

PLAN NEW FEATURES FOR THANKSGIVING GAME---CAPTAIN HILTON LEADS

JUST A TIP FOR FINAL BIG GAME

If You'd Have Central-Tech Game More Interesting Get a Tech Souvenir

If pictures, statistics and other data about the game and the teams right at hand and in convenient form help to make a football clash between Central and Tech High Schools more interesting to you, Mr. Watcher and the Girl on the grandstands and bleachers, then it's up to you to grab a souvenir football booklet that is being prepared for distribution at the Thanksgiving Day game on the Island.

The souvenir program is a 24-page booklet, attractively bound in gray, with pennants of Central and Tech colors. In design, make-up and contents the little volume will prove just about as handy a manual to have access to at the big high school classic next Thursday that anyone who follows the game might want. Furthermore, the proceeds from the very nominal charge that has been fixed will be divided on a fifty-fifty basis between the two schools.

Tech Officials in Charge
All the financial, publishing and advertising arrangements incident to the game this year will be in Tech's hands and J. F. Rees, of the Maroon and Gray faculty, has charge. The souvenir has been prepared and designed by Mr. Rees, who was assisted by the following trades school students, serving as "ad" solicitors: Andrew Musser, William Cohen, Lambert Kinch, William Keane and Kraybill, Palm and Winemiller.

If you doubt, incidentally, that that "staff" shouldn't give advertising managers much food for thought, just scan the heavily laden pages of "ads." And here's what you'll find between the souvenir covers: Full-page halftones of both teams, halftones of coaches, captains and managers; statistics giving number, name, age, weight and number of years each man has played on his team; line-up as to position and substitute; referee, umpire and head linesman; a place to keep score; 1916 records of the two teams and the previous Thanksgiving scores. Finally, it's printed by the Telegraph. Oh! it's SOME book!

Central High Cheer Leaders Thanksgiving Day Attraction

There is no discounting the Central High cheer leaders as a big feature at football games. This octet has no equal in Pennsylvania. This year they have new features. Watch them on Thursday. They will be in evidence. As pictured above these cheer leaders are: Front row, left to right: Miss Ruth Richards, Miss Martha Creswell, Miss Francis Dunlap, Miss Helen Rote. Back row: George Spangler, Allison Skinner, Paul Selsam, Harold Eckert.

POINT SCORERS FOR LOCAL TEAM

Captain Hilton of Central Leads in Season's Work; Fields Is Star

Central used six different players during the season to tally 181 points while Tech called upon nine of its varsity players to ring up the 119 counts credited to that school.

Captain Harris of Tech has the novel distinction of being the only player of the two schools who has registered field goals. "Eddie" made his first one in the Steelton game, and the following week made another one against the Wilkes-Barre crew.

Captain Hilton is high scorer for the two teams, making 11 touchdowns for a total of 66 points. Fields, the freshman fullback of the Central eleven, is next high scorer with 54 tallies, resulting from eight touchdowns and six goals from touchdowns. Wait, the Central quarter, also is in the lead of any of the Tech players. The full statement of individual point scorers follows:

Player	Touchdowns	Goals from Touchdowns	Field Goals	Totals
Hilton	11	0	0	66

Rifle Club Members to Apply For State Charter

Plans for having the Harrisburg Rifle Club incorporated were discussed at last night's meeting. Members to the number of fifty met in the club-rooms in the Weth building. The question of a site for a range was also being discussed. The club holds an option on West Fairview ground, but will investigate several other plots before closing. These committees were appointed:

POSTPONE BASEBALL MEETING

Chicago, Ill., Nov. 28.—The special meeting of the national baseball commission scheduled to be held to-day was postponed until next Saturday because of the inability of President Tener, of the National League, to be present. President Tener, of the American League, also announced that the annual meeting of the league, which had been set for December 12, had been postponed two days. It will be held in Chicago.

GETTYSBURG WORKS HARD

Gettysburg, Pa., Nov. 28.—The low score of 12-3, which Gettysburg was held to against St. Mary's on Saturday, was due to a large degree to the absence of Rote, Laudenslager and Fisher from the line-up. Nevertheless, it has opened the eyes of Gettysburg to the fact that perhaps Franklin and Marshall has been holding something back, all ready to spring at the opportune moment. Gettysburg is planning to have visitors to Hopkins, Villanova, St. Mary's George Washington, Bucknell and her great stand against West Virginia, while Franklin and Marshall has not a single victory on her record.

WILLARD AGREES TO FIGHT

Chicago, Ill., Nov. 28.—A meeting of heavyweights was discussed yesterday between Jess Willard, heavyweight champion, and Tex Rickard, boxing promoter, of New York, and the announcement was made that Willard looks favorably upon a match suggested by the New York promoter. Neither would say who Rickard plans to have meet the champion, but the conference will be continued to-morrow.

MORNING GAME AT PENBROOK

The Penbrook All-Scholastics will play the Susquehanna A. C. team at Penbrook Thanksgiving morning. The game will be called promptly at 10 o'clock in order to allow the visitors to catch a train home, where they will play a game in the afternoon. The All-Scholastics are in good condition and expect to give the representatives from the upper end of the county a hard game.

Don'ts For New Crop of Hunters

The conservation of human life is worth while. These don'ts are intended for the new crop of youngsters who are going in the woods and fields for the first time. It is also intended for those who are careless.

- Don't point firearms at any human being or domestic animal. Keep the muzzle toward the ground or in the air.
- Don't take a loaded firearm into a house, vehicle or boat.
- Don't set firearms down without unloading.
- Don't shoot without knowing what you are shooting at.
- Your hunter's license does not give you the right to hunt on posted land, reservations, parks or within the city limits. Landowners have a lawful and moral right to say who may hunt on their property.
- Respect rights and they will have more respect for you and your sport and recreation.—North American, Philadelphia.

FACTORY MANAGERS MEET

Anville, Pa., Nov. 28.—Various managers of the distributing houses of the A. S. Kreider Shoe Company spent part of last week at the Anville home office looking over the samples and preparing for the new season. The following are the branch managers: H. Cushman, Chicago; H. L. Sollenberger, St. Louis; H. C. Harlan, Harrisburg; J. S. Baker, New York city; A. S. Kreider, Jr., Philadelphia. Other distributing house representatives were William J. Dallas, Philadelphia, and C. C. Cushman, Chicago. The following factory managers were also present: E. S. Gerberich, Middletown; W. A. Winters, Elizabethtown; G. R. Kreider, Palmyra, and A. H. Kreider, Lebanon.

THIEVES AT ANNVILLE

Anville, Pa., Nov. 28.—Thieves have been busy in Anville and vicinity during the past week. The refrigerator on the back porch of Dr. I. K. Ulrich, in West Main street, was ransacked and all the provisions taken. At the bakery and residence of S. M. Blunk some tables were stolen. At several other places persons were heard prowling around, but were evidently frightened away.

GARNETS TO PLAY HERE THURSDAY

Central and Tech Teams to Be Guests of Harrisburg Independents

Basketball fans of the city will be pleased to know that the Philadelphia Garnets will play the Independents Thanksgiving night. The Garnets will line up the same as last year, with the exception of Dave Kerr, who is playing a wonderful game for Jasper, of the Eastern League. Bill Jamison will fill Kerr's place at center. The Garnets are favorites in Harrisburg and always play a good, clean, fast game.

Williamsport is Surprise

The Williamsport team proved to be a surprise on the Independents' schedule, as little was known of the caliber of their team, and the locals had a hard time winning by one point. The team work and passing of the locals was none of the best in Saturday's evening game, but with two hard workers this evening the locals will be the best of condition for the games this week.

FOOTBALL TOLL TWELVE DEATHS

Decrease Over Number of Fatalities Last Year; Those Who Were Killed

Chicago, Ill., Nov. 28.—Football fatalities for the season were under the 15-year average. This year the toll of the gridiron was 12 dead, not to mention the scores who met with injuries, some of which were serious. Last year the total was 16, against 13 in 1914 and 14 in 1913. The largest number of deaths in the last sixteen years was in 1903, when 44 players were killed. The list of killed this year follows:

Bloodpoison Fatal

November 13—John Kuby, 17 years old, Freeport, Ill., played stepped on abdomen during scrimmage; peritonitis developed and an operation failed.

November 13—Harold E. Watson

17 years old, Mendville, Pa. Died from internal injuries received in being tackled. Had been forbidden to play by parents. Said nothing about his injury until intense pain caused parents to secure medical attention.

November 15—Hiram Cole, 19 years

old, Mexico, Mo., student of Central College, Fayette, Mo. Died from injuries received in game with the Missouri Military Academy. He was tackled and struck his head on the frozen ground. He never regained consciousness.

November 22—Ephraim Angell, 20

years old, of Imperial High School, Elcentre, Cal. Died from broken neck. Was running with ball when tackled by three players.

November 23—Cyril Pritchard, 17

years old, Elgin (Ill.) High School team. Died following surgical operation to remove bloodclot on the brain resulting from an accident in a game on November 11.

November 26—Elmer L. Carlquist,

17 years old, Chicago. Died from tetanus which developed from a cut received on hand November 12. While playing in a practice game he fell and cut his hand on a piece of glass while attempting a tackle.

WELLY'S CORNER

Lebanon High officials tried to get Steelton for a Thanksgiving Day game to play off the recent tie score. Steelton is through for the season. Lebanon offered big cash inducements.

An effort will be made to-night to start a basketball league. Plans will be discussed at a meeting to be held at the store of George W. Bogar, in Market Square. The public is invited. While interest centers in the organization of a league on Allison Hill, teams throughout the city will send representatives.

It is not an easy thing to organize

a basketball league with twelve or more prospective teams ready to enter. The one idea that appears to fit Harrisburg is the Cleveland plan. Play all games under intercollegiate rules. Classify teams according to individual age—a, over 21 years, b, under 21 years, c, under 18 years, d, under 16 years. Require each individual to give a personal contract. Have a series of real sport rules that will assure real sport, and see that rules are enforced.

Buck made Steelton's touchdown

Saturday Dayhoff figured in the forward pass that brought the score. Credit to whom credit is due, Buck was a big factor in Saturday's game, and no one wants to rob him of his glory. Those Steelton boys were all in the game. They will watch Thursday's game from the side lines.

As has been the custom, Central

High eleven will go to Carlisle for a secret workout Thursday morning. They will return at noon and be welcomed by the Central student body. Following a parade, the march to the Island will be in order.

The race in the Casino Bowling

League for honors is close. Haas, of the Jolly Five, and Montgomery, of the Electrics, are tie with an average of 185. Haas bowled a total of 3890 in 21 games and Montgomery 3333 in 18 games.

The Greeks and Romans of Harrisburg

Academy held a cross-country run to-day. The course was two miles and there were thirty entries.

The Harrisburg Academy eleven

closed the season with much glory in spite of the one defeat at Lebanon. The local players scored 196 points against 23 by their opponents. Captain Phillips, William Britsch, Jack Froelich and the Bennett boys were big stars. Every player on the team was prominent in the good work. It was the best team the Academy has ever had, according to football enthusiasts.

Modest Ohio Champions

Make No Schedule Claim

Columbus, Ohio, Nov. 28.—Ohio State University, which won the western conference football championship Saturday by defeating Northwestern, 23 to 3, will make no extravagant schedule demands next Saturday when western conference athletic representatives meet in Chicago to prepare next season's football schedules. So far Ohio State has contracted for only one conference game next season, beginning with Illinois on Ohio Field, the date to be determined later.

Since joining the conference

Ohio State has desired football games with Chicago and Minnesota, but has been unable to obtain them. It is said that games with these colleges are desired next year, but that no unusual effort will be made to get them because of Ohio State's newly won honor of champion of the conference.

L. W. St. John, athletic director

of Ohio State, probably will represent the Buckeye school at the Chicago meeting Saturday.

RECORD FOOTBALL RECEIPTS

New Haven, Conn., Nov. 23.—The gross receipts from the Yale-Harvard football game Saturday were \$153,000, according to a statement of the Yale Athletic Association to-day. The expense incurred in building 16,000 temporary seats and in handling the crowd amounted to \$20,000, so the two universities will divide, share and share alike, \$133,000. This is the largest amount ever taken in at a football game in America. Yale's half of the \$123,000 will go toward paying the deficits of the crew, track teams and the minor sports team. It cost the athletic association \$20,000 to run the crew and \$12,000 is the annual deficit of the track team.

Tech Eleven Works Hard;

Students Prepare For Parade

Following the 6-6 tie on the Island Saturday with Steelton, Tech got right down to business yesterday afternoon. Former Coach Pendergast was out in uniform and was a big help.

The students of the school will meet

with the Municipal band prior to the game, either Tuesday or Wednesday, in order that the cheering and singing may be up to the usual Tech standard under the direction of Cheer Leaders Sutch, Bratten, Todd, Johnson and Stroup.

Why falter on the HILLS

Hill-hesitation is galling to your average driver. His sporting-blood boils when a 1910-Complex flivvs past on the first long pull with apparent ease and matter-of-factness. Invariably he bawls-out his motor and labels it "a cheese." But—ten-to-one, the motor itself is guiltless. The real cause is faulty lubrication.

If your car does the hesitation on the grades, look first to the oil you are using.

The Atlantic Refining Company, the oldest and largest manufacturers of lubricating oils in the world, have produced a group of four motor oils that answer every lubrication question, under any and all driving conditions.

Polarine, the leader of the group, is the correct lubricant for 8 out of 10 cars. The alternatives are Atlantic "Light," Atlantic "Medium" and Atlantic "Heavy."

At least one of these four is the exact oil for your particular motor. Your garageman will advise you which to use to get 100-percent results.

Atlantic Motor Oils bear the same relation to lubrication that Atlantic Gasoline—the accepted standard—bears to fuel.

Advise with your garageman at once on this matter of motor oils. His long experience with Atlantic products and all kinds of cars will prove valuable to you.

Read up on this subject. We have published a handsome and comprehensive book about lubrication. It is free. Ask your garage for it. If they cannot supply you, drop us a postal and the book will be sent you without charge.
