### Munyon's Paw-Paw Pills

#### A Laxative

Munyon's Paw Paw Pills are different from all other laxatives. They do not scour; they do not gripe; they do not weaken; but they do start the secretions of the liver and stomach in a way that soon corrects constipation. If I had my way, I would prohibit the sale of the cathartics that destroy the lining of the stomach, and so paralyze the bowels that they refuse to act unless forced by strong purgatives. In my opinion constipation is responsible for most ailments. There are twenty-six feet of human bowels, which is really a sewer pipe. When this pipe becomes clogged, the whole system becomes poisoned, causing biliousness, indigestion, impure blood, rheumatism and kidney ailments.

Munyon's Paw Paw Laxative Pills are a blessing to the stomach, liver and nerves. They invigorate, they enrich the blood, they enable the stomach to get all the nourishment from food that is put into it.

These pills contain no calomel, no dope; they are healing and invigorating. They school the bowels to act without physic.
