ing Them Into Place in the Senate Chamber

The five mural decorations painted for the State Senate chamber by Miss Violet Oakley, the Philadelphia artist, will be placed in position next week. Miss Oakley have completed the first of the series for the chamber at Philadelphia and will them on Thursday and immediately hung by a firm experienced in such work.

These paintings, which represent men and incidents in Pennsylvania history, are to be ready when the Senate meets. Four others will be placed next summer. They are partially completed.

ate meets. Four others will be placed next summer. They are partially completed.

The next Legislature will make provision for the series of decorations representing the development of law from oral tradition to the code which Miss Oakley will paint for the Supreme Court chamber. It is probable that something will also be done regarding decorations for the north corridor of the Capitol.
