WOMEN! MOTHERS! DAUGHTERS!

You who tire easily, are pale, have a guard and worn, nervous or irritable, who are subject to fits of melancholy or the "blues," get your blood examined for iron deficiency. Pure NUXATED IRON taken three times a day after meals will increase your strength and give you 200 per cent in two weeks in many cases.—Ferdinand King, M.D.

IF FOOD DISAGREES DRINK HOT WATER
When food lies like lead in the stomach and you have that uncomfortable, distended feeling, it is because of insufficient blood supply to the stomach, combined with the acid and food fermentation. In such cases, try this plan now followed in many hospitals and advised by many eminent physicians: taking a teaspoonful of pure bisulphate of magnesia in half a glass of water, as often as you can comfortably drink it. The hot water draws the blood to the stomach and the bisulphate of magnesia, as any physician can tell you, instantly neutralizes the acid and stops the food fermentation. Try this simple plan and you will be astonished at the immediate feeling of relief and comfort that always follows the restoration of the normal process of digestion. People who find it inconvenient at times to secure hot water and travelers who are frequently obliged to take hasty meals prepared abroad, should always take two or three five-grain tablets of Bisulphate of Magnesia after meals to prevent fermentation and neutralize the acid in their stomach. G. A. Gorgas can supply you.—Advertisement.

I GUARANTEE 14 DAY results, including all three parts and a large Aluminum Box of medicine, including Cream, prepared by parcel post, if you send me the enclosed fee (coin or stamps) to help pay expenses.

THIN WOMEN

should have treatment B, to increase flesh, so as to develop the bust. The regular treatment is for the bust only, but it will increase your weight. Some ladies have written that my offer is "too good to be true," but it is true. You are protected to the limit by MY GUARANTEE. If this free treatment is not all you expect, if it is not worth as much as some that cost \$1.00, if you are not more than satisfied, your money back without a word.

BE CAREFUL WHAT YOU TAKE FOR COLDS

The stimulants and dangerous drugs which many "cough balsams" and patent medicines depend on for their temporary effect endanger the health and even the lives of those who take them. Because it is free from alcohol, narcotics and dangerous drugs, Father John's Medicine has had 50 years of success in the treatment of colds, coughs, throat troubles and as a tonic and body builder. Father John's Medicine is a doctor's prescription.—pure and wholesome. Guaranteed.

MISS PERRY TALKS TO STUDY CLUB

Tells of Vocational Schools in Rural Centers Throughout This State

Miss Anna Perry, State supervisor of vocational schools, addressed the Study club yesterday afternoon at the residence of Mrs. L. D. Perry, 1617 North Second street, telling of the interesting work recently inaugurated by the State in the development of rural centers remote from railroads. The Legislature of 1913 passed a bill granting aid to all rural communities desiring to establish vocational schools and appointed a woman supervisor to direct the domestic science and home making and a man as the head of agriculture and farming. Several school townships unite and erect buildings for these educational purposes, having everything most complete although on a small scale. The State furnishes two-thirds of the funds and the community the remaining third. Twenty-six have already been established in Pennsylvania, and Miss Perry visits regularly, fourteen of them, appointing under superintendents and acting as judge of their conduct work.

The Study club is at present studying "community recreation" and the talk of Miss Perry was especially interesting and timely. Early in the season the Study club had some work along lines of moving pictures, and organized play and later will take up "Pageants and Masques," the municipal theater and the like.

The members include: Mrs. James W. Andrews, Mrs. James B. Carruthers, Mrs. R. W. Fair, Mrs. E. H. Gottschall, Mrs. John T. Olmsted, Mrs. Horace B. King, Mrs. Homer S. May, Mrs. W. Sherman Steele, Mrs. Clayton A. Smucker.

Optician Wins Singer When He Fits Glasses

St. Louis, Mo., Dec. 7.—Dr. L. Schwartz, optical goods manufacturer of Shreveport, La., has just finished an entirely successful adjustment of the eyesight of Miss May Bouton, prima donna soprano. Miss Bouton frankly admits she sees just as Dr. Schwartz wanted her to. Dr. Schwartz is so pleased with the outcome of his laboratory experiment in visualizing the eyesight of Miss May Bouton back home with him. Only she'll be Mrs. L. Schwartz when she goes. "The doctor just pictured the disadvantages of a stage life so vividly I had to leave his way," she said yesterday at the Von Del Hotel. "Then he painted me a picture of a happy home life with a husband I loved, and—well, it's no more Broadway with me." The wedding will take place soon. The couple will go for a short honeymoon and then will reside in Shreveport. She met Dr. Schwartz five years ago when she was single with Grace Van Studdiford in Shreveport.

LAWYER CLIMBS WITNESS STAND

Attorney Kunkel, State's Counsel, Denies He Took Part in "Hold-up Game"

From the witness box in No. 2 courtroom to-day Attorney Paul A. Kunkel, of counsel for the State, flatly and coolly denied heated charges of participation in a "holdup game."

The charges and the denial highly edified a crowded courtroom just before the trial of George Lampas, charged by Daisy Miller with marital infidelity, was given to the jury.
