can be saved by this simple home treatment.—Advertisement.

Here's An Old-Fashioned Recipe For Croup, Colds and Sore Throat

There is one safe remedy for children which always gives quick relief. It is called Wonders. For croup, sore throat, colds on lungs or pains in chest, give a little melted in a spoon, and apply also on brown paper or flannel over throat and lungs as a plaster. It never fails to loosen up the cold and never burns or blister. I saw a case of membranous croup cured when the doctor gave it up," writes Mrs. Coleman, of 324 Eighth street, Troy, N. Y., and Mrs. L. Dame, of Brooklyn, writes, "I have found that Wonders is a wonderful relief in cases of nasal catarrh and colds in the head or lungs. Wonders is an antiseptic made from purest ingredients according to a physician's prescription and standard for over 50 years. It is prepared locally at Geo. A. Gargas' or any other reliable druggist. Mothers of Harrisburg are invited to try this wonderful medication.—Advertisement.

AVOID ALLMEAT IF KIDNEYS AND BLADDER BOTHER

Uric Acid in meat excites Kidneys and irritates the Bladder.

Take Salts at first sign of Bladder weakness or Kidney-Backache.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again there is difficulty in voiding it. Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again. Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever. Here you have a pleasant, effervescent lithia-water drink which quickly relieves bladder trouble.—Advertisement.

Miss Anna Isabelle Pancake Is Bride of T.W. Spofford; Immediate Families Present
