

ANOTHER BASKETBALL COMMISSION APPOINTED; PLAN FOR NEW U. OF P. STADIUM

VETERANS REPORT FOR CAGE WORK

Lebanon Valley to Have Star Tossing Aggregation This Season

Annapolis, Pa., Dec. 6.—With the resumption of school after the Thanksgiving recess, Coach Guyer issued a call for basketball candidates at Lebanon Valley. A squad of thirty men reported. As a nucleus around which to build this year's team there remains six of the seven of last season's varsity men to choose from, Hollinger, the center, being the only one lost by graduation. Loomis, an old Tech man, who played a consistent game at guard last year, is captain. Swartz, of Middletown high, and Atticks, of Steelton, together with Walters, Keating and Shetter all earned their letter last year and are expected to show lots of form this season.

Promising Material

Among the most promising new material there is Lynn, formerly of Clearfield high school team, who was scholastic champion of Central Pennsylvania for several years; Anderson, a Philadelphia boy who starred with Bethlehem Prep. last season, and Winnishes, the Indian who played several years with Carlisle. The Reserve team, of last year is practically all intact and some of these men will make a strong bid for first team jobs. The schedule is not quite completed, but Manager Boltz announced that the season will not open until after the Christmas holidays when Lebanon Valley meets the State College five at State College.

WILLARD-CARPENTER BOUT

New York, Dec. 6.—The proposed ten-round no-decision boxing bout between Georges Carpentier, heavyweight champion of Europe, and Jess Willard, the American champion, has among its sponsors Miss Anne Morgan and Miss Elizabeth Marbury, it was learned today. Miss Morgan is treasurer of the American fund for the French wounded, under the auspices of which it is hoped to bring Carpenter here. Miss Marbury, who is also actively interested in the French fund, said that her interest in the proposed bout was solely to see that the \$50,000 which she hopes the fund would receive from the proceeds was properly handled.

Varsity Letters were given out at Penn University yesterday afternoon.

Twenty-eight football players were awarded their "P". The annual relay carnival will be held April 27-28. The Shawnee Country Club golf course on the Delaware river may be selected for the women's national championship matches next year. The Salem Lutheran basketball team, Oberlin, wants games with teams in Harrisburg and vicinity. Address communications to Christian Glantz, Oberlin.

APPOINT FIVE ON COMMISSION

Representatives of amateur basketball teams in the city at a meeting last night held in the Bogar store-room, Market Square, appointed a commission of five men to conduct the affairs of the proposed City Amateur Basketball League.

Saul, faculty athletic director at Central High; Professor P. L. Grubb, faculty athletic director at Technical High, and Eugene E. Miller, physical director at Boyd Memorial Building.

Every effort will be made to start the league on January 1 and arrangements will probably be made within the next week for a suitable floor. Other rules to be decided upon by the commission will be taken up as soon as possible. Officers of two class A amateur teams who were not present at the first meeting attended last night's session. The applicants for league membership and the men representing the organizations followed: Rosewood A. C., E. W. Killinger; Galahad R. C., Paul D. March; Methodist Club, W. R. Winn; West End A. C., F. Rotary Club Takes Up Municipal Christmas Tree

The Harrisburg Rotary Club instructed its public affairs committee at a meeting last evening at the Public Library to take up with the Chamber of Commerce, the Jovian League, Mayor Meals and other members of the municipal Christmas tree for Harrisburg this year. The club has determined that the project shall not be permitted to fail.

The plan was entertained by William S. Essick, who talked insurance of the various kinds in which he engages, and Mr. Hiss, of Mr. Essick's staff, gave an illustrated lecture on safety first methods. Souvenirs were distributed and ice cream and cake served.

5,000 Bay State Paper Mill Workers Will Get Bonus

Springfield, Mass., Dec. 6.—All the paper mills in western Massachusetts, including Holyoke, Agawam, Mittingeague and Berkshire county, have granted their employees an emergency bonus of 10 per cent. in wages.

The plan is to continue the matter of notice and is granted to offset the increased cost of living. Five thousand employees will benefit.

STATE PERMITS FOR ALL JITNEYS

Are Common Carriers, Public Serv Commission Decides in Important Opinion

Jitneys are common carriers within the meaning of the Pennsylvania Public Service law and can only be operated when their owners have obtained certificates of public convenience from the Public Service Commission which, however, will grant authority to operate one when applicants for certificates show that they have safe and adequate vehicles according to a decision of the commission given today. The opinion was written by Chairman Alney and refuses a certificate to Peter Groco, against whose operation of a jitney the Allegheny Valley Street Railway has filed a protest.

The opinion is the first in which the commission has taken a stand against jitneys not of sufficient size to meet demands of traffic. It lays down rules and under the decision will come probably a score or more of jitney operators in Western Pennsylvania who have been complained against, while the case will furnish a precedent in other cases which may be brought.

WELLY'S CORNER

The need for a suitable hall for indoor sports is keeping Harrisburg out of some good attractions. While the Harrisburg Independents are doing their level best to keep up interest in basketball there are a number of teams begging for a place to play. With the introduction of an amateur league the demand for a suitable hall will be increased.

What this city ought to have is a building suitable for all athletic purposes and adjoining a field where baseball and other outdoor games and sports could be held. There are athletic associations sufficient in Harrisburg to support an enterprise of this kind.

This week will find the scholastic basketball game as an attraction. Tech starts Friday. Games will be played in the Army. The Hasset Club season is on full blast, and in addition to the attractive schedule offered by the Harrisburg Independents, Central high will play all games at Chestnut street auditorium.

Then there will be some other games that must not be overlooked. Yale's crack varsity five will play in Harrisburg on the night of January 6. Pitted against the New Haven boys will be an since 1911.

ALUMNI AGGREGATION THAT PROMISES TO GIVE YALE A HARD RUN. THIS ONE DATE SHOULD BE MARKED UP BY ALL BASKETBALL ENTHUSIASTS. IT WILL BE A BIG NIGHT IN HARRISBURG, AS IN ADDITION TO THE GAME THERE WILL BE A DANCE PROGRAM.

The baseball scouts of the big league clubs, who have completed their annual reports for the year, are almost unanimous in declaring that the general run of material in the bush leagues last season was below the caliber of previous years and that few players were uncovered who showed promise of making good in the major leagues without a long drawn out polishing process by working up through the various minor leagues.

Ulrich Salchow, former holder of the world's amateur figure skating championship, has arrived in this country from Sweden and will start soon on a tour of the United States, giving exhibitions at the principal artificial and natural ice rinks of the larger cities. Salchow has had a remarkable career in his chosen line of competition. Between 1901 and 1911 he won the world's amateur championship at figure skating ten times—not competing in 1906, nor has he competed in a championship against the New Haven boys will be an since 1911.
