DEER KILLED ON SOUTH MOUNTAIN

Franklin County Hunters Secure Large Number on First Day of the Season

Waynesboro, Pa., Dec. 2.—Yesterday the deer season in Pennsylvania opened with good luck to a number of local sportsmen, members of camps pitched in the mountains a short distance away. Some deer were shot early in the morning.

At 7 o'clock George Overcash, living two miles from Mont Alto, near the Peterhoff Chapel, brought down a 90-pound spike buck on the road between Mont Alto and White Pine Sanatorium.

George Fitz, of Charman, near Blue Ridge Summit, shot a 150-pound spike buck at the pipe line along the Snyder place near Wild Cat rocks.

Allan V. Smith, of Waynesboro, had the honor of bringing down the first deer. He went out along the mountain early in the morning and spotted a herd of seven deer in the opening above Hopeville mills—one buck and six does. Mr. Smith took time to pick out the buck from his mates and brought him down at the first shot. The buck was a three-pronged one and weighed 150 pounds.

Emanuel Weaver, Maple Grove, near Chambersburg, shot a six-prong buck weighing 150 pounds on Pine Knob, along the pipe line above Mont Alto.

BAN ON BOXING FAKES

Pottsville, Pa., Dec. 2.—"No more boxing bouts will be allowed in this city unless a forfeit of \$500 is posted that the fights will be on the level," announced Mayor Pierce Mortimer last night. The Mayor is highly indignant because only one of the three advertised bouts were given by the Twentieth Century Club in this city last Tuesday. "It would not have occurred if I had been in the city," said the Mayor. "We will not allow the public to be faked."

ENTERTAINED AT DINNER

Enola, Pa., Dec. 2.—Mr. and Mrs. B. C. Taylor entertained at dinner on Thanksgiving Day Mr. and Mrs. Ralph Gurnee, Mr. and Mrs. Stewart Famous, Mrs. Rebecca Taylor, Mr. and Mrs. Cletis Chromister and family, all of York, Pa.

Death Tolls in Many States During Hunting Season

Chicago, Ill., Dec. 2.—Eighty-six persons were killed and 41 injured during the hunting season which closed yesterday in fifteen states. The figures were compiled by the Chicago Tribune, which compares them with 59 dead and 66 injured for last year and 111 dead and 162 wounded for 1914.

Carelessness on the part of the hunters accounted for many of the accidents. Many of the victims were mistaken for deer. Michigan leads in the number of dead with 22; Illinois is second with 13, and Minnesota third with 12. New York had 11 fatal accidents. Wisconsin had only 5, the small number being attributed directly to the "buck" law in force last year, which prohibited "shooting at sounds."

The following shows the deaths by states: California, 2; Colorado, 2; Illinois, 13; Indiana, 3; Iowa, 4; Maine, 1; Michigan, 22; Minnesota, 12; Missouri, 2; New Hampshire, 1; New Jersey, 4; New York, 11; North Dakota, 2; South Dakota, 1; Wisconsin, 6.

Big Nine Football For Next Season To Be Fast

Chicago, Ill., Dec. 2.—Football dates for the 1917 season of the "Big Nine" will be scheduled at a meeting here today of the coaches and athletic representatives of the western conference universities.

There is much speculation as to what Ohio State, winner of the 1915 championship, and Northwestern, runner-up, will do in the way of changes for next season. Neither was seriously regarded by the schedule makers last season. Ohio State did not meet Chicago or Minnesota, while Northwestern had no game with either Wisconsin or Minnesota.

Northwestern, however, will ask games with Ohio State, Wisconsin, Chicago, Purdue, Indiana and Iowa. It is regarded as probable that Ohio State will be given a game with Chicago and that Northwestern will probably meet Wisconsin, but not Minnesota.

In addition to the football schedule the baseball, track and basketball programs for the 1917 season will be arranged.

Bits From Sportland

Camp Hill five lost to York high five last night at York, score 66 to 23. Shipley of York team was a big star at center.

The Hershey Big Five outclassed the Oklahoma of Harrisburg last night winning by a score of 47 to 13.

Reese Lloyd, Care Beck and Arthur Fids will each receive a pair of \$7 shoes for special work in the Thanksgiving Day game. W. F. Paul, No. 11 North Fourth street, is the contributor. He is an ardent supporter of scholastic sports.

LOCAL TOSSERS WIN

Middletown's Big Five opened the basketball season last night, losing to the local M. C. R. team by a score 20 to 7. Red Crane was a big star. Klingler and Swartz starred for Middletown. The line-up and summary:

MAY OUST CHIVINGTON

Chicago, Ill., Dec. 2.—President Thomas A. Chivington, of the American Association, has issued a call for the annual meeting of the association, to be held in Indianapolis December 8. The chief question to be placed before the club owners is the election of a president. There is reported to be opposition to the re-election of Mr. Chivington, and, although he said he would be a candidate to succeed himself, he would not fight for the office. Norris L. ("Tip") O'Neil, former president of the Western League, and Thomas Hickey, of St. Paul, have been suggested as probable candidates for the presidency. Hickey was the first president of the association.

TECH ALUMNI BANQUET

Praises were many for the Tech high football eleven at the annual alumni banquet held last night in the Tech building. Covers were placed for 200. Addresses were made by members of the alumni, Coach "Shorty" Miller, Superintendent of Schools F. E. Downes, Percy L. Grubb, Edward Miller, the Rev. S. W. Herman and P. C. Tomastetter, James Fitzpatrick. These officers were elected: President, John Cooper; vice-president, Ted Keet, and secretary and treasurer, Paul Furman.

BRESNAHAN AFTER PIERCE

Chicago, Ill., Dec. 2.—Roger Bresnahan, manager of the Toledo club of the American Association, came here yesterday to procure the services of George Pierce, a former Chicago National League pitcher. Pierce was sent to Toledo last year and had an excellent season, but was under option, which was exercised by President Weegman, of the Chicago Nationals. The latter said to-day that he was not ready to give Bresnahan a definite answer to his appeals for Pierce.

CHINESE ATHLETE AT RENSSELAER

Pennsylvania Prep Student Makes Quarterback on the Freshmen Eleven

PAO-SHUN KWAN

Troy, N. Y., Dec. 1.—Chinese athletes are as rare as dodo birds, but thanks to his days at Mercersburg Academy, Pao-Shun Kwan, formerly of Shanghai, won his place as quarterback on the freshmen eleven of Rensselaer Poly.

He is fast on his feet, uses his head, and his "celestial smile" always looms up somewhere in the thick of the scrum.

Whether he is possible varsity material remains to be seen, but it is safe to say he will be given a chance to show himself next Fall.

ARMY-NAVY GAME DATE

New York, Dec. 2.—The Army-Navy football game will be staged at the Polo Grounds next season on Saturday, November 24, according to present plans. Last year, when the game was the subject of much controversy between Army and Navy officials, it was suggested that thereafter the service teams play in New York and Philadelphia in alternate years. According to this arrangement, the Navy would next season choose Franklin Field. It is understood, however, that the Navy now is in favor of playing here next year on account of the increased seating capacity and excellent arrangements at the Polo Grounds. It is likely that the two service elevens will decide to play here every year.

Ebbetts Wants One Addition Next Season; New Contract For Players

New York, Dec. 2.—Upon his return to New York yesterday Charles H. Ebbetts, president of the Brooklyn Nationals, announced that he had submitted an amendment to the National League to increase its player limit from twenty-one to twenty-two players. The amendment will come up for consideration at the league's annual meeting here on December 12.

Ebbetts also announced the purchase of Infielder Adams and Outfielder Miller from the Winnipeg club. The Brooklyn club has released the following players outright: Nap Rucker on List

G. Napoleon Rucker, under optional agreement; Pitchers Colwell and Goodbred and Outfielder Miller, to Oakland with privilege to recall at end of 1917 season; Infielder Kelleher to Denver and Outfielder Nixon to Beaumont.

Rucker, for years one of the leading left-handed pitchers in the game, will be employed to scout for the Brooklyn club in the American Association, Southern Association, South Atlantic League, North Carolina League, Texas League, Georgia-Alabama League and Dixie League.

Ebbetts also announced that his club probably would abandon its training site at Daytona, Fla., in favor of Hot Springs, Ark.

WOLGAST WHIPS RUSSELL

New Orleans, La., Dec. 2.—Ad Wolgast, former world's lightweight champion, and Frankie Russell, of New Orleans, fought 20 fast rounds to a draw here last night. The decision was given by Referee "Billy" Haack, of Memphis. Local sporting writers were unanimous in announcing Wolgast the winner by a good margin. The fight was furious from going to going, and, although there was no knockdown, both fighters were bleeding profusely during the last few rounds, but were unable to land a telling blow. Wolgast was the aggressor throughout. The men weighed in at 135 pounds.

TRENTON LEAGUE TEAM TO PLAY

Attraction at Auditorium Tonight; Local Independents Going Fast

The basketball attraction at Chestnut Street Auditorium to-night will be the Trenton Eastern League team. This is the first league team to appear in this city this season and a good game is looked for. The Independents are going at a fast clip and it will take a good team to stop their winning stride.

There will be a number of new faces on the Trenton team this year and the old ones will be well remembered, as they played two very good games last year.

Former Harrisburgers

Tomie, the York boy, is filling the center position for Trenton this year and is playing a wonderful game. He was a big favorite when he played with the old Harrisburg five in the Armory.

The local players are all in good shape after their hard game with the Philadelphia Garnets and a great battle is looked for. The teams will line up as follows:

Table with 2 columns: Team Name and Player Name. Includes Trenton (Tomie, Curlette, Tome, Getzinger, Frost) and Independents (N. Ford, McCord, Gerdes, G. Ford, Geisel).

Will Rebuild Maine Hotel on Land Deeded by Dr. Dixon

Bangor, Maine, Dec. 2.—A new Islesboro Inn, Islesboro, in Penobscot bay, is to be built this winter, at a cost of \$130,000, on the site of that which burned in September, 1915. The land has been deeded to the building syndicate by Dr. Samuel Dixon, of Philadelphia, the owner of the old inn.

The hotel is to be built by a corporation of which Dudley R. Hall, of Boston, is president; Allen Forbes, of Boston, secretary and treasurer, and these, with S. S. Mosley, of Boston; W. E. Scull and J. K. Mitchell, of Philadelphia, and Frederick R. Kelley, of New York, directors.

WELLY'S CORNER

Daniel Roberts, a former Tech high football player, will be on the varsity team next year at Rensselaer Polytechnic school. His work this season as a freshman has been very satisfactory.

Coach Schlichter, who made a wonderful team at Harrisburg Academy, will coach the basketball team. His work has won much favorable comment.

According to reports Penn State is after Walter Steffen of Carnegie Tech will coach the basketball team. A contract has been submitted and a reply is awaited.

The national commissioners to-day wrestled with the salary question. A new form of contract was under discussion and it looks like a big baseball fight before next season starts.

While to-day's session of the national commission was behind closed doors it was intimated that the new contract does not contemplate the prevention of any threatened strike of players, but does make changes of a more or less technical character, purposed to meet new conditions, arising with the termination of the recent baseball war. Persons in touch with the situation expected that the reserve clause would be retained but changed to suit the new conditions.

Tamaqua high school is an applicant for admission to the Pennsylvania Interscholastic Basketball League. Officials met this morning and considered the application. Tamaqua is a good basketball town and some stars have been turned out there. Another question up to-day was the number of game officials for the season.

GOOD SPORT IN FRANKLIN

Chambersburg, Pa., Dec. 2.—The Franklin county mountains are alive with deer hunters. Camps are scattered over all the ridges. The South Mountain is estimated to have four hunters for every stag with horns ranging the hills. Jesse C. Norris shot the first buck yesterday. W. C. Berkheimer and R. C. Chalmers, Hanover, each got one. Lloyd Pilgrim, Roy Thomas and Clayton Overcash each got a stag. Overcash never shot at deer before, and, despite buck ague, he got the largest one of the day's kill.
