Do Your Christmas Shopping Early

10 More Business Days Till Xmas

It's about your last chance to buy early — the big rush is about due — why not come and choose to-morrow — "Get as much pleasure out of buying your gifts as you do out of giving them — Shop to-morrow," and timely advise is to "shop mornings."

At This Holiday Season a Word Appropos to This Store's Publicity is Timely

Dr. Frank Crane says — "Exaggeration is lying." It does not take long for the people in a community to discount all one may say, if facts are over-stated and one vociferates. They must keep on getting louder until they become incoherent. But if one habitually states that which is soberly and honestly true, everything said will soon be taken as expressed. A man's reputation for truthfulness is as much a part of his capital as are his store and stock. As civilization progresses, business becomes more and more an affair of trust. So it is with this store, built upon not only an absolute statement of facts in its printed word, but in all its statements.

The Gift Umbrella

To Men and Women

Among the most useful, acceptable and appreciated of gifts are

UMBRELLAS

An umbrella is sure of a warm welcome when found among the gifts on Christmas morning — it is a gift that carries with it a lasting remembrance and stands first on the list of "useful" gifts.

In our Umbrella Department we have assembled the newest and best styles and the late novelties in handles, especially to supply the right kinds for Christmas giving.

We feature the short handled umbrellas for women — the most graceful and practical umbrella ever devised for women's use — no long, ungainly handles that are always in the way, but a convenient length with a silk cord loop to slip over the arm for convenience in carrying for insurance against loss — \$1.00 to \$3.25.

Other umbrellas for women to \$6.00. For men — there are dozens of handsome, refined styles — made of highest grades of materials, mounted on artistic handles at

\$1.00 up to \$6.50

Umbrellas make good gifts for business associates and employees.

Husband's Love Absent; Therefore Not Stolen

Reading, Pa., Dec. 12.—The novel defense that there was no affection between the plaintiff and her husband that might be stolen, is put up in the \$5,000 alienation suit of Mrs. Hattie Rhoda against Mary W. Wisler, both well-known Reading women, in an affidavit filed by the defendant in court here.

Mrs. Rhoda charges Mrs. Wisler with having stolen the affections of her husband, Harry Rhoda. The defendant says the truth of the matter is that the plaintiff and her husband were on the outs.
