

SETTLE BOUNDARY IN EAST HANOVER

Commission Disposes of Long Fought Dispute With Rush; Prestnt Line Retained

Rush-East Hanover township boundary dispute of years were officially settled for all time to-day when the commission appointed to survey and report to the Dauphin County Court on the proper line filed its statement with Prothonotary Harry F. Holter. The commissioners are W. J. Daniels, J. A. Landis and Levi Miller. The question at issue was this: Some 3,844 acres of mountain-covered land which had always been considered as a part of East Hanover to the north had been assessed and taxed as such. Rush township for several years has been claiming the section, however, and the matter was brought to an issue a few months ago when the Dauphin County Court was asked to appoint the survey commission. And the commissioners by the report which was filed to-day for confirmation at January quarter sessions definitely fixes the boundary line as it now is—with the disputed territory still included in East Hanover.

Christmas at "Pen"—John Moore, convicted of larceny from the person, and James Braxton, burglars, were taken to the Eastern Penitentiary yesterday to spend from a year and a half to three years.

Sues Traction Company.—Suit for \$500 damages to his automobile was filed to-day by Alfred Hauck against the Harrisburg Railway Company, through his attorney, W. L. Loeser. The statement alleges that a trolley car, negligently driven, crashed into Hauck's car on Third street between Briggs and Forster, September 18.

Gift to Law Library.—Twenty-two volumes of the Legal Intelligencer, dating from 1871 and 1892, were presented to-day to the Dauphin county law library by Attorney Frank Snodgrass. The books were the property of the late Robert Snodgrass.

\$75 for Murder Attorneys.—In an order handed down to-day the Dauphin County Court allowed Attorneys Horace A. Segelbaum and Harvey E. Knapp, appointed by the court to defend Elwood Wilson, convicted of shooting Patrolman Lewis C. Hipple, \$75 each for services.

Dr. Crampton Says Landowner Is to Blame

"The man who is making 50 per cent. on his investments by allowing conditions not fit for animals and not the poor, uneducated negro, is to be blamed for the conditions that exist in the vicinity of Cowden street," said Charles H. Crampton, president of the Colored Law and Order League this morning. "Trouble never occurs in the sections where the respectable negro lives under good housing conditions, but always in the section where men are crowded as a farmer would not think of crowding his stock. The property owners on Strawberry and Sayre streets are to be blamed for the crime that disgraces the city. The renters themselves, barely able to eke out a living under the present conditions are, of course, tempted to take on more roomers to reduce the living cost," he continued.

Youthful Murderer Before State Pardon Board Today

The State Board of Pardon to-day heard pleas for the commutation of the death sentence of Fred Christy, Mercer county, who was sentenced to death for killing his father. It was claimed that the boy had withdrawn his plea of not guilty and allowed the court to determine the degree of guilt. Attorneys claimed that there had been intimations that a second degree verdict would be decided upon. A number of other cases were heard during the day. The applications for rehearing in the case of Ernest Haines, aged 18, and Henry Ward Mottern, aged 17, sentenced to die for the killing of Mottern's father, which have attracted widespread attention on account of the youth of the prisoners, will not come up until very late.
