Early in the second half Rote and S. Harris came to blows when Rote attempted to guard Harris. The players of both teams separated the combatants only after one of the spectators had been struck. The floor was soon cleared and play resumed. Several times during the game the visitors threatened the lead of the locals, but were unable to overcome it. Harrisburg Independents will play two hard games this week. Lancaster plays to-night and Camden's speed boys will start the three-game series Saturday night. It was a rough games Saturday with Pittston. Referee Early was criticised because he dld not call fouls on Harrisburg. Those who watched the game closely were of the opinion that he was partial with Pittston.

Fist fights are not a part of a basketball game. The mixup Saturday right have been says as a bad aeroplane spill and will time.

George Cockill, owner and manager of the Harrisburg New York State League Club will be in Harrisburg this week. He will announce his plans and activity will start for next season. Manager Cockill's visit is anxiously awaited.

He also agrees to give the Australian a good purse, not less than \$12,500. This is the bout Darcy should take on first. Smith had the best of Darcy on three occasions in Australia, and lost a fourth battle on a foul. If the American means business no time should be lost in arranging for a contest.

Fist fights are not a part of a basketball game. The mixup Saturday night between S. Harris and Rote marred the contest. The crowd that rushed on the floor made a serious mistake. Let the officials in a game take care of such troubles. Women who attend games do not like to see such disurbances.

Jeff Smith, the middleweight, is willing to box Les Darcy for nothing.

## SCHOLASTIC BASKETBALL TO SHOW INCREASED ACTIVITY

Tech Plays Lebanon Friday at the Armory; Steelton at York; Central Starts Late

With the resumption of school activities after the holiday season, high schools throughout the State will turn their attention to basketball. Lebanon and Steelton pried open the lid in the Central Pennsylvania League in the "Dutch" town last Friday evening, and the easy manner in which the Lebanon lads trimmed the Steelton veterans, is indicative of the fact that the "Dutchmen" have one of the strongest teams in the league. Steelton has practically the same linear the strongest teams in the league. Steelton has practically the same linear the strongest teams in the league. Steelton has practically the same bunch of layers the strongest teams in the league. Steelton has practically the same bunch of layers to begin the season. Friday night for one of the strongest teams in the league, Steelton has practically the same bunch of layers the strongest teams in the league and Lebanon Saturday night, both process to the call and the strongest teams or other never had a cage five that could be called championship caliber. In the opening game they were barely able to defeat Danville. On the next evening they lost to shippensburg Normal five at that place, while last week they nosed out the Middletown tossers by a single point.

Steelton Has a Game

Another league game to be played this week will be the Steelton-York in the later city also Friday night. York has won four games to date. In the scholastic championship series of that city which has already begun, the high school players have defeated both the York Academy and collegiate teams. Both games were in the high school gymnasium.

Reading has already played several as fast clip to win.

## Ice Cream Is Boosted in Price to Retail and Wholesale Trade

Pasadena, Cal., Jan. 1. — Uncertain weather conditions early to-day greeted the players of the University of Oregon elevens who are ready for the second annual post season football game between the east and west at Tourhament Park here, following the tournament of roses pageant. Although Pennsylvania was the favorite, the forecast of "unsettled weather" cheered the Oregon supporters.

A wet or muddy field, it was said, might give the heavy line plunging Oregonians a slight advantage over the open style of play expected from the eastern eleven. R. C. Folwell, Pennsylvania coach, and Hugo Besdek the Oregon mentor, announced that their men were in good condition. Urquart, Pennsylvania's left end, who developed an infected foot on the trip, will be replaced by Crane.

## **GOODRICH** PRICE ADJUSTMENT

AUTOMOBILE TIRES

THE B. F. GOODRICH COMPANY announces that owing to the advanced cost of all materials entering into the construction of its tires, especially fabric, it has readjusted its prices both to the Consumer and the Trade as of January 1st, 1917.

In making this price revision it has considered carefully the respective difference between its products having fabric construction and where it is absent. Instead of advancing BOTH cases and inner tubes, it has given the Consumer and the Trade the advantage wherever it existed, based on individual cost of each size, instead of a line advance irrespective of the factor of individual cost.
