

To insure Victor quality, always look for the famous trademark, "His Master's Voice." It is on every Victrola and every Victor Record. It is the identifying label on all genuine Victorolas and Victor Records.

Will there be a Victrola in your home this Christmas?

You can search the whole world over and not find anything else that will bring so much pleasure to every member of the family

Owing to the enormous demand it is possible that some Victor dealers may not have in stock just the style Victrola you want—but it is also just as reasonable to suppose that the exact Victrola you want will be found at some of the regular qualified dealers listed below.
