STEELTON NEWS

SCHWAB TO BE HERE THURSDAY

Will Be Guest of Honor at a Dinner in Bridge and Construction Luncheon

Charles M. Schwab, with several Bethlehem Steel Company officials from South Bethlehem, will come to Steelton Thursday afternoon as guest of honor at a dinner in the lunch room of the bridge and construction department of the local plant, in the evening. They will leave for Bethlehem immediately after the banquet. The purpose of Mr. Schwab's visit here is to allow the superintendents of the various departments of the local plant to meet the steel magnate. This is to be only the first of many visits to be made by Mr. Schwab during the coming year.

Minister Urges Young Men to Emulate Steel Magnate

The Rev. Dr. Henry M. Wharton, pastor of Brantly Baptist Church, of Baltimore, in a sermon Sunday night to young men on "Big Business" referred to the value of high aim in life and to the indomitable energy and pluck of Charles M. Schwab, the steel magnate, as an object lesson for young men as well as an ideal worthy of emulation.

In talking of Schwab, Dr. Wharton said: "At the age of 16 Mr. Schwab was driving a cart and at 23 he was at the head of one of the greatest interests in the iron business at that time. One of his early employers said of him: 'He is bright and willing, and wants to know everything.' He loved music and was fond of mathematics. Let him tell his great secret in his own words. Why do I love work? I love to work more money than I can begin to spend. I have no children. My wife is rich in her own right. I work for the pleasure I find in work, and in the fact that there is in creating and developing. The man who works only for the love of money is not likely to find much success or pleasure in life. 'To-day he is the most loved and honored businessman in America.'

Schwab to Entertain Lieutenants at Dinner

South Bethlehem, Pa., Dec. 12.—Charles M. Schwab will give his annual Christmas dinner to 120 lieutenants on December 20 at the private dining room of the Bethlehem Steel Company. Several officers of the Steelton and Maryland Steel Companies will be taken into the "Diamond I-beam Scarfpin" Club.

MRS. JEFFRIES DIES

Mrs. Joseph C. Jeffries, Harrisburg and Locust streets, died late last night after an illness of several months. She is survived by her husband, two daughters, Mrs. Florence Juniper, of Pottstown, and Miss Mary, at home; four sons, Frank, Harry, Paul and Walter, all at home. No arrangements have been made for the funeral.

KILLED AT STEEL PLANT

Funeral services for Boras Georgeoff, aged 28, a Macedonian, of 124 Main street, who was killed while working at the steel plant last evening about 8 o'clock, will be held from the Macedonian church, Front street, near Franklin, to-morrow morning at 10 o'clock. Burial will be made in the Baldwin cemetery. Georgeoff was engaged in unloading a car of coal at the open hearth gashouse, and was killed when the heavy metal bucket was lowered on his head.

MEETING OF BOOSTERS

Lodgers from Harrisburg, Middletown, New Cumberland, West Fairview, Mechanicsburg, Carlisle, Mt. Holly Springs and Oberlin are expected to attend a meeting of the Boosters' Association of the Order of Independent Americans to-morrow evening at the rooms of Steelton council, No. 152. Officers will be elected for the coming year and a program will be presented.

IN NEED OF FUNDS

The Child Welfare Committee of the Civic Club composed of Mrs. Alden, Mrs. Reine, Mrs. Lutz, Mrs. Delamater, Mrs. Darby, Mrs. Bethel and Mrs. Kline, planning the municipal Christmas tree is badly in need of funds to help defray its expenses. Members of the committee would be glad to receive some contributions.

URGES CLOSING OF POOLROOMS

Burgess Wigfield Asserts Many Negroes Loiter There Late at Night

Council last night authorized the ordinance committee to investigate the need of an ordinance regulating the hour for closing poolrooms in the borough. Burgess Wigfield made an urgent appeal that something be done along this line. He declared the poolrooms were a place for loitering at night for Southern negroes. A report on the matter will be made at the next meeting.

SEE WAR HORRORS IN "CIVILIZATION"

Remarkable Production Will Continue Throughout Week at Victoria

Horrors of modern warfare are vividly described in Thomas H. Ince's spectacle, "Civilization," the great battle drama, which opened a week's engagement last night at the Victoria Theater.

A general opinion prevailed among yesterday's large audiences that the producer has eclipsed most of his rivals in this production. All the horrible features of a conflict of to-day are pictured. Trench warfare, cavalry charges across open plains, aerial battles and bombardments, burning of cities, famine—everything which contributes to the cruelty of armed conflict as it has been going on in Europe for two years is shown on the screen.

One of the outstanding features of "Civilization" is its big purpose. It seeks to point the way to civilization by obliterating all wars after impressing upon the people the true horrors of such barbarity. It is a story with a romance, ending with a scriptural moral, "Love thy God and love thy neighbor."

The action is so realistic it is easy to imagine you are on the scene. It is undeniably one of the most spectacular films ever shown in this city. Performances will be given every afternoon and evening throughout the week. This spectacle is given with a full orchestral accompaniment and vocal solos add to the impressive moral teachings of this wonderful production.
