#### HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY-TRY THIS!

Says glass of hot water with nosphate before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up with-out a headache, backache, coated out a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside-bathing every morn-Before breakfast each day, drink a

glass of real hot water with a tea-spoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A guarter pound of limestone physical stomach is the stomach and such as the stomach and such as the such as a harmless means of washing from

and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside-bathing will have them both looking and feeling better in every way.

#### HOW TO GAIN FLESH

Remarkable Statement of a Woman who was Nothing But Skin and Bones.

Skin and Bones.

Laugh and grow fat is a homely saying, but Mrs. Elizabeth L. Morris, of Hammond, La., tells of a more reliable method. She says:

"I cannot say enough in praise of Vinol, for it saved my life. I was nothing but skin and bones. Three doctors had all failed to help me. One day I saw Vinol advertised, took courage and bought a bottle, and it soon made me feel better. I continue disuse and such a change! I have regained my strength, flesh and health, am perfectly well, and the doctor was surprised to see such a change in me in such a short time." Elizabeth Morris, Hammond, La.

The reason Vinol proved such a wonderful strength creator in Mrs. Morris' case was because of the beef and cod live peptones, iron and manganese peptonates and glycerophosphates combined in a pure native tonic wine, which makes Vinol a most wonderful tonic.

Robert W. Moorhead Delivers **Excellent Talk on Conditions** After the War Ends

"The Shock of Peage" was the sub-

"The Shock of Peage" was the subject of an address by Robert W. Moorhead, president of the Moorhead Knitting Company, before the Harrisburg Rotary Club at the weekly luncheon of that organization at the Columbus Hotel to-day.

Mr. Moorhead, whose company ships extensively to the foreign field, especially those countries left without a supply when the war closed the mills and the markets of Europe, has made a careful study of trade conditions as they will be likely to exist after the fighting is at an end. He is not one of those who looks for country-wide disaster at the close of the conflict. He summed up his views in a few words when he said:

"The American business man is much like the driver of an automobile riding along on a smooth road with everything going well but who knows that a few miles ahead is a stretch of rough road. If he is wise he will stop long enough to examine his shock-absorbers."

Among the "shock-absorbers" available, Mr. Moorhead said, are our big bank surpluses both in the great money centers and throughout the country; our prosperity at home; the inability of Europe to regain all the old markets now held by America because buyers abroad have learned to like American-made goods; the shattered forces of European workmen; the facts that the railroads will be big buyers of steel when munition contracts are withdrawn and the inventiveness and resourcefulness of the American people.

Mr. Moorhead went at length into his subject and illustrated his remarks by the use of charts placed on the walls of the dining room.

#### Dauphin's Barristers Pay Tribute to Memory of Musser and Fleitz

Simple and impresive services in memory of John Hall Musser and Frederic Waldorf Fleitz, members of the Dauphin County Bar, whose deaths occurred last week, were observed this afternoon, at 1 o'clock, by the united bar of the county.

The memorial service was held in No. 1 courtroom, and President Judge George Kunkel, of the Dauphin County Courts, presided. Harry B. Saussaman and Job J. Conklin served as clerks.

Billy" LaMance Opens Four Weeks' Campaign

Refore a crowded church auditorium and Sunday school room at Stevens Memorial Methodist Church, last night, Evangelist "Billy" LaMance opened his four weeks campaign with one of the biggest evangelistic sermons in the city since the Stough campaign in 1914.

It was his third talk of the day, and the best of the three. For more than an hour the evangelist attacked sin, aiming many of his pointed remarks at the church members who try to solve moral problems by meditation," and to-morrow, at noon, he will talk at the Thanksgiving service at the Moorhead Knitting Company plant.

STATUTE OF LIMITATION
LETS DR. BECKER OUT
In sentencing Harvey S. Bomberger to-day to pay a fine of \$100 and the costs for violating the State Livestock quarantine law, President Judge Kunkel of the Dauphin county courts asked very pointedly why Dr. J. N. Becker, an employe of the State board hadn't been arraigned with Bomberger. Becker had not been arrested although the jury after hearing the facts also raised the question of his responsibility. Becker, it appears, cannot be brought into the case now because of the expiration of the statute of limitation.

Bomberger had permitted milk to be shipped from the farm upon which he was employed while the cattle on the place were under the State's ban because of the prevalence of the foot and mouth disease. He was arraigned for sentence to-day and Judge Kunkel imposed the minimum penalty. The mimum is \$100 and costs.
