Palm is now a sophomore and has played on the team for two years at end and in the back field. He is one of the fastest men and best crack quarter-miler, weight thrower and hurdler. Captain Myers, of Camp Hill, who was expected to enter law school to play his final year of collegiate football, will not return and was not a candidate for re-election. A contract has been signed with Bucknell for a game in Carlisle on Thanksgiving Day next year, marking the resumption of relations with the Lewisburg institution, and a meeting will be held within a few days looking toward a resumption of activities and the re-establishment of the annual game with Gettysburg.

Needle Dormant 10 Years in Woman Causes Death

London.—Tetanus, developed ten years after she swallowed a needle, caused the death of the wife of a tavern keeper of Pimlico. A post-mortem examination disclosed that the bit of steel had lodged in the woman's intestines. The woman gripped the needle between her teeth one evening ten years ago, then she was called away from her sewing. While hurrying to another part of the house, the needle slipped down her throat. Physicians summoned to treat her were unable to locate it and as it caused no pain it was decided that it had lodged in the tissue of her throat and could cause no harm. Recently the woman's husband found her unconscious. A physician was summoned and the case was diagnosed as ptomaine poisoning. Before treatment could be prescribed the woman died from bloodpoisoning.

At 90 Blind Man's Sight Is Restored

St. Louis, Mo.—No longer is it necessary for Colonel A. E. Rodgers, of Alton to fish the tinkle of a bell on his fishing pole before he learns he has a nibble. The sight in one of his eyes has been restored by the removal of a cataract. A veteran of the Mexican and Civil Wars, he underwent an operation in a St. Louis hospital on his ninetieth birthday. He had been blind for several years, and as he was an ardent

The New Life and Disability Contract

Many Life Insurance Companies have put disability clauses in their policies, providing waiver of premium and in some instances, allowing optional settlements. The Penn Mutual however, has made one more progressive step, by adding a clause which, first waives the premium; second, pays 10 per cent. of the face of the policy as an annuity, in monthly instalments; third, pays the full face of the policy to the beneficiary at death of insured, regardless of the length of time the insured was disabled. It is worth while investigating. Penn Mutual Life Insurance Company E. R. ECKENRODE, General Agent. 604 KUNKEL BLDG.
