## STAGE IS SET FOR BIG BATTLE

### Central-Tech Contest Closing Football Feature; Expect Record Crowd

The stage is set for the big football game at Island Park to-morrow afternoon. Central and Tech will meet in their annual championship battle at Island Park. The big battle starts at 2:30. At the finish of this game the lid will go down on football for the present season.

Fair weather to-morrow means a record crowd. Interest this season is strong because of the results in the previous games. Tech leads to-day in the picking of to-morrow's winner. Central, however, figured as a heavier team by almost seven pounds to a man has many backers. Betting was even to-day.

This year the arrangements are in charge of Tech officials. This means the Central student body will occupy the bleachers on the west side of the field. Tech students have been assigned to a section of the regular baseball bleachers with the regular patrons.

**Auto Parking Plans**  
Arrangements have been made for parking automobiles so that the crowd will not be interfered with along the side lines. Chief of Police J. Edward Wetzel has arranged for a force of 30 patrolmen who will see

that the ground rules are enforced. Special arrangements have been made for the press and side-line officials including the coaches. The officials are the best that have ever been picked. Steelton high eleven and students, and the Harrisburg Academy rooters will be part of the big crowd. In order to avoid the rush at the gates tickets were sold to-day in advance at J. Harry Messersmith's store and there was a steady demand. Holders of these tickets will be admitted through a special gate and will avoid the big crowd.

#### Varsity Teams To Start

Both teams will start with their regular varsity line-ups. Central High squad in charge of Coach Leo Harris left early this morning for Carlisle where they will spend the day in secret practice. The team will get a hard workout to-day, and will rest to-night at Hotel Wellington. To-morrow morning after a light practice the squad will take a special train for Harrisburg, arriving shortly after 1 o'clock.

The Central High cheer leaders with the Commonwealth band and the student body will meet the players at the Pennsylvania Railroad station and escort them to the Island. Tech students will meet at the school at 1:30 and headed by their cheer leaders and the Municipal band will march to Island Park. New features in cheers and songs will be introduced by both schools.

According to reports Tech will have the advantage of substitutes. Their hopes are built on Beck, Captain Harris and Lloyd. Central looks for Hilton and Fields to be big factors. There has been considerable controversy regarding the weight of the players. Officials of each school furnished the following statistics:

CENTRAL—		Weight	Age	Yrs. on team

## PREVIOUS SCORES IN LOCAL SERIES

### Tomorrow's Battle May Be Last if Schools Unite Next Year

Records show that Tech has won once and tied Central another time in all of the thirteen previous contests. The other 11 games have been decisive victories for Central. The two elevens have been battling yearly since 1905. In that year and in 1909 two games were played.

In the 13 contests Central has scored 169 points to Tech's 19. Two years ago with Clarence Beck leading the Maroon, the Walnut Streeters captured their lone triumph 19 to 12. This year the team will look to the younger brother, Carl Beck, to lead the way.

"It is said that this lad has already picked out the pair of \$7.50 shoes that will be given the Tech player making the longest run."

#### May Be Last Game

Chances are that with the new plan for high schools going into effect shortly, this will be the last opportunity for the two high schools to meet on "Turkey Day." In that event it will likely be a question of Steelton against Harrisburg. A resume of previous games is given:

Year	Central	Tech
1906—Second game	23	0
1907	11	0
1908	12	0
1909—First game	11	0
1909—Second game	20	0
1910	6	0
1911	11	0
1912	12	0
1913	0	0
1914	12	19
1915	3	0
1916	4	?
Totals	169	19

#### BASEBALLS UP IN PRICE

Chicago, Nov. 29.—Baseballs will cost from ten to fifty per cent. more next season than last, depending upon the market price of the materials, local sporting goods dealers announced to-day. It was also announced that the price of golf clubs will be advanced from thirty to fifty per cent. next season. The general manager of a large sporting goods house compiled figures to show that certain materials entering into the manufacture of baseballs and golf clubs have increased in price from sixty to four hundred per cent. within the year.

#### FISHER TO LEAD NAVY

Annapolis, Md., Nov. 29.—Thomas G. Fisher, who played left end on the Naval Academy team against the Military Academy eleven Saturday, has been elected captain for the season of 1917. Fisher is from Oxen Hill, Md., and played on the team of Eastern High School, Washington. Fisher has played third base on the nine ever since he entered the academy. He is 22 years old, 5 feet 7 inches high and weighs 164 pounds. It is of interest to note that L. McJones, captain of West Point, is also a product of Washington High School football.

## Independents in Shape For Big Game Tomorrow

The Independents held a practice in Chestnut street hall this afternoon in order to be in the best of condition for their game with the strong Garnet team of Philadelphia. The Garnets are well known to the basketball fans of this city and always give the Independents a hard battle.

On each side of the hall, a section of the seats will be reserved for the Central and Technical high school football teams, and extra seats will be placed in the hall to accommodate the large holiday crowd. The game will start promptly at 8:15 and a special dance program is being arranged by Miss Sara Lemer's orchestra. Manager Ehlers announced that he will endeavor to bring Haire and Deines to Harrisburg for this game. They are playing in the Pennsylvania State League. Dave Kerr, the big center who appeared in this city last year with the Garnets will not be with the team as he is filling center with the Jasper team of the Eastern League.

#### LEBANON VALLEY TEAM HERE

Anville, Nov. 29.—The Lebanon Valley Football team will stop over to-night in Harrisburg enroute to Lewisburg where they play Bucknell to-morrow. The reserve team will meet the varsity in Harrisburg and accompany them as far as Sunbury, where they play the high school of that place. Much enthusiasm was shown by the student body over this game before they left on their Thanksgiving vacation yesterday. Many have planned to accompany the team together with the College Band.

## No License For Garden May Stop New York Contests

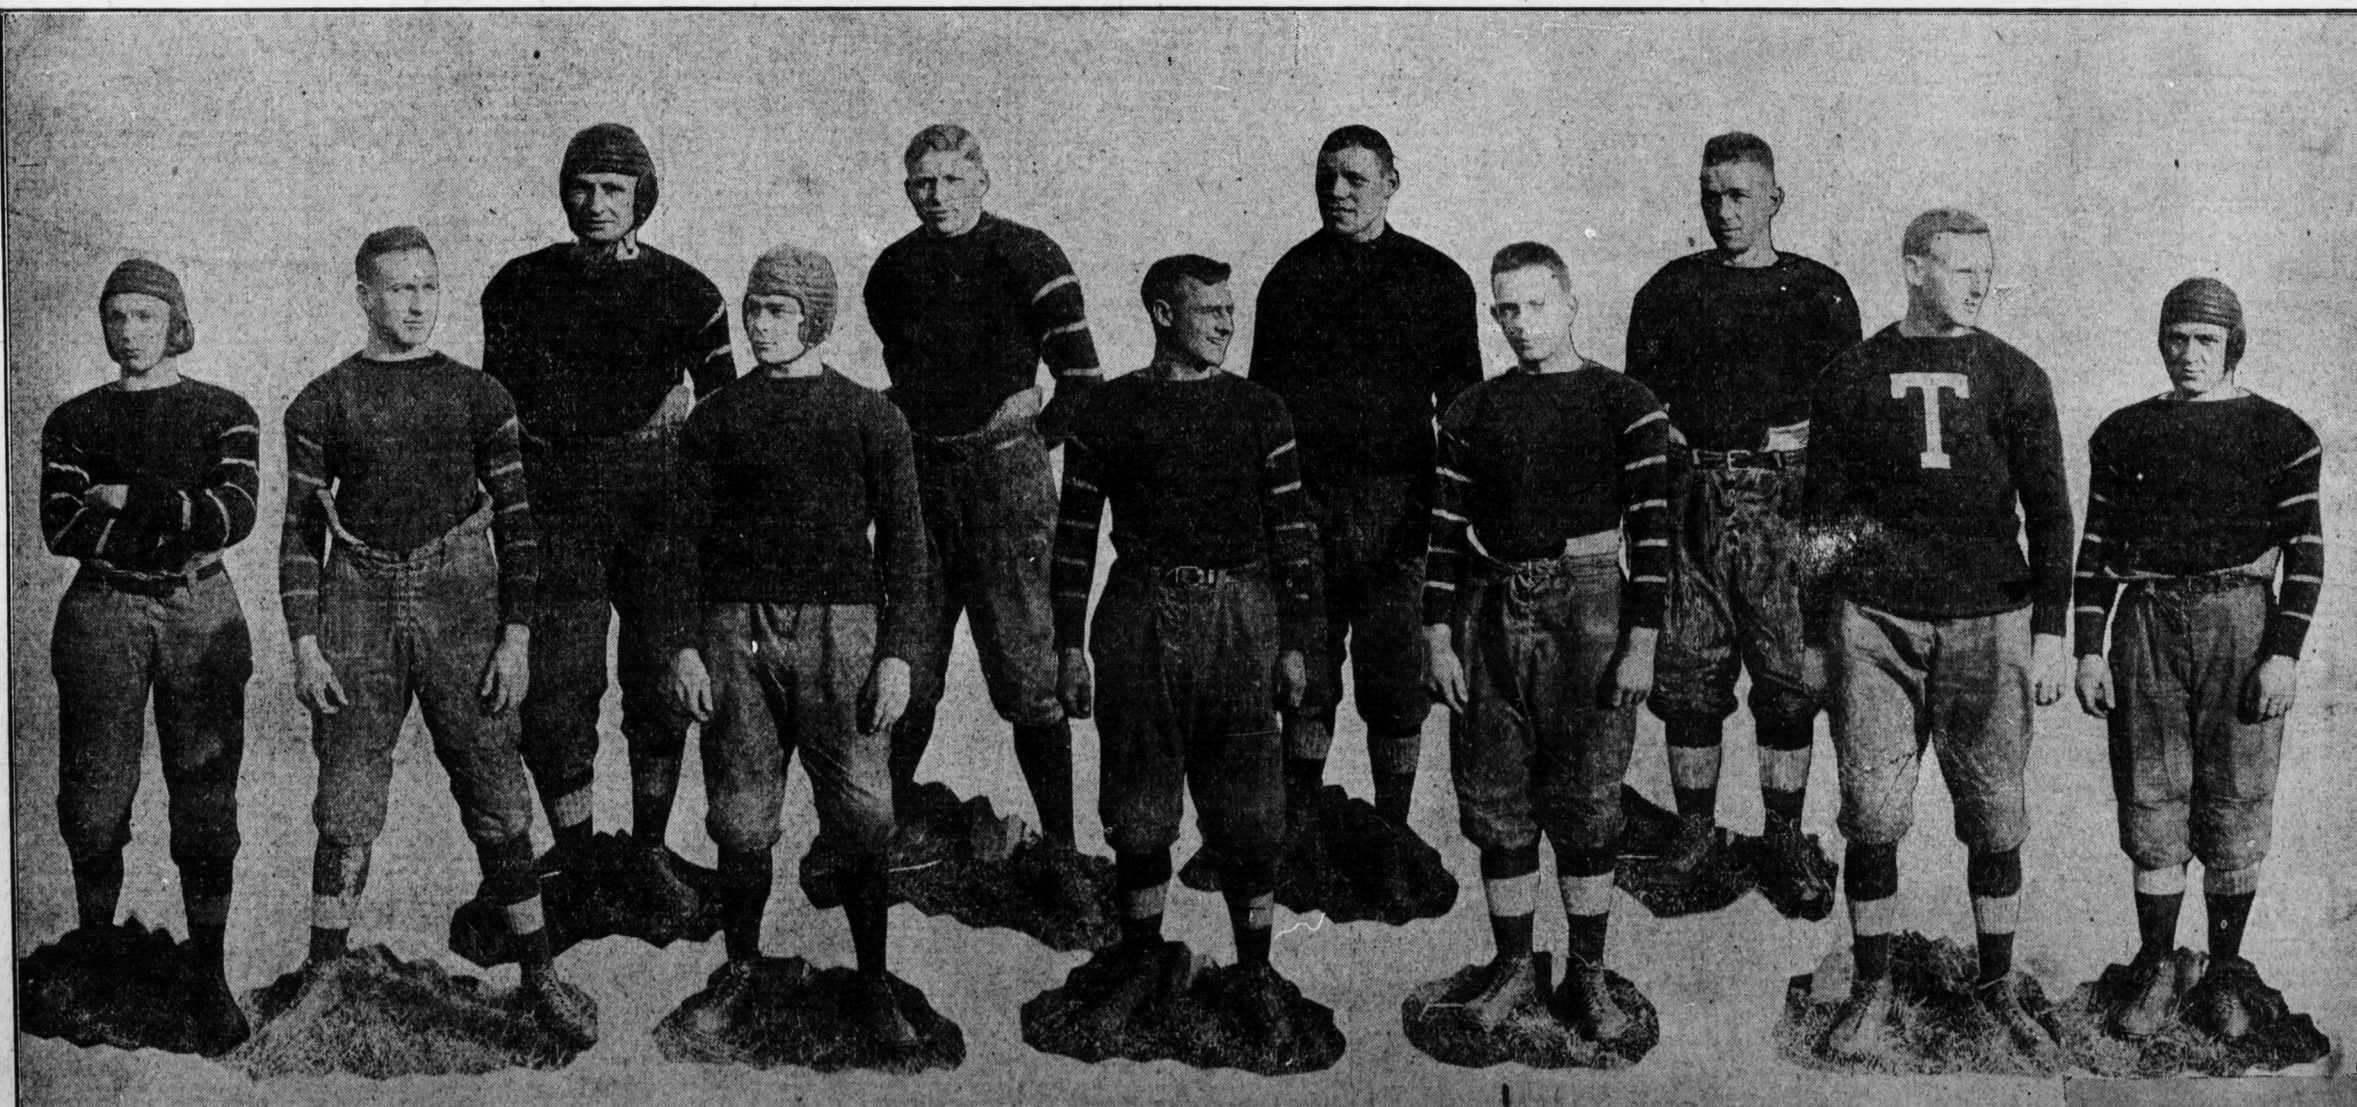

New York, Nov. 29.—The State athletic commission has refused to grant a license to hold boxing in Madison Square Garden. The promoters of the new club—John J. White, president; William Long, secretary-treasurer, and Harry Pollok, matchmaker—presented a lease which the lessor or lessee could terminate at fifteen days' notice. The boxing statute requires that a lease must be for one year, hence the commission tabled the application. Emil E. Fuchs, attorney for the applicants, promised to produce a satisfactory lease within twenty-four hours. However, it is doubtful whether a lease on the Garden for a year can be obtained as an interlocutory judgment of foreclosure and sale has been entered against the premises. "Johnny" Dundee is to box "Freddie" Welsh in the Garden Thursday evening if a license is granted the new club.
